**WHAT THE MEASURE DOES:** Modifies provisions authorizing borrowing by community college districts to clarify that bonds may be issued for entire district, for single service area or for one or more service areas of district simultaneously. Declares emergency, effective on passage.

**ISSUES DISCUSSED:**

- Technical amendment

**EFFECT OF COMMITTEE AMENDMENT:** Technical amendment recommended by bond counsel.

**BACKGROUND:** ORS 341.604 through 341.616 contain provisions relating to community college districts incurring bond indebtedness. In 2009, the Legislature authorized districts to put bond levies on the ballot that applied to the entire district or for a specific service area of the district. House Bill 3488 clarifies that bonds may be issued not only for an entire district, but also for one or a combination of service areas within a district.
