9 (3) **A maximum of three members may be appointed to represent local government**
10 **management and a maximum of three members may be appointed to represent local gov-**
11 **ernment nonmanagement employees.**

12 [(2)] (4) The term of office of each member is four years, but a member serves at the pleasure
13 of the Governor. Before the expiration of the term of a member, the Governor shall appoint a suc-
14 cessor to take office upon the date of that expiration. A member is eligible for reappointment. If
15 there is a vacancy for any cause, the Governor shall make an appointment to become immediately
16 effective for the unexpired term.

17 [(3)] (5) A member of the board is not entitled to compensation, but may be reimbursed from

20 ORS 292.495.

30 **SECTION 17.** ORS 243.864 is amended to read:

31 243.864. (1) The Oregon Educators Benefit Board:

32 (a) Shall adopt rules for the conduct of its business and for carrying out ORS 243.879; and

33 (b) May adopt rules not inconsistent with ORS 243.860 to 243.886 to determine the terms and
34 conditions of eligible employee participation in and coverage under benefit plans.

35 (2) The board shall study all matters connected with the provision of adequate benefit plan
36 coverage for eligible employees on the best basis possible with regard to the welfare of the em-
37 ployees and affordability for the districts **and local governments**. The board shall design benefits,
38 prepare specifications, analyze carrier responses to advertisements for bids and award contracts.
39 Contracts shall be signed by the chairperson on behalf of the board.

40 (3) In carrying out its duties under subsections (1) and (2) of this section, the goal of the board
41 is to provide high-quality health, dental and other benefit plans for eligible employees at a cost af-
42 fordable to the districts **and local governments**, the employees and the taxpayers of Oregon.

43 (4) The board shall prepare specifications, invite bids and take actions necessary to award con-
44 tracts for health and dental benefit plan coverage of eligible employees in accordance with the cri-
45 teria set forth in ORS 243.866 (1). The Public Contracting Code does not apply to contracts for

1 benefit plans provided under ORS 243.860 to 243.886. The board may not exclude from competition
2 to contract for a benefit plan an Oregon carrier solely because the carrier does not serve all coun-
3 ties in Oregon.

4 (5) The board may retain consultants, brokers or other advisory personnel when necessary and
5 shall employ such personnel as are required to perform the functions of the board.

6 **SECTION 18.** ORS 243.866 is amended to read:

7 243.866. (1) The Oregon Educators Benefit Board shall contract for benefit plans best designed
8 to meet the needs and provide for the welfare of eligible employees, [and] the districts **and local**
9 **governments**. In considering whether to enter into a contract for a benefit plan, the board shall
10 place emphasis on:

- 11 (a) Employee choice among high-quality plans;
- 12 (b) Encouragement of a competitive marketplace;
- 13 (c) Plan performance and information;
- 14 (d) District **and local government** flexibility in plan design and contracting;
- 15 (e) Quality customer service;
- 16 (f) Creativity and innovation;
- 17 (g) Plan benefits as part of total employee compensation; and
- 18 (h) Improvement of employee health.

19 (2) The board may approve more than one carrier for each type of benefit plan offered, but the
20 board shall limit the number of carriers to a number consistent with adequate service to eligible
21 employees and family members.

22 (3) When appropriate, the board shall provide options under which an eligible employee may
23 arrange coverage for family members under a benefit plan.

24 (4) A district **or a local government** shall provide that payroll deductions for benefit plan costs
25 that are not payable by the district **or local government** may be made upon receipt of a signed
26 authorization from the employee indicating an election to participate in the benefit plan or plans
27 selected and allowing the deduction of those costs from the employee's pay.

28 (5) In developing any benefit plan, the board may provide an option of additional coverage for
29 eligible employees and family members at an additional premium.

30 (6) The board shall adopt rules providing that transfer of enrollment from one benefit plan to
31 another is open to all eligible employees and family members. Because of the special problems that
32 may arise involving acceptable physician-patient relations between a particular panel of physicians
33 and a particular eligible employee or family member under a comprehensive group practice benefit
34 plan, the board shall provide a procedure under which any eligible employee may apply at any time
35 to substitute another benefit plan for participation in a comprehensive group practice benefit plan.

36 (7) An eligible employee who is retired is not required to participate in a health benefit plan
37 offered under this section in order to obtain dental benefit plan coverage. The board shall establish
38 by rule standards of eligibility for retired employees to participate in a dental benefit plan.

39 (8) The board shall evaluate a benefit plan that serves a limited geographic region of this state
40 according to the criteria described in subsection (1) of this section.

41 **SECTION 19.** ORS 243.868 is amended to read:

42 243.868. (1) In addition to contracting for health and dental benefit plans, the Oregon Educators
43 Benefit Board may contract with carriers to provide other benefit plans including, but not limited
44 to, insurance or other benefits based on life, supplemental medical, supplemental dental, supple-
45 mental vision, accidental death or disability insurance plans.

1 (2) The premium for each eligible employee for coverage under a benefit plan other than a
2 health or dental benefit plan described in subsection (1) of this section shall be the total cost per
3 month of the coverage afforded the employee under the plan for which the employee exercises an
4 option, including the cost of enrollment [*of the eligible employee*] and administrative expenses for the
5 plan.

6 (3) The board may withdraw approval of any additional benefit plan in the same manner as it
7 withdraws approval of a health or dental benefit plan as described and authorized by ORS 243.878.

8 (4) If the board does not contract for a benefit plan described in subsection (1) of this section,
9 a district **or a local government** may contract for the benefit plan on behalf of any district **or local**
10 **government** employees. The administrative expenses of the plan shall be paid in accordance with
11 the [*district's*] negotiated agreement [*with*] **between** the employees **and the district or local gov-**
12 **ernment**. Benefit plans entered into by a district **or local government** are subject to approval by
13 the board before they become operative. The board may withdraw approval of any such benefit plan
14 in the same manner as it withdraws approval of a benefit plan under ORS 243.878.

15 **SECTION 20.** ORS 243.874 is amended to read:

16 243.874. (1) In addition to the powers and duties otherwise provided by law to provide benefit
17 plans for eligible employees, the Oregon Educators Benefit Board may provide and administer flex-
18 ible benefit plans under which eligible employees may choose among taxable and nontaxable benefits
19 as provided in the federal Internal Revenue Code.

20 (2) In providing flexible benefit plans, the board may offer:

21 (a) Health or dental benefits as described in ORS 243.864 and 243.866.

22 (b) Other insurance benefits as described in ORS 243.868.

23 (c) Any other benefit that may be excluded from an employee's gross income under the federal
24 Internal Revenue Code.

25 (d) Any part or all of the district **or local government** contribution for employee benefits in
26 cash to the employee.

27 (3) In developing flexible benefit plans, the board shall design the plans on the best basis pos-
28 sible with regard to the welfare of the employees and affordability for the districts **and local gov-**
29 **ernments**.

30 (4) The board may pay some or all of the cost of administering flexible benefit plans from funds
31 authorized to pay general administrative expenses incurred by the board.

32 (5) The board shall adopt rules as the board considers necessary for the establishment and ad-
33 ministration of flexible benefit plans.

34 (6) The board may contract with private organizations for administration of flexible benefit plans
35 in accordance with rules adopted under subsection (5) of this section.

36 **SECTION 21.** ORS 243.878 is amended to read:

37 243.878. (1) The Oregon Educators Benefit Board may employ whatever means are reasonably
38 necessary to carry out the purposes of ORS 243.860 to 243.886. This authority includes, but is not
39 limited to, authority to self-insure and to seek clarification, amendment, modification, suspension or
40 termination of any agreement or contract.

41 (2) Upon providing specific notice in writing to the carrier, the affected labor organization or
42 organizations, the districts, **the local governments**, the Oregon Health Authority and the affected
43 eligible employees, and after affording opportunity for a public hearing on the issues that may be
44 involved, the board may enter an order withdrawing approval of a benefit plan. Thirty days after
45 entry of the order, the board shall terminate all withholding authorizations of eligible employees and

1 terminate all board-approved participation in the plan.

2 (3) The board by order may terminate the participation of a district **or a local government** in
3 a benefit plan if, within three months, the district **or local government** fails to perform an action
4 required by ORS 243.860 to 243.886 or by board rule.

5 **SECTION 22.** ORS 243.882 is amended to read:

6 243.882. Subject to legislative budgetary authorization for operation of the Oregon Educators
7 Benefit Board and the board's administration of benefit plans and other duties under ORS 243.860
8 to 243.886, an amount not to exceed two percent of the monthly employer and employee contribu-
9 tions for benefit plans shall be forwarded by each participating district **and local government** to
10 the board and deposited by the board in the State Treasury to the credit of the Oregon Educators
11 Benefit Account to meet the board's administrative and other costs authorized by ORS 243.860 to
12 243.886. The board shall ensure that the balance in the account does not exceed five percent of the
13 monthly total of employer and employee contributions for more than 120 days.

14 **SECTION 23.** Section 24 of this 2013 Act is added to and made a part of ORS 243.860 to
15 243.886.

16 **SECTION 24.** (1) **The governing body of a local government may elect to participate in a**
17 **benefit plan offered by the Oregon Educators Benefit Board.**

18 (2) **The decision of the governing body of a local government to participate in a benefit**
19 **plan offered by the board is solely in the discretion of the governing body of the local gov-**
20 **ernment and is not subject to collective bargaining.**

21 (3) **If the governing body of a local government elects to participate in a benefit plan of-**
22 **fered by the board, the participating governing body may terminate participation in that plan**
23 **to participate in a benefit plan offered through the Oregon Health Authority that is in con-**
24 **formity with the Patient Protection and Affordable Care Act (P.L. 111-148).**
