VOTE YES ON SB 725 B-Engrossed

SEIU urges you to vote yes on SB 725 B-engrossed. Transparency and communication are fundamental elements to providing a solid foundation to transforming health care in Oregon.

SB 725 B adds needed language around Coordinated Care Organization transparency with the Community Advisory Council meetings, requiring meetings be open to the public. This is paramount to a successful CCO transition as CCOs will serve the public, will be an integral part of the community and will receive payment from public coffers. The process needs to be as transparent—while maintaining efficiency--as possible.

SEIU commends the House Committee on Health Care for its work to include this critical amendment in SB 725 B.
