**Measure Description:**

If mammogram shows dense breast tissue, requires person who performed mammogram to notify patient of results and possible increased risk of breast cancer and to advise patient to contact patient's health care provider regarding appropriateness of supplemental testing.

**Government Unit(s) Affected:**

Oregon Health Authority (OHA), Department of Consumer and Business Services (DCBS)

**Analysis:**

The proposed legislation has been determined to have  
**MINIMAL EXPENDITURE IMPACT**  
on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
