House Higher Education Committee  
900 Court St. NE,  
Salem, Oregon 97301

Dear Chair Dembrow:

We appreciate this opportunity to express our support for HB 2033 which would remove archaic provisions from Oregon Revised Statutes. We have undertaken a thorough review and have found no recent documented history of Oregon State University employing the services of the Department of State Lands in the administration of loans from the accounts affected by ORS 352.570 and .580. Nor do we see any potential in the future of using such loans.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron Howell". The signature is fluid and cursive, with the first name "Aaron" being more prominent than the last name "Howell".
