Honorable Chair Representative Chris Garrett, Vice–Chair Representative Wally Hicks, Vice–Chair Representative Val Hoyle, Representative Bob Jenson, Representative Bill Kennemer, Representative Paul Holvey, Representative Phil Barnhart, Representative Vicki Berger, and Representative Michael Dembrow,

I oppose HB2387, Removing the Jason Lee Memorial will be removing the significance of how Oregon came to be. The Jason Lee story is an unfolding of God’s answered prayer of the Native American people of this state. It is a historical story of the founding of Oregon that is not well know. It is a story of fervent prayer for the truth, by a people who had set themselves aside for that purpose, seeking our creator. and of another trying to follow God’s calling in service to mankind. It brought two people together, to know God’s shared blessings, provisions and build a future together. We need to remember these good moments of our past. It is our history. It is who we are.

Please do not pass this bill!

Respectfully,
Janice Dysinger
