**Summary of Education Subcommittee Action**

Senate Bill 739 requires the Department of Education (ODE) to consult with specified entities when developing academic content standards for Oregon Studies.

Currently, ODE does not typically create and disseminate instructional materials. The provisions of this bill require the agency to do so. ODE will need to develop academic standards, with respect to Oregon Studies, for economics, history, civics and government and geography. In addition, the materials developed will need to be adapted for grades K-12. ODE is also directed to consult with the Advocacy Commission Office. The agency is authorized to establish two Limited Duration positions.
