Measure Description: Changes the distance adjustment for remote small elementary schools for purposes of distributing the State School Fund. Takes effect on July 1, 2013.

Revenue Impact (in \$Millions): The bill does not change the total formula revenue available for distribution to school districts and education service districts. However, it redistributes revenue to the school districts that have certain remote small elementary schools, away from the rest of school districts that do not. The bill has a subsequent referral to the House Revenue Committee. Detailed analysis will be done when it reaches that committee.
