

**FISCAL IMPACT OF PROPOSED LEGISLATION**

**Measure: HB 2005 - A**

Seventy-Seventh Oregon Legislative Assembly – 2013 Regular Session  
Legislative Fiscal Office

***Only Impacts on Original or Engrossed  
Versions are Considered Official***

**Measure Description:**

Increase the number of members on the Construction Industry Energy Board by four, from seven to eleven members. Two additional members are to be selected from the members of the State Plumbing Board and the other two additional members are to be selected from the members of the State Mechanical Board. The measure also sets aside provisions of ORS chapter 447 regulating fixture installations or regulating plumbing products, allowing the director of the Department of Consumer and Business Services to adopt or reject a proposed standard recommended by the Construction Industry Energy Board that would otherwise require approval from the State Plumbing Board under those statutes.

**Government Unit(s) Affected:**

Department of Consumer and Business Services (DCBS)

**Analysis:**

The proposed legislation has been determined to have  
**MINIMAL EXPENDITURE IMPACT**  
on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
