Measure Description:

Allows school districts from all education service districts to withdraw from education service district.

Government Unit(s) Affected:

School Districts, Department of Education, Education Service Districts (ESD)

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis: This bill allows any school to withdraw from and Educational Service District (ESD) and provides for a methodology for a school district to rejoin the ESD. The bill also eliminates the sunset for special board elections for three ESD's (High Desert, Northwest Regional and Willamette Education Service Districts). If the bill does not pass, this will result in an additional expense for the ESD's estimated to be \$150,000 to hold elections.
