Changes in the allocations, if any, shall 4 be uniform and, as practicable as possible considering the relevant 5factors, proportionately equal in each such category. The monthly 6 amounts estimated and allocated as described in this section shall be 7 deemed to be the funds available for each category of medical assist-8 9 ance.

9 **SECTION 4.** ORS 18.784 is amended to read:

18.784. (1) Except as provided in subsection (6) of this section, if a writ 10 of garnishment is delivered to a financial institution that has an account of 11 12the debtor, the financial institution shall conduct a garnishment account review of all accounts in the name of the debtor before taking any other 13 action that may affect funds in those accounts. If the financial institution 14 determines from the garnishment account review that one or more payments 15 described in subsection (3) of this section were deposited in an account of 16 the debtor by direct deposit or electronic payment during the lookback pe-17riod described in subsection (2) of this section, an amount equal to the lesser 18 of the sum of those payments or the total balance in the debtor's account is 19 not subject to garnishment. 20

(2) The provisions of this section apply only to payments described in subsection (3) of this section that are deposited during the lookback period that ends on the day before the day on which the garnishment account review is conducted and begins on:

(a) The day in the second calendar month preceding the month in which
the garnishment account review is conducted, that has the same number as
the day on which the period ends; or

(b) If there is no day as described in paragraph (a) of this subsection, the last day of the second calendar month preceding the month in which the garnishment account review is conducted.

institution by the payor.

(5) A financial institution shall perform a garnishment account review only one time for a specific garnishment. If the same garnishment is served on a financial institution more than once, the financial institution may not perform a garnishment account review or take any other action relating to the garnishment based on the second and subsequent service of the garnishment.

(6) A financial institution may not conduct a garnishment account review under this section if a Notice of Right to Garnish Federal Benefits from the United States Government or from a state child support enforcement agency is attached to or included in the garnishment as provided in 31 C.F.R. part 212. claim any exemption that otherwise may be available to the debtor under law
for any amounts in an account in a financial institution.

[5]

1 **SECTION 5.** ORS 18.838 is amended to read: 18.838. Instructions to garnishees must be in substantially the following $\mathbf{2}$ form: 3 4 INSTRUCTIONS TO GARNISHEE 56 7 Except as specifically provided in these instructions, you must complete and deliver the Garnishee Response within seven calendar days after you 8 receive the writ of garnishment. If the writ does not comply with Oregon 9 law, the writ is not effective to garnish any property of the Debtor, but you 10 still must complete and deliver the Garnishee Response. You must complete 11 12and deliver the response even though you cannot determine from the writ whether you hold any property or owe any debt to the Debtor. If the seventh 13 calendar day is a Saturday, Sunday or legal holiday, you must deliver your 14 response on or before the next following day that is not a Saturday, Sunday 15or legal holiday. 16 17The writ is not effective, and you need not make a Garnishee Response, 18 if: 19 20You do not receive the writ within 60 days after the date of issuance 21shown on the face of the writ. 2223You do not receive an original writ of garnishment or a copy of the 24writ. 2526Statutes that may affect your rights and duties under the writ can be 27found in ORS 18.600 to 18.850. 2829NOTE: The Garnishor may be the Creditor, the attorney for the Creditor 30 or some other person who is authorized by law to issue the writ of 31

[6]

1	garnishment. See the writ to determine who the Garnishor is.
2	
3	STEP 1. FILL OUT THE GARNISHEE RESPONSE.
4	
5	All garnishees who are required to deliver a garnishee response must fill
6	in Part I of the Garnishee Response. Garnishees who employ the Debtor must
7	also fill in Part II of the response. You should keep a copy of the response
8	for your records.
9	
10	Completing Part I of the Garnishee Response. If you discover before you
11	deliver your response that a bankruptcy petition has been filed by or on be-
12	half of the Debtor, and the bankruptcy petition was filed after a judgment
13	was entered against the Debtor or after the debt otherwise became subject
14	to garnishment (see the date specified in the writ), you must put a check by

15

16 you should not make any payments to the Garnishor unless the court orders otherwise. You need not complete any other part of the response, but you 17 still must sign the response and deliver it in the manner described in Step 18 2 of these instructions. 19 In all other cases you must list in Part I all money and personal property 20

the appropriate statement in Part I. If a bankruptcy petition has been filed,

21of the Debtor that is in your possession, control or custody at the time of delivery of the writ. You must also list all debts that you owe to the Debtor, 22whether or not those debts are currently due (e.g., money loaned to you by 23the Debtor that is to be repaid at a later time). 24

If you are the employer of the Debtor at the time the writ is delivered to 25you, you must put a check by the appropriate statement in Part I. In addi-26tion, you must complete Part II of the response. 27

If you believe that you may hold property of the Debtor or that you owe 28a debt to the Debtor, but you are not sure, you must put a check by the 29appropriate statement and provide an explanation. When you find out what 30 property you hold that belongs to the Debtor, or you find out whether you 31

owe money to the Debtor and how much, you must prepare and deliver an
 amended response. You must do this even if you find out that you have no
 property of the Debtor or that you do not owe anything to the Debtor.

If you determine that the writ, on its face, does not comply with Oregon laws governing writs of garnishment, or if you are unable to determine the identity of the Debtor from the information in the writ, then the writ is not effective to garnish any property of the Debtor. You must put a check by the appropriate statement in Part I and provide an explanation. You still must complete the response and deliver the response in the manner described in Step 2 of these instructions.

If you have received an order to withhold income that applies to the in-11 12come of the Debtor and that order has priority over the garnishment, and if compliance with the order will reduce or eliminate the money or property 13 that you would otherwise deliver under the garnishment, you must put a 14 check by the appropriate statement in Part I. You still must fill out the re-15 mainder of the response and deliver the response in the manner described in 16 Step 2 of these instructions. If you employ the Debtor, you still must com-17plete Part II of the response. 18

If you receive notice of a challenge to the garnishment before you send your response, you must complete and deliver your response as otherwise required by these instructions. However, see Step 3 of these instructions regarding payment of money or delivery of property after receipt of notice of a challenge to the garnishment.

If you owe a debt to the Debtor and the Debtor owes a debt to the holder of an underlying lien on your property, you may be able to offset the amount payable to the underlying lienholder. See ORS 18.620. You must note that you have made the offset in Part I of the response (under "Other") and specify the amount that was offset.

29

30 <u>Completing Part II of the Garnishee Response (employers only).</u> You must 31 fill in Part II of the response if you employ the Debtor on the date the writ

[8]

of garnishment is delivered to you, or if you previously employed the Debtor
and still owe wages to the Debtor on the date the writ is delivered to you.

- Wages affected. Except as provided below, the writ garnishes all wages 4 that you owe to the Debtor for work performed before the date you received 5the writ, even though the wages will not be paid until a later date. The writ 6 also garnishes all wages that are attributable to services performed during 7 the 90-day period following the date you received the writ, even though you 8 would not pay the Debtor for all or part of those services until after the end 9 of the 90-day period. Wages subject to garnishment under the writ include 10 all amounts paid by you as an employer, whether on an hourly, weekly or 11 12monthly basis, and include commission payments and bonuses.
- 13

<u>Example 1:</u> Debtor A is employed by you and is paid a monthly salary
 on the first day of each month. You receive a writ of garnishment on
 July 17. The writ garnishes all wages that you owe to Debtor A for
 work performed on or before July 17. If Debtor A was paid on July 1
 for services performed in the month of June, the writ garnishes Debtor
 A's salary for the period beginning July 1 and ending October 15 (90
 days after receipt of the writ).

21

The writ does not garnish any wages you owe to a Debtor for a specific pay period if:

(a) The writ is delivered to you within two business days before theDebtor's normal payday for the pay period;

(b) When the writ is delivered to you, the Debtor's wages are paid by direct deposit to a financial institution, or you use an independent contractor as payroll administrator for your payroll; and

(c) Before the writ was delivered to you, you issued instructions to the
financial institution or the payroll administrator to pay the Debtor for the
pay period.

[9]

If any wages are not garnishable by reason of the issuance of instructions to a financial institution or a payroll administrator as described above, you must so note in the Garnishee Response. Thereafter, you must pay to the Garnishor all wages that are subject to garnishment that are attributable to services performed by the Debtor during the 90-day period following the date you received the writ.

 $\mathbf{7}$

8 <u>Calculation of wages subject to garnishment.</u> A Wage Exemption Calcu-9 lation form is attached to the writ of garnishment. You must use this form 10 to calculate the amount of the Debtor's wages that is subject to garnishment. 11 You should read the instructions printed on the Wage Exemption Calculation 12 form to determine the normal wage exemption and the minimum wage ex-13 emption for each payment you make under the writ.

A Wage Exemption Calculation form must be sent with the first payment you make under the writ. For the 90-day period during which the writ is effective, you must also fill out and return a Wage Exemption Calculation form with a subsequent payment any time the initial calculation changes. Finally, you must fill out and return a Wage Exemption Calculation form with the final payment that you make under the writ.

20

Payment of amount subject to garnishment. Payments under the writ must be made at the following times, unless the amount owing on the judgment or other debt is fully paid before the final payment is made or the writ is released:

(a) You must make a payment to the Garnishor of all wages subject to garnishment at the time you next pay wages to the Debtor. Complete the wage exemption computation, using the Wage Exemption Calculation form, to determine the portion of the Debtor's wages that is subject to garnishment. Be sure to adjust the minimum exemption amount for any payment that covers less than a full pay period. You must include a copy of the Wage Exemption Calculation form with this first payment.

[10]

1 Example 2: Using the facts given in Example 1, when you next make any payment of wages to Debtor A after you receive the writ on July $\mathbf{2}$ 17, you must complete the Wage Exemption Calculation form and send 3 the form to the Garnishor along with all amounts determined to be 4 subject to garnishment that are attributable to the period covered by $\mathbf{5}$ the payment. If you pay Debtor A on August 1, the payment will be 6 for all wages attributable to the period beginning July 1 and ending 7 July 31. 8

9

(b) Unless the writ of garnishment is satisfied or released, during the 10 90-day period following the date you received the writ, you must pay to the 11 12Garnishor all wages that are determined to be subject to garnishment whenever you issue a paycheck to the Debtor. If the Debtor is paid on a 13 weekly basis, you must make payment under the writ on a weekly basis. If 14 the Debtor is paid on a monthly basis, you must make payment under the 15 writ on a monthly basis. If the amount paid to the Debtor varies from pay-16 check to paycheck, or changes at any time from the amount being paid at 17the time the writ was delivered to you, you must perform a new wage ex-18 emption computation to determine the amount of wages subject to 19 garnishment under the writ. You must send a copy of the new Wage Ex-20emption Calculation form with your payment to the Garnishor. 21

22

23 <u>Example 3:</u> Using the facts given above, as you make each subsequent 24 payment of wages to Debtor A you must make a payment of that por-25 tion of the Debtor's wages that are subject to garnishment. If you 26 continue to pay Debtor A on the first of each month, payments must 27 be made on September 1 and October 1.

28

(c) Upon the expiration of the 90-day period, you must make a final payment to the Garnishor for all wages that were owing to the Debtor for the work performed by the Debtor through the 90th day following your receipt

[11]

of the writ. This payment may be made at the time of the Debtor's next
paycheck. You will need to complete another Wage Exemption Calculation
form to determine the amount of the wages subject to garnishment.

4

Example 4: Using the facts given above, you must make a final pay-5ment for the wages owing to Debtor A for the period beginning Octo-6 ber 1 and ending October 15. You may make this payment at the time 7 you issue Debtor A's paycheck on November 1, but you must make the 8 payment at any time you issue a paycheck to Debtor A after October 9 15. Be sure that in completing the wage exemption computation for the 10 final payment you adjust the minimum exemption amount to take into 11 12 account the fact that the period covered is only 15 days of the full month (see instructions on Wage Exemption Calculation form). 13

14

<u>Processing fee.</u> You may collect a \$2 processing fee for each week of wages, or fraction of a week of wages, for which a payment is made under the writ. The fee must be collected after you make the last payment under the writ. The fee must be withheld from the wages of the debtor, and is in addition to the amounts withheld for payment to the garnishor under the writ or under any other writ you have received.

21

If you receive more than one writ of garnishment. If you receive a second 22writ of garnishment for the same Debtor from another Garnishor, the first 23writ will have priority for wages. The priority of the first writ lasts for the 2490-day period following delivery of that writ to you, or until the first writ 25is paid in full, whichever comes first. In your response to the second writ, 26you must put a check by the appropriate statement in Part II and indicate 27the date on which the first writ will expire (90 days after the date you re-28ceived the writ). You should make no payments under the second writ until 29expiration of the first writ. The expiration date of the second writ is 90 days 30 after the date you received the second writ; the expiration date is not af-31

1 fected by any delay in payment attributable to the priority of the first writ. $\mathbf{2}$ STEP 2. DELIVER THE GARNISHEE RESPONSE. 3 4 You must deliver your Garnishee Response and copies of the response in 5the manner provided in this step. The response and copies may be mailed or 6 delivered personally. 7 8 You must complete and deliver the Garnishee Response within seven 9 calendar days after you receive the writ of garnishment. If the seventh cal-10 endar day is a Saturday, Sunday or legal holiday, you must deliver your re-11 sponse on or before the next following day that is not a Saturday, Sunday 12or legal holiday. 13 14 If you are required to hold any property under the writ or make any 15 payment under the writ, either at the time of making your response or later, 16 you must: 17(a) Send the original of your Garnishee Response to the Garnishor at the 18 address indicated on the writ under Important Addresses. 19 (b) Send a copy of your Garnishee Response to the court administrator 20at the address indicated on the writ under Important Addresses. 21(c) Send a copy of your Garnishee Response to the Debtor if an address 22is indicated on the writ under Important Addresses. 2324If you are not required to hold any property under the writ or make any 25payment under the writ, either at the time of making your response or later, 26you must: 27(a) Send the original of your Garnishee Response to the Garnishor at the 28address indicated on the writ under Important Addresses. 29(b) Send a copy of your Garnishee Response to the Debtor if an address 30 is indicated on the writ under Important Addresses. 31[13]

1 STEP 3. DELIVER THE FUNDS OR OTHER PROPERTY.

 $\mathbf{2}$

As long as the writ is in effect, you may be liable to the Creditor if you pay any debt or turn over any property to the Debtor except as specifically allowed by law. If you have any money or property of the Debtor in your possession, control or custody at the time of delivery of the writ, or owe any debt to the Debtor, you must pay the money or hold the property as required by this step. Exceptions to this requirement are listed below.

9

10 IF YOU ARE HOLDING MONEY FOR THE DEBTOR OR OWE A DEBT 11 THAT IS CURRENTLY DUE, you must pay the money to the Garnishor with 12 your response. You must send your payment to the Garnishor at the address 13 indicated on the writ under Important Addresses. Make your check payable 14 to the Garnishor.

15

16 IF YOU OWE A DEBT TO THE DEBTOR THAT WILL BECOME DUE 17 WITHIN 45 DAYS AFTER THE DATE YOU RECEIVED THE WRIT, you 18 must send your payment directly to the Garnishor at the address provided 19 in the writ when the debt becomes due. Make your check payable to the 20 Garnishor.

21

YOU ARE HOLDING PROPERTY THAT BELONGS TO THE \mathbf{IF} 22DEBTOR, OR OWE A DEBT TO THE DEBTOR THAT WILL NOT BECOME 23DUE WITHIN 45 DAYS AFTER THE DATE YOU RECEIVED THE WRIT, 24you must keep the property or debt in your possession, control or custody 25until you receive written notice from the Sheriff. The Sheriff's notice will 26tell you what to do with the property or debt. If you have followed all of the 27instructions in the writ and you receive no notice from the Sheriff within 2830 days after the date on which you delivered your Garnishee Response, you 29may treat the writ as being of no further force or effect. 30

31

EXCEPTIONS:

 $\mathbf{2}$

1

1. Challenge to garnishment or specific directions from court. If you are 3 making any payments under the garnishment and before making a payment 4 you receive notice of a challenge to the garnishment from the court, or re-5ceive a specific direction from the court to make payments to the court, you 6 must send or deliver the payment directly to the court administrator. If the 7 money is currently due when you receive the notice, send the payment 8 promptly to the court. If the payment is for a debt that is payable within 45 9 days after you receive the writ, make the payment to the court promptly 10 when it becomes due. If you make payment by check, make the check payable 11 12to the State of Oregon. Because you may be liable for any payment that does not reach the court, it is better not to send cash by mail. 13

A challenge to the garnishment does not affect your duty to follow the instructions you receive from the Sheriff for property that belongs to the Debtor and debts that you owe to the Debtor that do not become due within 45 days.

18

2. Previous writ of garnishment. If you receive a second writ of 19 garnishment for the same Debtor from another Garnishor, the first writ will 20have priority and you need not make payments or deliver property under the 21second writ to the extent that compliance with the first writ will reduce or 22eliminate the payment of money or delivery of property that you would oth-23erwise make under the garnishment. You must still deliver a Garnishee Re-24sponse to the second writ, and must commence payment under the second 25writ as soon as the first writ is satisfied or expires. 26

27

<u>3. Offset for payment of underlying lien.</u> If you owe a debt to the Debtor and the Debtor owes a debt to the holder of an underlying lien on your property, you may be able to offset the amount payable to the underlying lienholder. See ORS 18.620.

[15]

<u>4. Subsequent events:</u>

 $\mathbf{2}$

1

(a) Bankruptcy. If you make your response and then discover that a vol-3 untary or involuntary bankruptcy petition has been filed by or on behalf of 4 the Debtor after the judgment was entered against the Debtor or after the 5debt otherwise became subject to garnishment (see date in writ), you may 6 not make any further payments or delivery of property under the writ unless 7 the court orders otherwise. If you have not delivered all property that is 8 subject to garnishment under this writ when you discover that a bankruptcy 9 petition has been filed, you must mail the following notice to the Garnishor 10 and to the Debtor. 11

12

(b) Order to withhold income. RE: Writ of garnishment received _____, 2___ (date), in the case of (Plaintiff) vs. ______ (Defendant), Circuit Court of______ Recountly, Oregon, Case No. _____.

5

I have discovered that a voluntary or involuntary bankruptcy petition has been filed by or on behalf of the Debtor after the judgment was entered against the Debtor or after the debt otherwise became subject to garnishment.

6 7

_ I have received an order to withhold income of the Debtor by reason 8 of a support obligation. Under ORS 25.375, the order to withhold in-9 come has priority over any other legal process under Oregon law 10 against the same income. The withholding of income pursuant to the 11 order to withhold income might reduce or eliminate subsequent pay-12ments under the garnishment. (Provide details, including the name of 13 the agency serving the order to withhold, the date the order was 14 served on you and the amounts to be withheld.) 15

29 30

31 Unless a Notice of Right to Garnish Federal Benefits from the United

States Government or from a state child support enforcement agency is attached to or included in the garnishment, you must conduct a garnishment account review for each account that you hold for the debtor. If a Notice of Right to Garnish Federal Benefits from the United States Government or from a state child support enforcement agency is attached to or included in the garnishment, you should not conduct a garnishment account review, and should proceed upon the garnishment in the normal manner.

If you hold an account for the debtor, and any of the payments listed 8 below has been deposited in the account by direct deposit or electronic pay-9 ment during the lookback period described in ORS 18.784 (2) (the period that 10 begins on the date preceding the date of your garnishment account review 11 12and that ends on the corresponding date of the month two months earlier, or on the last day of the month two months earlier if the corresponding date 13 does not exist), an amount equal to the lesser of the sum of those payments 14 or the total balance in the debtor's account is not subject to garnishment, 15and you may not deliver that amount to the garnishor: 16

(a) Federal benefit payments as defined in ORS 18.600 (payments from the
United States Social Security Administration, the United States Department
of Veterans Affairs, the United States Office of Personnel Management or
the Railroad Retirement Board);

(b) Payments from a public or private retirement plan as defined in ORS
18.358;

(c) Public assistance or medical assistance, as defined in ORS 414.025,
payments from the State of Oregon or an agency of the State of Oregon;

(d) Unemployment compensation payments from the State of Oregon oran agency of the State of Oregon;

(e) Black lung benefits payments from the United States Department ofLabor; and

(f) Workers' compensation payments from a workers' compensation car-rier.

31

[18]

1 If the Garnishor fails to pay the search fee required by ORS 18.790 and 2 you do not employ the Debtor, you are not required to deliver a Garnishee 3 Response and you may deal with any property of the Debtor as though the 4 garnishment had not been issued.

5

6 If the Debtor owes a debt to you that was due at the time you received 7 the writ of garnishment, you may be able to offset the amount of that debt. 8 See ORS 18.795. You must note that you have made the offset in Part I of 9 the Garnishee Response (under "Other") and specify the amount that was 10 offset.

11

Before making a payment under the writ, you may first deduct any processing fee that you are allowed under ORS 18.790. If you are required to conduct a garnishment account review, you may not charge or collect a processing fee against any amount that is not subject to garnishment, and may not charge or collect a garnishment processing fee against any amounts in the account after the date that you conduct the review.

18

You need not deliver any property contained in a safe deposit box unless the Garnishor pays you in advance for the costs that will be incurred in gaining entry to the box. See ORS 18.792.

22

If you are required to conduct a garnishment account review and you 23determine from the review that one or more of the payments listed in ORS 2418.784 (3) have been deposited into the debtor's account by direct deposit or 25electronic payment during the lookback period described in ORS 18.784 (2), 26and that there is a positive balance in the account, you must issue a notice 27to the account holder in substantially the form set forth in ORS 18.847. The 28notice must be issued directly to the account holder or to a fiduciary who 29 administers the account and receives communications on behalf of the ac-30 count holder. The notice must be sent separately to the account holder and 31

1	may not be included with other materials being provided to the account				
2	holder that do not relate to the garnishment. You must send the notice to				
3	the account holder within three business days after you complete the				
4	garnishment account review. You may issue one notice with information re-				
5	lated to multiple accounts of a single account holder.				
6					
7	SECTION 6. ORS 18.847 is amended to read:				
8	18.847. The notice given by a financial institution to a debtor under ORS				
9	18.785 (1) must be in substantially the following form:				
10					
11

13					
14	(Name, address of financial institution)				
15					
16	IMPORTANT INFORMATION ABOUT				
17	YOUR ACCOUNT

22					
23	Why am I receiving this notice?				
24					
25	On [date on which garnishment order was served], [name				
26	of financial institution] received a garnishment order from a court to garnish				
27	funds in your account. The amount of the garnishment order was for				
28	\$ [amount of garnishment order]. We are sending you this notice to let				
29	you know what we have done in response to the garnishment order.				
30					
31	What is garnishment?				

Garnishment is a legal process that allows a creditor to remove funds from your bank/credit union account to satisfy a debt that you have not paid. In other words, if you owe money to a person or company, they can obtain a court order directing your bank/credit union to take money out of your saccount to pay off your debt. If this happens, you cannot use that money in your account.

8 What has happened to my account?

9

On _____ [date of account review], we researched your account and 10 identified that one or more payments identified by ORS 18.784 (1) have been 11 12deposited in the last two months (see below for a list of qualifying payments). In most cases, these payments are protected from garnishment. As 13 required by state and federal regulations, therefore, we have established a 14 "protected amount" of funds that will remain available to you and that will 1516 not be frozen or removed from your account in response to the garnishment order. 17

18

19 (Conditional paragraph if funds have been frozen)

20

(check if applicable) Your account contained additional money that may not be protected from garnishment. As required by law, we have placed a hold on or removed these funds in the amount of \$_____ [amount frozen] and may have to turn these funds over to your creditor as directed by the garnishment order.

on December 31, 2004.

4 (4)(a) Premiums charged for coverages issued by the board may not be 5 unreasonable in relation to the benefits provided, the risk experience and the 6 reasonable expenses of providing the coverage.

7 (b) Separate schedules of premium rates based on age and geographical8 location may apply for individual risks.

(c) The board shall determine the applicable medical and portability risk 9 rates either by calculating the average rate charged by insurers offering 10 coverages in the state comparable to the pool coverage or by using reason-11 12able actuarial techniques. The risk rates shall reflect anticipated experience and expenses for such coverage. Rates for pool coverage may not be more 13 than 125 percent of rates established as applicable for medically eligible in-14 dividuals or for persons eligible for pool coverage under ORS 735.615 (1)(d), 15 or 100 percent of rates established as applicable for portability eligible indi-16 viduals. 17

(b) In determining whether a preexisting conditions provision applies to 3 an eligible enrollee, except as provided in this subsection, the board shall 4 credit the time the eligible enrollee was covered under a previous health 5benefit plan if the previous health benefit plan was continuous to a date not 6 more than 63 days prior to the effective date of the new coverage under the 7 Oregon Medical Insurance Pool, exclusive of any applicable waiting period. 8 The Oregon Medical Insurance Pool Board need not credit the time for pre-9 vious coverage to which the insured or dependent is otherwise entitled under 10 this subsection with respect to benefits and services covered in the pool 11 12coverage that were not covered in the previous coverage.

(c) The board may adopt rules applying a preexisting conditions provision
to a person who is eligible for coverage under ORS 735.615 (1)(d).

(d) For purposes of this subsection, a "preexisting conditions provision" 15 means a provision that excludes coverage for services, charges or expenses 16 incurred during a specified period not to exceed six months following the 17insured's effective date of coverage, for a condition for which medical advice, 18 diagnosis, care or treatment was recommended or received during the six-19 month period immediately preceding the insured's effective date of coverage. 2021(6)(a) Benefits otherwise payable under pool coverage shall be reduced by all amounts paid or payable through any other health insurance, or self-22insurance arrangement, and by all hospital and medical expense benefits paid 23or payable under any workers' compensation coverage, automobile medical 24payment or liability insurance whether provided on the basis of fault or 25nonfault, and by any hospital or medical benefits paid or payable under or 26provided pursuant to any state or federal law or program except the 27Medicaid portion of the medical assistance program [offering a level of health 28services described in ORS 414.707]. 29

3 (7) Except as provided in ORS 735.616, no mandated benefit statutes apply
4 to pool coverage under ORS 735.600 to 735.650.

5 (8) Pool coverage may be furnished through a health care service con-6 tractor or such alternative delivery system as will contain costs while 7 maintaining quality of care.
