Operating in Oregon

- Investing in our facilities and communities
- Company of innovations
- Network of customers and partners
- Using local vendors and resources

Next Horizons

- It's not “waste management” but “materials management”
 - Oregon's Vision for 2050 of Materials Management
- Public Policy makes a difference
- Public – Private Partnerships
- It's the strong leadership and Oregon citizens' want to participate that's pushing us toward a sustainable future
