16 (2) Each applicant shall furnish satisfactory proof with the application:

17 (a) Of the existence of a policy of insurance in an amount adequate under rules issued by the

21 commissioner may adopt rules concerning satisfactory proof of adequate workers' compensation in-
22 surance.

40 require the persons to be licensed individually as [farm] labor contractors, and each [such] person
41 engages in [such] **those** activities solely for that business entity, the commissioner may provide by
42 rule for lower aggregate bonding requirements for the business entity and its owners and employees.
43 If there is an unsatisfied judgment of a court or final decision of an administrative agency against
44 a license applicant, the subject of which is any matter that would be covered by the bond or deposit
45 referred to in subsection (3) of this section, the commissioner may not issue a license to the appli-

1 cant until the judgment or decision is satisfied. As a condition of licensing any such applicant, the
2 commissioner may require the applicant to submit proof of financial ability required by subsection
3 (3) of this section in an amount up to three times that ordinarily required of a license applicant.

4 (5) All corporate surety bonds filed under this section or ORS 658.419 shall be executed to cover

15 specified in subsection (16) of this section shall have a right of action in the name of the person
16 against the surety upon the bond or against the deposit with the commissioner. The right of action:

17 (a) Is assignable and must be included with an assignment of a wage claim, of any other appro-
18 priate claim or of a judgment thereon.

19 (b) May not be included in any [suit or] action against the [farm] labor contractor but must be
20 exercised independently after first procuring a judgment or other form of adequate proof of liability
21 established by rule and procedure under subsection (14) of this section establishing the [farm] labor
22 contractor's liability for the claim.

23 (9)(a) The surety company or the commissioner shall make prompt and periodic payments on the
24 [farm] labor contractor's liability up to the extent of the total sum of the bond or deposit.

25 (b) Payment shall be made based upon priority of wage claims over advances made by **the**
26 **construction property owner**, the grower or producer of agricultural commodities or the owner
27 or lessee of land intended to be used for the production of timber, for advances made to or on behalf
28 of the [farm] labor contractor.

29 (c) Payment shall be made in full of all sums due to each person who presents adequate proof
30 of the claim.

31 (d) Payment shall be made in part if there are insufficient funds to pay in full the person next
32 entitled to payment in full.

33 (10) A person may not bring any [suit or] action against the surety company or the commissioner
34 on the bond or against the commissioner as the trustee for the beneficiaries of the [farm] labor
35 contractor under any deposit made pursuant to this section or ORS 658.419 unless the person has
36 first exhausted the procedures contained in subsections (8) and (12) of this section or in ORS 658.419
37 and contends that the surety company or the commissioner still has funds that are applicable to the
38 person's judgment or acknowledgment.

39 (11) The commissioner may not be prevented from accepting assignments of wage claims and
40 enforcing liability against the surety on the bond or from applying the deposit to just wage claims
41 filed with the commissioner.

42 (12) All claims against the bond or deposit shall be unenforceable unless request for payment
43 of a judgment or other form of adequate proof of liability or a notice of the claim has been made
44 by certified mail to the surety or the commissioner within six months from the end of the period for
45 which the bond or deposit was executed and made.

1 (13) If the commissioner has received no notice as provided in subsection (12) of this section
 2 within six months after a *[farm]* labor contractor is no longer required to provide and maintain a
 3 surety bond or deposit, the commissioner shall terminate and surrender any bond or any deposit
 4 under the control of the commissioner to the person who is entitled thereto upon receiving appro-
 5 priate proof of such entitlement.

6 (14) The commissioner shall adopt rules reasonably necessary for administration and enforce-
 7 ment of the provisions of this section and ORS 658.419.

8 (15) Every *[farm]* labor contractor required by this section or ORS 658.419 to furnish a surety

 13 name and Oregon address of the surety on the bond or a notice that a deposit in lieu of the bond
 14 has been made with the commissioner together with the address of the commissioner.

15 (16) The bond or deposit referred to in subsection (3) of this section shall be payable to the
 16 commissioner and shall be conditioned upon:

17 (a) Payment in full of all sums due on wage claims of employees.

18 (b) Payment by the *[farm]* labor contractor of all sums due to **the construction property**
 19 **owner**, the grower or producer of agricultural commodities or the owner or lessee of land intended
 20 to be used for the production of timber for advances made to or on behalf of the *[farm]* labor con-
 21 tractor.

22 (17) The commissioner may not issue a license until the applicant executes a written statement
 23 that shall be subscribed and sworn to and that shall contain the following declaration:
 24

25
 26 With regards to any action filed against me concerning my activities as a *[farm]* labor contrac-
