17 treatment, limits on duration of treatment or financial requirements unless similar limitations or
18 requirements are imposed on coverage of other medical conditions. The coverage of eligible expenses
19 may be limited to treatment that is medically necessary as determined under the policy for other
20 medical conditions.

21 (4)(a) Nothing in this section requires coverage for:

22 (A) Educational or correctional services or sheltered living provided by a school or halfway
23 house;

24 (B) A long-term residential mental health program that lasts longer than 45 days;

31 sheltered living situation.

32 (5) A provider is eligible for reimbursement under this section if:

33 (a) The provider is approved **or certified** by the Department of Human Services **or the Oregon**
34 **Health Authority;**

35 (b) The provider is accredited for the particular level of care for which reimbursement is being
36 requested by the Joint Commission on Accreditation of Hospitals or the Commission on Accredi-

41 (6) Payments may not be made under this section for support groups.

42 (7) If specified in the policy, outpatient coverage may include follow-up in-home service or out-

44 under the care of a physician.

45 (8) Nothing in this section prohibits a group health insurer from managing the provision of

1 benefits through common methods, including but not limited to selectively contracted panels, health
2 plan benefit differential designs, preadmission screening, prior authorization of services, utilization
3 review or other mechanisms designed to limit eligible expenses to those described in subsection (3)
4 of this section.

5 (9) The Legislative Assembly has found that health care cost containment is necessary and in-
6 tends to encourage insurance policies designed to achieve cost containment by ensuring that re-
7 imbursement is limited to appropriate utilization under criteria incorporated into such policies,
8 either directly or by reference.

9 (10)(a) Subject to the patient or client confidentiality provisions of ORS 40.235 relating to phy-
10 sicians, ORS 40.240 relating to nurse practitioners, ORS 40.230 relating to psychologists, ORS 40.250
11 and 675.580 relating to licensed clinical social workers and ORS 40.262 relating to licensed profes-
12 sional counselors and licensed marriage and family therapists, a group health insurer may provide
13 for review for level of treatment of admissions and continued stays for treatment in health [*care*]
14 facilities, residential [*programs or*] facilities, day or partial hospitalization programs and outpatient
15 services by either group health insurer staff or personnel under contract to the group health insurer,
16 or by a utilization review contractor, who shall have the authority to certify for or deny level of
17 payment.

18 (b) Review shall be made according to criteria made available to providers in advance upon re-
19 quest.

20 (c) Review shall be performed by or under the direction of a medical or osteopathic physician
21 licensed by the Oregon Medical Board, a psychologist licensed by the State Board of Psychologist
22 Examiners, a clinical social worker licensed by the State Board of Licensed Social Workers or a
23 professional counselor or marriage and family therapist licensed by the Oregon Board of Licensed
24 Professional Counselors and Therapists, in accordance with standards of the National Committee for
25 Quality Assurance or Medicare review standards of the Centers for Medicare and Medicaid Ser-
26 vices.

27 (d) Review may involve prior approval, concurrent review of the continuation of treatment,
28 post-treatment review or any combination of these. However, if prior approval is required, provision
29 shall be made to allow for payment of urgent or emergency admissions, subject to subsequent re-
30 view. If prior approval is not required, group health insurers shall permit providers, policyholders
31 or persons acting on their behalf to make advance inquiries regarding the appropriateness of a
32 particular admission to a treatment program. Group health insurers shall provide a timely response
33 to such inquiries. Noncontracting providers must cooperate with these procedures to the same ex-
34 tent as contracting providers to be eligible for reimbursement.

35 (11) Health maintenance organizations may limit the receipt of covered services by enrollees to
36 services provided by or upon referral by providers contracting with the health maintenance organ-
37 ization. Health maintenance organizations and health care service contractors may create substan-
38 tive plan benefit and reimbursement differentials at the same level as, and subject to limitations no
39 more restrictive than, those imposed on coverage or reimbursement of expenses arising out of other
40 medical conditions and apply them to contracting and noncontracting providers.

41 (12) Nothing in this section prevents a group health insurer from contracting with providers of
42 health care services to furnish services to policyholders or certificate holders according to ORS
43 743.531 or 750.005, subject to the following conditions:

44 (a) A group health insurer is not required to contract with all [*eligible*] providers **that are eli-**
45 **gible for reimbursement under this section.**

1 (b) An insurer or health care service contractor shall, subject to subsections (2) and (3) of this
2 section, pay benefits toward the covered charges of noncontracting providers of services for the
3 treatment of chemical dependency or mental or nervous conditions. The insured shall, subject to
4 subsections (2) and (3) of this section, have the right to use the services of a noncontracting provider
5 of services for the treatment of chemical dependency or mental or nervous conditions, whether or
6 not the services for chemical dependency or mental or nervous conditions are provided by con-
7 tracting or noncontracting providers.

8 **(13) The Oregon Health Authority shall establish a process for the certification of an**
9 **organization described in subsection (1)(e)(B) of this section that:**

10 **(a) Is not otherwise subject to licensing or certification by the authority; and**

11 **(b) Does not contract with the authority, a subcontractor of the authority or a commu-**
12 **nity mental health program.**

13 **(14) The Oregon Health Authority shall adopt by rule standards for the certification**
14 **provided under subsection (13) of this section to ensure that a certified provider organization**
15 **offers a distinct and specialized program for the treatment of chemical dependency or for**
16 **mental or nervous conditions.**

17 **(15) The Oregon Health Authority may adopt by rule an application fee or a certification**
18 **fee, or both, to be imposed on any provider organization that applies for certification under**
19 **subsection (13) of this section. Any fees collected shall be paid into the Oregon Health Au-**
20 **thority Fund established in ORS 413.101 and shall be used only for carrying out the provisions**
21 **of subsection (13) of this section.**

22 *[(13)]* **(16) The intent of the Legislative Assembly in adopting this section is to reserve benefits**
23 **for different types of care to encourage cost effective care and to ensure continuing access to levels**
24 **of care most appropriate for the insured's condition and progress. This section does not prohibit**
25 **an insurer from requiring a provider organization certified by the Oregon Health Authority**
26 **under subsection (13) of this section to meet the insurer's credentialing requirements as a**
27 **condition of entering into a contract.**

28 *[(14)]* **(17) The Director of the Department of Consumer and Business Services and the Oregon**
29 **Health Authority, after notice and hearing, may adopt reasonable rules not inconsistent with this**
30 **section that are considered necessary for the proper administration of *[these provisions]* this**
31 **section.**

32 **SECTION 2. This 2013 Act being necessary for the immediate preservation of the public**
33 **peace, health and safety, an emergency is declared to exist, and this 2013 Act takes effect**
34 **on its passage.**
