EFFECT OF COMMITTEE AMENDMENTS:

BACKGROUND: The Senior and Disabled Deferral Program has undergone changes in the past two legislative sessions. The 2011 Legislature passed HB 2543, which made requirements to participate in the program more stringent. As a result, around half of the program's participants were disqualified. In 2012, the Legislature passed HB 4039, which granted a two-year reprieve to participants who had been in the program and who had been disqualified solely due to a reverse mortgage.
