Impact Explanation:

There is presently a 75 cent per month tax on every subscriber who has telecommunication services with access to the 9-1-1 emergency reporting system. This tax is collected by the service provider from the subscriber. The program collects about \$39 million a year, but is set to expire on January 1, 2014. The last four fiscal years of collections are shown in the table. This measure assumes the sunset is extended and the enforcement is done by DOR.

	Revenue	Change
2008-09	40.26	2.1%
2009-10	39.64	-1.5%
2010-11	39.54	-0.3%
2011-12	39.27	-0.7%

The enforcement will add to the revenue collected while DOR will be allowed 0.25% for the enforcement effort.
