

Dear Co-Chair Burdick, Co-Chair Barnhart, and Members of the Committee,

I'm writing to support HB2850. As a VITA tax volunteer, I spend 4 hours a week during tax season helping low income earners file their taxes. I see first hand the impact that the Earned Income Tax Credit has on our neighbors and in our communities. Families are able to tackle those large expenses - fix their car, pay down debt, and more - because of the credits received from the federal and state governments. Please expand the Oregon credit further to help those that are barely making it.

Sincerely,
Matt Cleinman
