Measure Description:

Extends period of applicability of emergency communications tax.

Revenue Impact (in \$Millions):

By extending the sunset date the bill continues the 75 cents tax for 911 services. The amounts will be further examined when the measures moves to the Revenue Committee. This statement is issued to facilitate that movement.

Impact Explanation:

There is presently a 75 cent per month tax on every subscriber who has telecommunication services with access to the 9-1-1 emergency reporting system. This tax is collected by the service provider from the subscriber. The program collects about \$39 million a year, but is set to expire on January 1, 2014. This measure extends the tax till 2022.
