

Distance Education Enrollment at Alliance Institutions

Notes for Distance Education Enrollment Data:

Data are 2012 Fall Enrollment data from NCES IPEDS.

11 of our 19 institutions offer distance education at the undergraduate or graduate level.

Approximately 1-2% of distance registrants are international students.

International students are not included in the "Out of State" figures.

US (state unknown) are included in the "Out of State" figures.

Complete data for all institutions found on accompanying Excel Spreadsheets
 Summary data supplied here for Linfield (all 3 campuses) as an example of strictly
 undergraduate program(s), for Willamette as an example of a smaller-scale strictly
 Graduate program, and for Corban as an example of an institution with both
 undergraduate and graduate programs.
