Summary of Capital Construction Subcommittee Action

House Bill 5006 allocates resources from the Criminal Fine Account (CFA). The CFA includes criminal fines and other financial penalties imposed on conviction for felonies, misdemeanors, and violations other than parking infractions which are collected through the courts – the Oregon Judicial Department (OJD) for the circuit courts and the local Municipal (city) and Justice (county) Courts and remitted to the Department of Revenue.

ORS 137.300 establishes the CFA and identifies program priorities, but does not specify a funding level for the programs. Expenditure limitations for programs receiving CFA allocations are established in the separate appropriation bills for the various receiving agencies. Once the specific program allocations have been made, the balance of revenues in the CFA is deposited into the General Fund.

For the 2013-15 biennium, the revenue forecast inclusive of the changes in HB 2562 for the CFA totals \$112.1 million. The Capital Construction Subcommittee approved allocations to agencies totaling \$67.1 million, leaving a balance of \$45 million to be deposited into the General Fund. The specific allocations accomplished through this bill are outlined in the following table:
