WHAT THE BILL DOES: Proposes revision of Oregon Constitution to allow a local taxing district to approve a local option ad valorem property tax levy by submitting the question to voters in a November election in an even-numbered year. Limits the levy time period to 10 years. Requires that renewal of the levy be submitted to voters within two years of the expiration of the levy that the local taxing district seeks to renew. Provides that the Measure 5 limits of \$10/\$1,000 of real market value and \$5/\$1000 of real market value do not apply to the new levies. Freezes assessed value of homestead of certain seniors and disabled individuals at assessed value on date claim filed.
