**WHAT THE BILL DOES:** Proposes an amendment to the Oregon Constitution to increase the maximum allowable property tax rate to fund the public school system, from \$5.00 to \$7.50 per each \$1,000 of a property's real market value. Proposes a constitutional amendment to allow school districts to seek an approval by voters in increasing the permanent rate. Refers the proposed amendments to the people for their approval or rejection at the next regular general election.
