Summary of Transportation and Economic Development Subcommittee Action

House Bill 2421-B relates to communication between state agencies regarding members of uniformed services. The measure is effective January 1, 2014. It instructs the Oregon Department of Transportation Director (ODOT) to share names and addresses of service members and veterans with the Oregon Department of Veterans' Affairs Director (ODVA) on a monthly basis when service members or veterans make a written inquiry regarding applications for licenses, identification cards, certificates of vehicle title, or vehicle registrations. House Bill 2421-B requires the service member's or veteran's written authorization to release his or her name and address to ODVA. The bill authorizes ODOT to adopt rules, in consultation with ODVA, regarding method of implementing notification procedure.

The subcommittee approved a \$100,000 General Fund appropriation and added 0.34 FTE to ODOT for costs associated with programming, Department of Justice rule review, set-up charges and workload to process the subject applications.
