Senate Bill 558A improves Oregon's foreclosure mediation law and ensures that homeowners have access to a resolution conference with the lender prior to either judicial or non-judicial foreclosure proceedings.

The Housing Alliance is a coalition of organizations serving all parts of Oregon. We are concerned about the availability of safe, decent and affordable housing for all Oregon residents, including homeownership. Homeownership still provides the best pathway to household financial resilience and to building a better future for families and communities.

The Housing Alliance supports SB 558 A because foreclosure continues to threaten the foundations of our state and our communities. The most recent numbers indicate that 1 out of 13 homeowners are a month or more behind on their mortgages, 132,000 are underwater and far too many Oregonians continue to struggle in communications with their lender.

SB 558 A draws on best practices to address this problem. State foreclosure mediation laws have a proven track record of increasing the number of mutually beneficial workouts for homeowners and lenders. This bill requires the largest lenders to participate in a resolution conference with homeowners prior to starting a judicial or non-judicial foreclosure to discuss mutually beneficial alternatives to foreclosure.

A robust foreclosure resolution process is one of the best ways to speed up foreclosure timelines, avoid any potential backlog in the courts and create positive outcomes for both homeowners and for the investors who own the loans. SB 558 A was developed with input from counselors, facilitators, agencies, and others to simplify and streamline the administrative requirements for banks and homeowners, to ensure the program will work.

SB 558 A builds upon the hard work that has been done to create a strong network of foreclosure counselors and mediators in all Oregon communities. These counselors and mediators are poised to help homeowners understand their options and participate in finding mutually beneficial solutions.

Housing is the foundation of our communities. SB 558 A helps our neighbors and families make the best possible decisions to ensure housing stability and helps ensure the best possible outcomes for all of Oregon.

We urge your AYE vote on SB 558A. Thank you for your service on behalf of Oregon communities.

Janet Byrd, on behalf of the Housing Alliance
