A BILL FOR AN ACT

1
2 Relating to the Beginning and Expanding Farmer Loan Program; appropriating money; limiting
3 expenditures; and prescribing an effective date.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1. (1) The Legislative Assembly finds that the demand in Oregon for local food**
6 **is surging, that the interest in farming among younger generations is on the rise and that**
7 **access to capital is one of the most important factors contributing to the development and**
8 **success of a local market agricultural sector in the Oregon economy.**

9 **(2) The Legislative Assembly also finds that the establishment and implementation of a**
10 **federal-state, public-private partnership program to assist beginning farmers is a cost-**
11 **effective way for Oregon to support beginning farmers and the growth of the local market**
12 **agricultural sector across this state and to stabilize the agricultural workforce. Such a pro-**
13 **gram would represent no cost or risk to the state and would allow private lenders to earn**
14 **federally tax exempt interest income on loans to eligible beginning farmers.**

15 **SECTION 2. As used in sections 1 to 6 of this 2013 Act:**

16 **(1) "Agricultural improvements" means any improvements, buildings, structures or fix-**
17 **tures suitable for use in farming that are located on agricultural land.**

18 **(2) "Agricultural land" means land located in this state that is suitable for use in farming**
19 **and that is or will be operated as a farm.**

20 **(3) "Agricultural project" means agricultural improvements, agricultural land or**
21 **depreciable agricultural property.**

22 **(4) "Beginning farmer" means a person, as defined by the Oregon Business Development**

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 Department by rule.

2 (5) "Depreciable agricultural property" means personal property suitable for use in
3 farming for which an income tax deduction for depreciation is allowable in computing federal
4 income tax under the Internal Revenue Code, including but not limited to farm machinery
5 and trucks but not including feeder livestock, seed, feed, fertilizer and other types of inven-
6 tory or supplies.

7 (6) "Eligible revenue" means the revenue or assets of an eligible agricultural project that
8 are provided as security for a loan under sections 1 to 6 of this 2013 Act by a beginning
9 farmer, an agent of the beginning farmer or a related party to the beginning farmer.

10 (7) "Lender" means an insured institution, as defined in ORS 706.008, that is authorized
11 to do business in Oregon or another person authorized to make loans to beginning farmers
12 pursuant to sections 1 to 6 of this 2013 Act.

13 **SECTION 3.** (1) The Oregon Business Development Department, in consultation with the
14 State Department of Agriculture and potential lenders, shall create the Beginning and Ex-
15 panding Farmer Loan Program to facilitate the making of loans to beginning farmers to fi-
16 nance the acquisition of an approved agricultural project.

17 (2) Before revenue bonds may be issued for the program, an agricultural project must
18 be determined to be eligible for a loan under sections 1 to 6 of this 2013 Act and the beginning
19 farmer must be qualified by the lender to receive the loan.

20 (3) The Oregon Business Development Department shall adopt rules for the operation of
21 the program, to define terms and to establish an application process and requirements, cri-
22 teria and eligibility standards for beginning farmers and lenders to participate in the pro-
23 gram. The department may approve a loan only if all of the following are satisfied:

24 (a) The lender is approved to participate in the program.

25 (b) The beginning farmer is a resident of this state.

26 (c) The agricultural project that is the subject of the loan is located, or will be used, in
27 this state.

28 (d) The lender acknowledges that the loan to the beginning farmer is secured only by the
29 eligible revenue of an eligible agricultural project and not by revenue or assets of the State
30 of Oregon.

31 (e) The beginning farmer will materially and substantially participate in the farming for
32 which the loan is sought.

33 (f) The eligible agricultural project will be used for farming only by the beginning farmer
34 or by the beginning farmer and the beginning farmer's family.

35 (g) The beginning farmer and the lender have complied with any other requirement, cri-
36 terion or standard prescribed by the department by rule.

37 (4)(a) The department may charge fees to lenders and beginning farmers as necessary:

38 (A) To administer the program; and

39 (B) To cover the cost of procurement of bond counsel, State Treasurer fees, department
40 issuance fees and trustee fees.

41 (b) Lenders may charge fees and points as agreed to by the beginning farmer and the
42 lender and as approved by the department.

43 (5) The lender and the beginning farmer shall agree to the terms of the loan, including
44 interest rate and length of loan. The lender is responsible for making an independent credit
45 evaluation of the beginning farmer or the farming enterprise for which the loan is sought.

1 **(6) The Oregon Business Development Department may enter into contracts and agree-**
2 **ments as necessary and appropriate to implement and manage the program.**

3 **SECTION 4. (1) At the request of the Oregon Business Development Department, the**

6 **of this 2013 Act;**

7 **(b) Refund bonds issued for the program; or**

8 **(c) Pay bond-related costs and other costs related to loans approved under sections 1 to**
9 **6 of this 2013 Act.**

10 **(2) If the State Treasurer issues the revenue bonds pursuant to this section:**

11 **(a) The State Treasurer shall:**

12 **(A) Issue the revenue bonds in the name of the State of Oregon in the manner provided**
13 **by ORS chapter 286A; and**

14 **(B) Identify the revenue bonds to the agricultural projects financed by the revenue bonds.**

15 **(b) The State Treasurer or the department shall designate the trustee, financial advisor**
16 **and bond counsel, if any, and enter into appropriate agreements with each to carry out**
17 **sections 1 to 6 of this 2013 Act. The powers conferred on a related agency under ORS chapter**
18 **286A with respect to the designation of trustee, financial advisor and bond counsel do not**
19 **apply to revenue bonds issued under this section.**

20 **(3) A trustee designated to carry out provisions of sections 1 to 6 of this 2013 Act must**
21 **agree to make reports as required by the State Treasurer or the department.**

22 **(4) The State Treasurer may charge administrative expenses of the State Treasurer**
23 **against proceeds of the revenue bonds or eligible revenues of agricultural projects.**

24 **(5) The State Treasurer is the elected representative for purposes of approving the issu-**
25 **ance of revenue bonds under sections 1 to 6 of 2013 Act to the extent that approval is re-**
26 **quired under section 147(f) of the Internal Revenue Code.**

27 **(6) The validity of revenue bonds authorized by sections 1 to 6 of this 2013 Act is not**
28 **dependent on or affected by the validity or regularity of proceedings relating to the acqui-**
29 **sition, purchase, construction, reconstruction, installation, improvement, betterment, exten-**
30 **sion, management, operation or funding of the agricultural project for which revenues bonds**
31 **are issued. The revenues bonds must contain a recital that the bonds are issued pursuant**
32 **to this section and the recital is conclusive evidence of the validity and the regularity of the**
33 **issuance of the bonds.**

34 **(7) Revenue bonds issued under this section are not:**

35 **(a) Secured by, payable from and chargeable to moneys other than the eligible revenue**
36 **of agricultural projects that are pledged to pay the revenue bonds.**

37 **(b) A liability of the State of Oregon. A holder or owner of the revenue bonds may not**
38 **compel an exercise of the taxing power of the state to pay the revenue bonds or the interest**
39 **on the revenue bonds or enforce payment of the revenue bonds against property of the state**
40 **except the eligible revenue of an agricultural project.**

41 **(c) A charge lien or encumbrance, legal or equitable, upon property of the state, except**
42 **the eligible revenue of an agricultural project.**

44 **(a) The revenue bonds and interest on the revenue bonds are payable solely from the el-**
45 **igible revenue of an agricultural project.**

1 **(b) The revenue bonds do not constitute a debt of the state or a lending of the credit of**
2 **the state within the meaning of any constitutional or statutory limitation.**

3 **(9) The holders or owners of revenue bonds issued under this section, or a trustee, may,**
4 **if permitted by the documents associated with the revenue bonds:**
