REVENUE IMPACT OF PROPOSED LEGISLATION

Seventy-Seventh Oregon Legislative Assembly 2013 Regular Session Legislative Revenue Office Bill Number: HB 2656

Revenue Area: Transient Lodging Tax

Economist: Mazen Malik Date: 05/24/2013

Only Impacts on Original or Engrossed Versions are Considered Official

Measure Description:

Requires transient lodging provider and transient lodging intermediary to collect and remit transient lodging taxes computed on total retail price, including all charges other than taxes, paid by person for occupancy of transient lodging.

Revenue Impact (in \$Millions):

	13-15	15-17	17-19	
State	\$ 0.65	\$ 0.83	\$ 0.89	
Local	\$ 5.51	\$ 7.03	\$ 7.86	
Total	\$ 6.16	\$ 7.53	\$ 8.42	

Impact Explanation:

The passage of this measure will obligate DOR to interpret and enforce the current statutes relating to the Transient Lodging Tax as applicable to the retail price of lodging. This price is different than the defacto wholesale price used today by the industry. The wholesale (base) price used today does not include services and fees. The retail price (as the bill enforces current law) will be inclusive of all (non-optional) fees and services included in the rental price. Eighty four cities and fifteen counties in Oregon levied a locally administered transient lodging tax. Online Travel Companies (OTC) will have to collect the tax based on the final price that the consumer pays.
