

B-Engrossed
House Bill 2005

Ordered by the Senate May 20
Including House Amendments dated April 19 and Senate Amendments
dated May 20

Sponsored by Representative KOTEK

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Makes temporary findings of state's best interest regarding mechanical insulation standards and mechanical systems. Expands membership of Construction Industry Energy Board. [*Changes qualification for one position on*] **Expands membership of Mechanical Board.**

Declares emergency, effective on passage.

A BILL FOR AN ACT

1
2 Relating to energy efficiency; creating new provisions; amending ORS 455.140, 455.492 and 455.496;
3 and declaring an emergency.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1. Section 2 of this 2013 Act and ORS 455.140, 455.492 and 455.496 are added to**
6 **and made a part of ORS chapter 455.**

7 **SECTION 2. The Legislative Assembly finds and declares that:**

8 **(1) It is in the best interest of the State of Oregon to encourage energy efficiency and**
9 **cost savings through effective mechanical insulation standards; and**

10 **(2) To fulfill the best interest described in subsection (1) of this section it is beneficial for**
11 **building owners, operators, contractors, installers, inspectors and regulators to collaborate**
12 **and identify ways to ensure that mechanical systems operate as efficiently as possible, giving**
13 **particular attention to maximizing the energy savings of publicly financed buildings.**

14 **SECTION 3. ORS 455.492 is amended to read:**

15 455.492. (1) There is established a Construction Industry Energy Board, consisting of [*seven*] **11**
16 **members. The membership shall consist of the following:**

17 **(a) Two members selected by the Electrical and Elevator Board from the members of the Elec-**
18 **trical and Elevator Board who have practical experience in the electric industry.**

19 **(b) Two members selected by the Residential and Manufactured Structures Board from the**
20 **members of the Residential and Manufactured Structures Board who have practical experience in**
21 **the residential structure industry or manufactured structure industry.**

22 **(c) Two members selected by the Building Codes Structures Board from the members of the**
23 **Building Codes Structures Board who have practical experience in construction.**

24 **(d) Two members selected by the State Plumbing Board from the members of the State**
25 **Plumbing Board who have practical experience in construction.**

26 **(e) Two members selected by the Mechanical Board from the members of the Mechanical**

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted.
New sections are in **boldfaced** type.

1 **Board who have practical experience in construction.**

2 [(d)] (f) One member who is an employee or officer of the State Department of Energy appointed
3 by the Director of the State Department of Energy.

4 (2) The Construction Industry Energy Board shall select one of its members as chairperson and
5 another as vice chairperson, for such terms and with duties and powers necessary for the perform-
6 ance of the functions of those positions as the board determines.

7 (3) Except as provided in ORS 455.496 (2), a majority of the members of the board constitutes
8 a quorum for the transaction of business.

9 (4) A member of the board is not entitled to compensation, but at the discretion of the director
10 may be reimbursed from funds available to the Department of Consumer and Business Services for
11 actual and necessary travel and other expenses incurred by the member in the performance of the
12 member's official duties in the manner and amount provided in ORS 292.495.

13 **SECTION 4.** ORS 455.496 is amended to read:

14 455.496. (1) The Construction Industry Energy Board may evaluate and approve or disapprove
15 proposed state building code standards relating to the energy use and energy efficiency aspects of
16 the electrical, structural, prefabricated structure and low-rise residential specialty codes. The pro-
17 posed standards evaluated by the board may include, but need not be limited to, standards regarding
18 energy-conserving technology, construction methods, products and materials. The board shall for-
19 ward any proposed standards recommended by the board to the Director of the Department of
20 Consumer and Business Services for adoption or rejection by the director.

21 (2) Approval by [five] **seven** or more board members is required in order to recommend adoption
22 of an energy construction standard to the director. If the standard relates to a specialty code that
23 is administered by an advisory board described in ORS 455.492 (1)(a) to [(c)] (e), the Construction
24 Industry Energy Board may not recommend the standard to the director unless all of the Con-
25 struction Industry Energy Board members who are members of the advisory board that administers
26 that specialty code approve of recommending the standard.

27 (3) Notwithstanding any provision of **this chapter or** ORS chapter 446 [or 455] or ORS 479.510
28 to 479.945 or 479.950, **or any provision of ORS chapter 447 regulating fixture installations or**
29 **regulating plumbing products**, the director may adopt or reject a proposed standard recommended
30 by the Construction Industry Energy Board without further consultation of an advisory board. No
31 later than 30 days after the director receives the proposed standard, the director shall initiate a
32 process for considering the approval or rejection of the recommended proposed standard. If the di-
33 rector approves the standard, the director shall file the standard with the Secretary of State under
34 ORS 183.335 as a rule amending the state building code.

35 (4) The Construction Industry Energy Board shall identify and give notice to the director of the
36 specialty codes that are affected by a recommended proposed standard. If the director adopts the
37 standard as a rule, the rule shall be enforceable as a specialty code provision administered by the
38 board and enforceable by any appropriate advisory board as a provision of the code administered
39 by that advisory board.

40 **SECTION 5.** ORS 455.140 is amended to read:

41 455.140. (1) There is established a Mechanical Board consisting of [nine] **10** members appointed
42 by the Governor.

43 (2) The members of the board shall assist the Director of the Department of Consumer and
44 Business Services in administering the code adopted pursuant to ORS 455.020 for mechanical devices
45 and equipment.

- 1 (3) The board must consist of:
2 (a) One representative of the plumbing industry;
3 (b) One sheet metal and air conditioner contractor;
4 (c) One municipal mechanical inspector possessing the highest level of mechanical inspector
5 certification issued by the Department of Consumer and Business Services;
6 (d) One heating, venting and air conditioning contractor;
7 (e) One heating, venting and air conditioning installer;
8 (f) One sheet metal and air conditioner installer;
9 (g) One representative of a natural gas company or other utility;
10 (h) One building official; *[and]*
11 **(i) One insulation craftsman who has experience with heat and frost insulation; and**
12 *[(i)]* (j) One public member who does not receive compensation from any interest represented
13 under paragraphs (a) to *[(h)]* (i) of this subsection.

14 (4) At least one of the board members described in subsection (3)(b) or (d) of this section must
15 be an owner or operator of a contracting business employing 10 or fewer persons at the time of the
16 member's appointment to the term.

17 **SECTION 6. Section 2 of this 2013 Act is repealed January 2, 2015.**

18 **SECTION 7. This 2013 Act being necessary for the immediate preservation of the public**
19 **peace, health and safety, an emergency is declared to exist, and this 2013 Act takes effect**
20 **on its passage.**
