Re: HB 2746

Dear Chairman & Committee Persons

Thank you for allowing me to testify today. My name is Dave Vanasche and I reside at 36130 NW Wren Rd Cornelius, Oregon 97113. I'm here today to voice support for HB 2746.

My family farms 2345 acres in Washington and Yamhill counties consisting of clover seed, wheat, grass seed, and hazelnuts. We are a Century Farm (Est 1896) ; We own 760 acres and lease the balance of 1585 acres.

In 1996 we purchased 87 acres of farmland at 4985 NW Leisy Rd Hillsboro, Oregon 97124 which we had leased for 18 years prior. The farm had a huge run-down farm house constructed in 1874, which had been a rental and a full set of 100+ year old barns, sheds etc. The house had been leased to a tenant. Not wanting to be slum lords but having paid \$30,000 (appraised value) for the building site, we applied for and received a replacement dwelling permit, which was good for two years. We had no reason to construct a new dwelling, but only wanted to protect our right for some future need. I began working with Oregon Farm Bureau and 1000 Friends of Oregon to draft and pass into law in 2007 - SB 861 (Deferred Replacement Dwelling). This bill allowed a property owner to request a deferred replacement dwelling permit be put into the property deed; to be used at some future date. After 12 years our farm house did not qualify as a replacement dwelling, because it no longer had sound walls, roof and plumbing. Vandals and thieves had taken their toll on this house.

Seventeen years after we purchased this farm, the house is still standing and is an attractive nuisance and a liability. HB 2746 would allow us to be eligible for a deferred replacement permit, which would go into our deed and we would immediately remove the old dwelling.

Oregon Farm Bureau and 1000 Friends of Oregon both support this bill. Thank you for listening to my story and others and I ask that you support HB 2746.

Sincerely,

Dave Vanasche, Manager
