ISSUES DISCUSSED:

- Fiscal impact
- Oregon 529 College Savings Board marketing budget

EFFECT OF COMMITTEE AMENDMENT: Resolves conflicts if HB 2093 becomes law.

BACKGROUND: The Oregon 529 College Savings Network is an investment tool that provides state and federal tax advantages for investing in college savings plans. Oregon currently offers two 529 plans administered by the Office of the State Treasurer and overseen by the Oregon 529 College Savings Board. House Bill 2299-A creates a vehicle to inform parents of their eligibility to open such an account, by requiring the State Registrar of the Center for Health Statistics to provide quarterly reports to the Board containing the parents' names and mother's mailing address for each child born in Oregon to parents who reside here. The Board will provide information to the parents regarding college savings accounts and establish accounts for those parents who choose to participate. Additionally, the measure establishes the Oregon College Savings Matching Fund to allow deposits in college savings accounts to be matched by the Board as determined by rule.
