9095 NW Kerkman Rd
Cornelius, OR 97113

Dear Committee Members,

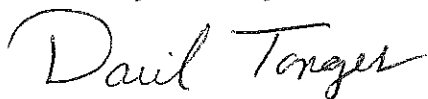

My name is David Tonges. I am part owner in our family farm.

We raise grass seed, grain and clover seed on the approximately 600 acres that we own.

Over the years we have purchased several properties with houses on the acreage which we rented out. Due to the poor condition of these houses they now sit vacant.

We would like the option to remove the houses and have the ability to rebuild them at a later date.

Thank you for your consideration,
