**Analysis:** This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Education to the Joint Committee on Ways and Means. The bill establishes the Network of Quality Teaching and Learning and directs the Oregon Department of Education (ODE) to provide coordination and oversight of the Network. ODE has estimated a substantial fiscal impact (over \$50 million General Fund) due to the provisions of this bill and there will likely be fiscal impacts to other agencies. The final impact of the bill will be determined through the Ways and Means budget process. A more complete fiscal analysis on the bill will be prepared as the measure is considered in the Joint Committee on Ways and Means.
