21 “(b) May adopt rules not inconsistent with ORS 243.860 to 243.886 to determine the terms and  
22 conditions of eligible employee participation in and coverage under benefit plans.

23 “(2) The board shall study all matters connected with the provision of adequate benefit plan  
24 coverage for eligible employees on the best basis possible with regard to the welfare of the em-  
25 ployees and affordability for the districts **and local governments**. The board shall design benefits,  
26 prepare specifications, analyze carrier responses to advertisements for bids and award contracts.  
27 Contracts shall be signed by the chairperson on behalf of the board.

28 “(3) In carrying out its duties under subsections (1) and (2) of this section, the goal of the board  
29 is to provide high-quality health, dental and other benefit plans for eligible employees at a cost af-  
30 fordable to the districts **and local governments**, the employees and the taxpayers of Oregon.

31 “(4) The board shall prepare specifications, invite bids and take actions necessary to award  
32 contracts for health and dental benefit plan coverage of eligible employees in accordance with the  
33 criteria set forth in ORS 243.866 (1). The Public Contracting Code does not apply to contracts for  
34 benefit plans provided under ORS 243.860 to 243.886. The board may not exclude from competition  
35 to contract for a benefit plan an Oregon carrier solely because the carrier does not serve all coun-  
36 ties in Oregon.

37 “(5) The board may retain consultants, brokers or other advisory personnel when necessary and  
38 shall employ such personnel as are required to perform the functions of the board.

6 “(h) Improvement of employee health.  
7 “(2) The board may approve more than one carrier for each type of benefit plan offered, but the  
8 board shall limit the number of carriers to a number consistent with adequate service to eligible  
9 employees and family members.  
10 “(3) When appropriate, the board shall provide options under which an eligible employee may  
11 arrange coverage for family members under a benefit plan.  
12 “(4) A district **or a local government** shall provide that payroll deductions for benefit plan  
13 costs that are not payable by the district **or local government** may be made upon receipt of a

15 plans selected and allowing the deduction of those costs from the employee’s pay.  
16 “(5) In developing any benefit plan, the board may provide an option of additional coverage for  
17 eligible employees and family members at an additional premium.  
18 “(6) The board shall adopt rules providing that transfer of enrollment from one benefit plan to

20 may arise involving acceptable physician-patient relations between a particular panel of physicians  
21 and a particular eligible employee or family member under a comprehensive group practice benefit  
22 plan, the board shall provide a procedure under which any eligible employee may apply at any time  
23 to substitute another benefit plan for participation in a comprehensive group practice benefit plan.  
24 “(7) An eligible employee who is retired is not required to participate in a health benefit plan  
25 offered under this section in order to obtain dental benefit plan coverage. The board shall establish

32 to, insurance or other benefits based on life, supplemental medical, supplemental dental, supple-  
33 mental vision, accidental death or disability insurance plans.  
34 “(2) The premium for each eligible employee for coverage under a benefit plan other than a  
35 health or dental benefit plan described in subsection (1) of this section shall be the total cost per  
36 month of the coverage afforded the employee under the plan for which the employee exercises an  
37 option, including the cost of enrollment [*of the eligible employee*] and administrative expenses for the  
38 plan.  
39 “(3) The board may withdraw approval of any additional benefit plan in the same manner as it  
40 withdraws approval of a health or dental benefit plan as described and authorized by ORS 243.878.  
41 “(4) If the board does not contract for a benefit plan described in subsection (1) of this section,  
42 a district **or a local government** may contract for the benefit plan on behalf of any district **or local**  
43 **government** employees. The administrative expenses of the plan shall be paid in accordance with  
44 the [*district’s*] negotiated agreement [*with*] **between** the employees **and the district or local gov-**  
45 **ernment.** Benefit plans entered into by a district **or local government** are subject to approval by

3 “**SECTION 20.** ORS 243.874 is amended to read:

4 “243.874. (1) In addition to the powers and duties otherwise provided by law to provide benefit

16 sible with regard to the welfare of the employees and affordability for the districts **and local gov-**  
17 **ernments.**

18 “(4) The board may pay some or all of the cost of administering flexible benefit plans from funds

28 termination of any agreement or contract.

29 “(2) Upon providing specific notice in writing to the carrier, the affected labor organization or  
30 organizations, the districts, **the local governments**, the Oregon Health Authority and the affected  
31 eligible employees, and after affording opportunity for a public hearing on the issues that may be  
32 involved, the board may enter an order withdrawing approval of a benefit plan. Thirty days after  
33 entry of the order, the board shall terminate all withholding authorizations of eligible employees and  
34 terminate all board-approved participation in the plan.

35 “(3) The board by order may terminate the participation of a district **or a local government**  
36 in a benefit plan if, within three months, the district **or local government** fails to perform an action

38 “**SECTION 22.** ORS 243.882 is amended to read:
