Approves certain new or increased fees adopted by State Board of Pharmacy.

Government Unit(s) Affected:

Board of Pharmacy

Summary of Expenditure Impact:

Please see analysis

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis:

SB 1565 passed during the prior legislative session allows for the dispensing of prescription drugs by a physician assistant under the supervision of a physician or supervising physician organization. The measure required the supervising physician or organization to register and be licensed by the Board of Pharmacy as a dispensing drug outlet.

During the interim following the 2012 Legislative Session, the Board of Pharmacy adopted rules and set a fee of \$300 after seeking approval from the Department of Administrative Services. The Board of Pharmacy anticipates that the revenue generated by the fee will total roughly \$12,000 in the 2013-2015 biennium.

EFFECT OF COMMITTEE AMENDMENT:

BACKGROUND:

SB 1565 (Ch. 34, Oregon Laws 2012) allows for the dispensing of prescription drugs by a physician assistant under the supervision of a physician or supervising physician organization. The measure required the supervising physician or organization to register and be licensed by the Board of Pharmacy as a dispensing drug outlet.

During the interim following the 2012 legislative session, the Board of Pharmacy adopted rules and set a fee of \$300 after seeking approval from the Department of Administrative Services. The Board of Pharmacy reports that they had constituency representation during the rulemaking process related to the fee and constituency support of the fee amount.
