Client Lobbyist History

This list is a history of registrations that were active for any portion of the reporting period and is provided for informational purposes only. Check the status column and the date columns to the left of it for the current status of a registration. Please file a termination for any clients you no longer represent. You do not need to file a termination if a registration is expired. You must file a new registration form to add or renew an entity.

R = Renewed E = Expired T = Terminated Blank = New Registration
