- Explanation of loan process from applicant perspective

EFFECT OF COMMITTEE AMENDMENT: No amendment.

BACKGROUND: Current law limits the maximum dollar amount the Oregon Department of Veterans' Affairs (ODVA) may loan to eligible persons, to purchase a home or farm, to 100 percent of the subject property's net appraised value (not to exceed the person's benefit). In order for ODVA home or farm loans to be covered by the Home Loan Guarantee Program offered by the U.S. Department of Veterans Affairs, the loan amounts must be tied to the loan-to-value ratio permitted by the program (currently 103.3 percent of the net appraised value). Senate Bill 35 aligns the maximum home or farm loan amount ODVA may offer, with the loan-to-value ratio required by the U.S. Department of Veterans Affairs Home Loan Guarantee Program, in order to take advantage of the guarantee, which enables the agency to offer additional loans.
