40 istering the sales tax and the use tax, including rules defining categories of products or
41 services. The rules must conform to definitions set forth in the Streamlined Sales and Use
42 Tax Agreement.

43
44 **THE SALES TAX**
45

1 **SECTION 11.** (1) Pursuant to Article IX, section 16, of the Oregon Constitution, in addi-
 2 tion to all other taxes of every kind, for the privilege of selling tangible personal property
 3 or services at retail in this state, a tax payable by the seller is imposed upon all sales at
 4 retail of tangible personal property and services at the rate of five percent of the gross re-
 5 ceipts from the sale.

6 (2) A unit of local government may not impose a sales tax that is not approved by the
 7 governing body of the local government on or before November 4, 2014.

8 **SECTION 12.** (1) Whether a seller may add sales tax reimbursement to the sales price
 9 of tangible personal property or services sold at retail depends solely upon the terms of the
 10 agreement of sale.

11 (2) It is presumed that the seller and purchaser agreed to the addition of sales tax re-
 12 imbursement to the sales price of tangible personal property or services sold at retail to a
 13 purchaser if:

14 (a) The agreement of sale expressly provides for the sales tax reimbursement;

15 (b) Sales tax reimbursement is shown on the sales check or other proof of sale; or

16 (c) The seller posts in the seller's premises in a location visible to purchasers, or includes
 17 on a price tag or in an advertisement or other printed material directed to purchasers, a
 18 notice to the effect that sales tax reimbursement will be added to the sales price of all ser-
 19 vices, items or certain items, as applicable.

20 (3) It is presumed that the property or services, the gross receipts from the sale of which
 21 are subject to the sales tax, are sold at a price that includes sales tax reimbursement if the
 22 seller posts in the premises or includes on a price tag or in an advertisement, as applicable,
 23 one of the following notices:

24 (a) "All prices of taxable items include sales tax reimbursement computed to the nearest
 25 cent."

26 (b) "The price of this item includes sales tax reimbursement computed to the nearest
 27 cent."

28 **SECTION 13.** (1) The Department of Revenue shall adopt a rounding algorithm that:

29 (a) Computes the sales tax and the sales tax reimbursement allowable under section 12
 30 of this 2013 Act to the third decimal place; and

31 (b) Rounds the amount up to the next cent whenever the third decimal place is greater
 32 than four.

33 (2) A seller may compute the sales tax due on a transaction on an item or an invoice
 34 basis and may apply the rounding rule of subsection (1) of this section to aggregated state
 35 and local taxes.

36 (3) A seller may not be required to collect tax based on a bracket system.

37 **SECTION 14.** (1) The Department of Revenue shall complete the taxability matrix that
 38 is adopted by the Streamlined Sales Tax Governing Board.

39 (2) The department shall provide and maintain entries in the taxability matrix in a da-
 40 tabase that is in a downloadable format that complies with the Streamlined Sales and Use
 41 Tax Agreement.

42 (3) Purchasers, sellers and certified service providers are relieved from liability for sales
 43 tax or use tax to the extent that the seller or certified service provider charged and collected
 44 an incorrect amount of sales tax or use tax as a result of reliance on erroneous data pro-
 45 vided by the department for the taxability matrix.

1 **SECTION 15.** (1)(a) The Department of Revenue may authorize a seller to pay the sales
 2 tax upon sales made through vending machines and similar devices, or under conditions of
 3 business that render the collection of the tax as a separate item impracticable, and to waive
 4 sales tax reimbursement from the purchaser.

5 (b)(A) If sales are made by receipt of a coin or coins dropped into a receptacle that re-
 6 sults in delivery of the merchandise in single purchases of smaller value than the minimum
 7 sale upon which a one cent tax may be collected from the purchaser, and if the design of the
 8 device is such that multiple sales of items are not possible or cannot be detected so as
 9 practicably to assess a tax, then no tax shall be assessed or collected on the gross receipts
 10 from such sales if adequate and complete records are kept by the vending machine operator,
 11 readily available for inspection by the department.

12 (B) If adequate and complete records are not maintained as required under subparagraph
 13 (A) of this paragraph, the gross receipts for the purposes of the sales tax are 60 percent of
 14 the gross receipts of the vending machine through which the sales are made, determined by
 15 the department according to the best of its information and belief, using such records as are
 16 available.

17 (c) As used in this subsection, “adequate and complete records” means that the vending
 18 machine operator regularly maintains records that would enable a department auditor to
 19 accurately ascertain liability for sales taxes, showing the location or locations of each ma-
 20 chine operated by the vending machine operator during each reporting period, the serial
 21 number of the machine, purchases and inventories of merchandise bought for sale through
 22 all vending machines and the gross receipts derived from the operation at each location
 23 during each reporting period.

24 (2)(a) No authority under subsection (1) of this section may be granted except upon ap-
 25 plication to the department for a permit and unless the department finds that the conditions
 26 of the applicant’s business are such as to render the collection of the tax in the manner
 27 otherwise provided impracticable.

28 (b) If required by the department, an applicant under this section must furnish a proper
 29 bond sufficient to secure the payment of the tax. One permit is sufficient for all machines
 30 of one operator. The operator shall affix in a conspicuous place on each vending machine a
 31 statement that includes the operator’s name, place of business and permit number.

32 **SECTION 16.** (1)(a) When an amount represented by a seller at retail to a purchaser as
 33 constituting sales tax reimbursement is computed upon an amount that is not taxable or is
 34 in excess of the taxable amount and is actually paid by the purchaser to the seller, the excess
 35 sales tax reimbursement paid shall be returned by the seller to the purchaser upon written
 36 notification by the Department of Revenue or the purchaser.

37 (b) The written notification must contain information necessary to determine the validity
 38 of the purchaser’s claim.

39 (2) If the seller does not return the excess sales tax reimbursement within 60 days after
 40 mailing of the written notification required under subsection (1) of this section, the pur-
 41 chaser may appeal to the Oregon Tax Court under ORS 305.275 for the amount of the excess
 42 sales tax reimbursement.

43 (3)(a) Amounts validly claimed by a purchaser under this section but not returned to the
 44 purchaser by the seller shall be remitted by the seller to the Department of Revenue.

45 (b) Amounts remitted to the department under this subsection shall be credited by the

1 department against any amounts of sales tax or use tax, as applicable, due and payable on
 2 the same transaction from the seller that remitted the amount and the balance, if any, shall
 3 constitute an obligation due from the seller to this state.

4 **SECTION 17.** (1)(a) A seller is relieved from liability for sales tax to the extent that the
 5 tax is computed on accounts that, for federal income tax purposes, constitute deductible bad
 6 debt under section 166 of the Internal Revenue Code.

7 (b) Notwithstanding paragraph (a) of this subsection, the amount of bad debt for which
 8 liability is relieved under this section shall be reduced by:

9 (A) Interest or other financing charges;

10 (B) Sales or use taxes charged on the sale of the property or services from which the bad
 11 debt is derived;

12 (C) Uncollectible amounts due on property that remains in the possession of the seller
 13 until the full purchase price is paid;

14 (D) Expenses incurred in attempting to collect any debt; or

15 (E) The value of repossessed property.

16 (2) A deduction for bad debt allowed under this section may not include interest charged
 17 by the seller on delinquent amounts.

18 (3) Bad debt may be deducted only on the tax return for the period during which the bad
 19 debt is written off as uncollectible in the books and records of the taxpayer and is eligible
 20 for deduction for federal tax purposes, or would be eligible for deduction if the taxpayer were
 21 required to file a federal income tax return.

22 (4) If bad debt that is deducted under subsection (1) of this section is subsequently col-
 23 lected, in whole or in part, the amount collected shall be added to amounts on which the
 24 sales tax liability of the taxpayer is computed for the reporting period in which the amount
 25 is collected.

26 (5) If the amount of bad debt that may be deducted exceeds the amount on which the
 27 sales tax liability of the taxpayer is computed for the reporting period in which the bad debt
 28 is written off, the taxpayer may file a claim for a refund within the time and in the manner
 29 provided in ORS 305.270.

30 (6) If a seller's filing responsibilities have been assumed by a certified service provider,
 31 the certified service provider may claim on behalf of the seller any bad debt allowance pro-
 32 vided under this section. The certified service provider must credit or refund the full amount
 33 of any bad debt allowance or refund received by the certified service provider to the seller.

34 (7) For purposes of reporting a payment received on a previously claimed bad debt, any
 35 payments made on a debt or account must be applied first proportionally to the taxable sales
 36 price of the property or service and the sales tax on the sales price, and then to interest,
 37 service charges and any other charges.

38 (8) The Department of Revenue shall adopt rules for the allocation of bad debt between
 39 Oregon and other states in cases in which the amount of bad debt for federal income tax
 40 purposes is attributable to debt from both within and outside Oregon.

41
 42 **SELLER REGISTRATION**
 43

44 **SECTION 18.** (1) The Department of Revenue shall design and implement an online sales
 45 tax registration system that complies with the Streamlined Sales and Use Tax Agreement.

1 (2) A seller may not be required to pay a fee in order to register for sales and use tax
2 purposes.

3 (3) The department may adopt any rules necessary to implement the registration system
4 or to facilitate registration or the operation of the registration system.

5 **SECTION 19.** (1) Each person seeking to conduct business in this state as a seller shall
6 register with the Department of Revenue through the online registration system operated
7 pursuant to section 18 of this 2013 Act.

8 (2) A certified service provider may register on behalf of a Model 1 Seller.

9 (3) A person may not conduct business as a seller in this state without registering under
10 this section.

11 (4) Each individual who bears any responsibility for the direction or management of an
12 entity of any kind that conducts business in violation of subsection (3) of this section is
13 guilty of violating that subsection.

14 **SECTION 20.** For purposes of the proper administration of the Sales and Use Tax Law
15 and to prevent evasion of the sales tax, all gross receipts are presumed subject to the sales
16 tax until the contrary is established. The burden of proving that a sale of tangible personal
17 property or services is not a sale at retail is upon the seller.

18 **SECTION 21.** (1) A seller that registers pursuant to section 19 of this 2013 Act shall re-
19 ceive amnesty for uncollected or unpaid sales or use tax, provided that:

20 (a) The seller was not registered in this state in the 12-month period immediately pre-
21 ceding the effective date of this state's participation in the Streamlined Sales and Use Tax
22 Agreement; and

23 (b) The seller registers within 12 months after the effective date of this state's partic-
24 ipation in the Streamlined Sales and Use Tax Agreement.

25 (2) The amnesty provided under this section precludes assessment for uncollected or
26 unpaid sales or use tax, including any penalty or interest for sales made during the period
27 the seller was not registered in this state.

28 (3) Notwithstanding subsections (1) and (2) of this section, amnesty is not available:

29 (a) To a seller with respect to any matter for which the seller has received notice of the
30 commencement of an audit that is not finally resolved, including any related administrative
31 and judicial proceedings.

32 (b) For sales or use taxes that have been paid or remitted to the state or collected by the
33 seller.

34 (4)(a) Amnesty under this section is fully effective, absent the seller's fraud or inten-
35 tional misrepresentation of a material fact, as long as the seller continues registration and
36 continues payment or collection and remittance of applicable sales or use taxes for a period
37 of at least 36 months.

38 (b) The statute of limitations for assessing a tax liability covered by the amnesty is tolled
39 during the 36-month period described in paragraph (a) of this subsection.

40 (5) Amnesty under this section applies only to sales or use taxes due from a seller in its
41 capacity as a seller and not in its capacity as a purchaser.

42 (6) The Department of Revenue shall adopt uniform rules for granting amnesty under
43 this section.

THE USE TAX

1 **SECTION 22.** (1) Pursuant to Article IX, section 16, of the Oregon Constitution, a use tax
 2 is imposed on the storage, use or other consumption in this state of tangible personal prop-
 3 erty purchased from any seller at the rate of five percent of the purchase price of the
 4 property.

5 (2) A unit of local government may not impose a use tax that is not approved by the
 6 governing body of the local government on or before November 4, 2014.

7 **SECTION 23.** (1) Every purchaser storing, using or otherwise consuming in this state
 8 tangible personal property purchased from a seller is liable for the use tax.

9 (2) A purchaser's liability under subsection (1) of this section is not satisfied until the
 10 use tax has been paid to this state.

11 (3) Notwithstanding subsection (2) of this section, a purchaser's liability under subsection
 12 (1) of this section is satisfied by a valid receipt given to the purchaser pursuant to section
 13 24 of this 2013 Act by a seller that is:

14 (a) Engaged in business in this state; or

15 (b) Authorized by the Department of Revenue, pursuant to such rules as the department
 16 adopts, to collect the tax and that, for purposes of the use tax, is regarded as a seller en-
 17 gaged in business in this state.

18 **SECTION 24.** (1) Except as provided in section 42 of this 2013 Act, a seller shall collect
 19 the use tax from a purchaser and give the purchaser a receipt for the tax in the manner and
 20 form prescribed by the Department of Revenue if:

21 (a) The seller is:

22 (A) Engaged in business in this state;

23 (B) Required to collect the use tax; or

24 (C) Authorized to collect tax by the department; and

25 (b) The seller makes sales of tangible personal property for storage, use or other con-
 26 sumption in this state that are not exempt for purposes of the Sales and Use Tax Law.

27 (2) A seller required to collect the use tax under this section shall collect the tax:

28 (a) At the time of making a taxable sale; or

29 (b) If the storage, use or other consumption of the tangible personal property is not
 30 taxable at the time of sale, at the time the storage, use or other consumption becomes tax-
 31 able.

32 (3) The following amounts constitute a debt owed by the seller to this state:

33 (a) Tax collected under subsection (1) of this section by the seller; and

34 (b) Any amount that is not returned to the purchaser and that is not tax but was col-
 35 lected under representation by the seller that it was a tax.

36 (4) With respect to leases constituting sales of tangible personal property, the use tax
 37 shall be collected from the lessee at the time amounts are paid by the lessee under the lease.

38 (5) Unless the department otherwise provides by rule, the use tax required to be collected
 39 by the seller from the purchaser under this section shall be displayed separately from the list
 40 price, the price advertised on the seller's premises, the marked price or other price on the
 41 sales check or other proof of sale.

42 **SECTION 25.** (1) The Director of the Department of Revenue may, upon application of a
 43 seller, authorize collection of the use tax by the seller if the seller furnishes adequate secu-
 44 rity to ensure collection and payment of the tax.

45 (2) Upon authorization under subsection (1) of this section, the Department of Revenue

1 shall issue to the seller, without charge, a permit to collect the use tax in the manner pre-
 2 scribed by the director.

3 (3) When authorized, a seller shall collect the use tax upon all tangible personal property
 4 sold by the seller for use, storage or other consumption within this state.

5 (4) The department may cancel a seller's permit if, at any time, the director considers
 6 the security inadequate or determines that the tax can be collected more effectively from
 7 purchasers of the tangible personal property.

8 (5) The department shall adopt rules necessary to administer this section.

9 **SECTION 26.** To ensure the proper administration of the Sales and Use Tax Law and to
 10 prevent evasion of the use tax and the duty to collect the use tax, the following presumptions
 11 are established:

12 (1)(a) Tangible personal property sold by any seller for delivery in this state was sold for
 13 storage, use or other consumption in this state unless the contrary is proved.

14 (b) The burden of proving the contrary is on the seller unless the seller takes from the
 15 purchaser a resale certificate to the effect that the property is purchased for resale.

16 (2) Tangible personal property shipped or brought to this state by the purchaser was
 17 purchased from a seller on or after the operative date of section 22 of this 2013 Act for
 18 storage, use or other consumption in this state.

19 (3)(a) Tangible personal property delivered outside this state to a purchaser known by the
 20 seller to be a resident of this state was purchased from a seller for storage, use or other
 21 consumption in this state and stored, used or otherwise consumed in this state unless the
 22 contrary is established.

23 (b) The contrary may be proved by:

24 (A) A statement in writing, signed by the purchaser or an authorized agent of the pur-
 25 chaser, and retained by the seller, that the property was purchased for use at a designated
 26 point or points outside this state; or

27 (B) Other evidence satisfactory to the Department of Revenue that the property was not
 28 purchased for storage, use or other consumption in this state.

29 (4)(a) A motor vehicle purchased outside this state that is brought into this state on or
 30 before the 90th day after its purchase, was acquired for storage, use or other consumption
 31 in this state.

32 (b) The presumption established in paragraph (a) of this subsection does not apply to a
 33 member of the Armed Forces of the United States on active duty who purchases a motor
 34 vehicle prior to the member's effective date of discharge. The member is not considered to
 35 have purchased the motor vehicle for storage, use or other consumption in this state unless
 36 at the time of purchase the member intended to use it in this state, the intent resulting from
 37 the member's own determination rather than from official orders received as a member of
 38 the Armed Forces transferring the member to this state.

39 **SECTION 27.** (1) A credit against the use tax on tangible personal property in the amount
 40 of a general retail sales or use tax or sales tax reimbursement paid by a person to another
 41 state or political subdivision of the state with respect to the property prior to the storage,
 42 use or other consumption of the property in this state shall be allowed to the person.

43 (2) A credit otherwise permitted under subsection (1) of this section may not be allowed
 44 against taxes that are measured by periodic payments made under a lease, to the extent that
 45 the taxes imposed by the other state or political subdivision of the state were also measured

1 by periodic payments made under a lease for a period prior to the storage, use or other
 2 consumption of the property in this state.

3 **SECTION 28.** A resale certificate relieves a seller from liability for the sales tax or the
 4 duty to collect the use tax only if the certificate is taken from a purchaser who is a seller
 5 registered under section 19 of this 2013 Act.

6 **SECTION 29.** (1) A valid resale certificate must:

7 (a) Be signed by and bear the name and address of the purchaser;

8 (b) Include information that identifies the purchaser as a seller registered pursuant to
 9 section 19 of this 2013 Act; and

10 (c) Indicate the general character of the tangible personal property sold by the purchaser
 11 in the regular course of business.

12 (2) A resale certificate must otherwise be substantially in such form as the Department
 13 of Revenue prescribes by rule.

14 **SECTION 30.** (1) If a purchaser who gives a resale certificate to a seller or who purchases
 15 tangible personal property for the purpose of reselling it stores or makes any use of the
 16 property other than retention, demonstration or display while holding it for sale in the reg-
 17 ular course of business, including display at trade shows, the storage or use is subject to the
 18 use tax as of the time the property is first stored or used by the purchaser and, except as
 19 provided in subsections (2) and (3) of this section, the sales price of the property paid by the
 20 purchaser is the measure of the tax.

21 (2) If the use is limited to the loan of the property to customers as an accommodation
 22 while awaiting delivery of property purchased or leased from the lender or while property is
 23 being repaired for customers by the lender, the measure of the tax is the fair rental value
 24 of the property for the duration of each loan.

25 (3) If the property is used frequently for purposes of demonstration or display while
 26 holding it for sale in the regular course of business and is used partly for other purposes,
 27 the measure of the tax is the fair rental value of the property for the period of the other
 28 uses.

29 **SECTION 31.** (1) If a purchaser acquires property in an occasional sale as defined in
 30 section 9 (11)(b) of this 2013 Act and leases the property, the purchaser may elect at the time
 31 the property is first leased to pay the use tax measured by the purchase price of the prop-
 32 erty.

33 (2) The purchase price paid by a transferee shall be the same as the purchase price paid
 34 by the original purchaser.

35 (3) For purposes of this section, “purchaser” includes a transferee who acquires property
 36 in a transaction that is an occasional sale as defined in section 9 (11)(b) of this 2013 Act.

37 **SECTION 32.** If a purchaser gives a resale certificate with respect to the purchase of
 38 fungible goods and thereafter commingles the goods with other fungible goods not so pur-
 39 chased but of such similarity that the identity of the constituent goods in the commingled
 40 mass cannot be determined, sales from the mass of commingled goods shall be deemed to
 41 be sales of the goods so purchased until a quantity of commingled goods equal to the quantity
 42 of purchased goods so commingled has been sold.

43 **SECTION 33.** A purchaser may not give, for the purpose of evading payment to the seller
 44 or other person selling the property of the amount of the tax applicable to the transaction,
 45 a resale certificate for property that the purchaser knows, at the time of purchase, is not

1 to be resold by the purchaser in the regular course of business.

2 **SECTION 34.** (1)(a) The Department of Revenue may authorize a purchaser of substantial
3 amounts of tangible personal property or services to pay the sales tax or use tax directly to
4 the department and to waive the collection of the tax by the seller.

5 (b) The department shall design and implement a direct pay permit program that com-
6 plies with the requirements of the Streamlined Sales and Use Tax Agreement.

7 (c) In order to make direct payments of the sales tax or use tax under paragraph (a) of
8 this subsection, a purchaser must obtain a direct pay permit from the department in the
9 time and manner prescribed by the department by rule.

10 (2)(a) The department may revoke a direct pay permit and the authority granted to a
11 purchaser under a direct pay permit for failure to comply with the conditions under which
12 the authority was granted or for any reason constituting misuse of the authority.

13 (b) The department shall adopt rules establishing an appeal process for revocations of
14 permits under this section.

15 (3)(a) As soon as practicable after the revocation of a direct pay permit, the purchaser
16 shall give written notice of the revocation to each seller with whom the purchaser has
17 transacted business using a direct pay permit, and shall supply the department with evidence
18 that the notice has been given.

19 (b) Notwithstanding section 137 of this 2013 Act, if the purchaser fails to notify a seller
20 of the revocation, the department may give notice of the revocation to the seller.

21 (4) Notwithstanding subsection (2) of this section, a direct pay permit may be revoked
22 only to the extent that revocation is allowable under the Streamlined Sales and Use Tax
23 Agreement.

24 **SECTION 35.** Except as otherwise provided by law or rule of the Department of Revenue,
25 a seller may not advertise, hold out or state to the public or to any customer, directly or
26 indirectly, that the sales tax or use tax on tangible personal property or services, in whole
27 or in part:

28 (1) Will be assumed or absorbed by the seller;

29 (2) Will not be added to the sales price of the property or services sold; or

30 (3) If added, will be refunded, in whole or in part.

37 registration or title requirements under ORS 803.030 or 803.305.

38 (B) "Vehicle" does not mean:

39 (i) A manufactured structure as defined in ORS 446.003.

40 (ii) A snowmobile as defined in ORS 801.490.

23 to be a part of the vessel when sold with the vessel.

24 **SECTION 37.** A person making a retail sale of a vehicle, vessel or aircraft is the seller
25 of the vehicle, vessel or aircraft for purposes of the Sales and Use Tax Law, regardless of
26 whether the person is a seller for purposes of any other provision of the Sales and Use Tax
27 Law, unless another person is the seller pursuant to section 38 of this 2013 Act.

28 **SECTION 38.** (1) A person holding a certificate as a vehicle dealer or a dismantler under
29 ORS chapter 822 is the seller of a vehicle when a retail sale of the vehicle is made through
30 the person and the person provides to the Department of Transportation a notice of transfer
31 with respect to the vehicle.

32 (2) A person that is a seller under this section shall register pursuant to section 19 of
33 this 2013 Act and remit tax to the Department of Revenue with respect to sales described in
34 subsection (1) of this section in the same manner as a vehicle dealer or dismantler making
35 sales on the dealer's or dismantler's own account.

36 (3) For purposes of this section, a sale does not include a lease transaction.

37 **SECTION 39.** (1)(a) Gross receipts from sales of vehicles required to be registered or ti-
38 tled by the Department of Transportation are exempt from the sales tax if the seller is other
39 than a person certified as a vehicle dealer or a dismantler under ORS chapter 822.

41 (A) Rentals payable under a lease of tangible personal property.

42 (B) Gross receipts from sales of boat trailers by persons in the business of selling boats
43 or boat trailers.

44 (2) Gross receipts from the sale of a vessel or aircraft are exempt from the sales tax if
45 the seller is other than a person required to register pursuant to section 19 of this 2013 Act

1 by reason of the number, scope and character of the sales by the person of vessels or air-
 2 craft.

3 **SECTION 40.** If a person is engaged in the business of selling vehicles, vessels or aircraft,
 4 the person is not excused from the requirements of section 19 of this 2013 Act, the collection
 5 and payment of sales tax or any other provision of the Sales and Use Tax Law by reason of
 6 the exemptions provided in section 39 of this 2013 Act.

7 **SECTION 41.** Gross receipts from the sale, and the storage, use or other consumption,
 8 in this state of a vehicle, vessel or aircraft are exempt from the sales tax and the use tax
 9 if:

10 (1) The person selling the property is either by blood, marriage or adoption the parent,
 11 grandparent, child or spouse of the purchaser and the person selling is not engaged in the
 12 business of selling the type of property for which the exemption is claimed.

13 (2) The property is included in any transfer that is an occasional sale as defined in sec-
 14 tion 9 (11)(b) of this 2013 Act.

15 **SECTION 42.** (1) Notwithstanding sections 120 and 121 of this 2013 Act, except when the
 16 sale is by lease, the use taxes imposed with respect to the storage, use or other consumption
 17 in this state of vehicles, vessels and aircraft are due and payable by the purchaser at the
 18 time the storage, use or other consumption of the property first becomes taxable.

19 (2) The use taxes described in subsection (1) of this section are payable when due to the
 20 Department of Revenue or, as applicable:

21 (a) In the case of a vehicle required to be titled or registered, to the Department of
 22 Transportation before a certificate of title or registration may be issued to the purchaser
 23 by the Department of Transportation.

24 (b) In the case of a vessel that is subject to certification of title, or to registration if no
 25 certificate of title is to be issued, by the State Marine Board pursuant to ORS 830.700 to
 26 830.870, to the Department of Revenue before the vessel may be certified or registered by the
 27 State Marine Board.

28 (c) In the case of aircraft subject to registration for the first time to the purchaser by
 29 the Oregon Department of Aviation pursuant to ORS 837.040 to 837.070, to the Department
 30 of Revenue before it may be registered by the Oregon Department of Aviation.

31 (3)(a) If the purchaser of a vehicle, vessel or aircraft described in subsection (2) of this
 32 section does not make application for registration or certification to the Department of
 33 Transportation, the Oregon Department of Aviation or the State Marine Board, as applicable,
 34 within 30 days after the date of purchase of the vehicle, vessel or aircraft, the purchaser is
 35 liable for a penalty as specified in section 122 (1) of this 2013 Act without interest.

36 (b) If the purchaser does not make application for certification or registration or does
 37 not pay the amount of use tax due within 90 days after the date of purchase, or files a return
 38 with the Department of Revenue that is not timely, the purchaser is liable for the penalties
 39 and interest as provided in section 122 of this 2013 Act, collectible by the Department of
 40 Revenue or the Department of Transportation in the same manner and subject to the same
 41 procedures as for other delinquent sales and use taxes.

42 (c) The Department of Transportation shall collect delinquent use taxes, penalties and
 43 interest as provided in this section and section 44 of this 2013 Act with respect to any de-
 44 linquent application for certification of title or registration of a vehicle.

45 (4) Application to the Department of Transportation for certification of title or registra-

1 tion of a vehicle accompanied by payment of the use tax by the purchaser relieves the pur-
 2 chaser of the obligation to file a separate return with the Department of Revenue under
 3 section 121 of this 2013 Act.

4 **SECTION 43.** There is a presumption that a transfer of a vehicle to a lessee by a lessor
 5 was a sale for resale if the lessee transfers title and registration to a third party within 10
 6 days from the date the lessee acquired title from the lessor at the expiration or termination
 7 of a lease. This presumption may be rebutted by evidence that the sale was not for resale
 8 prior to use.

9 **SECTION 44.** (1) Except when the sale is by lease, in the collection of the use tax on
 10 vehicles for which a certificate of title or registration is required, the Department of
 11 Transportation shall act as collecting agent.

12 (2) The Department of Transportation shall collect the use tax, and any penalty or in-
 13 terest due, at the time an applicant applies for the registration of, or certification or transfer
 14 of title to, the vehicle, unless:

15 (a) The applicant exhibits a seller's receipt showing that the sales tax has been collected
 16 by the seller;

17 (b) The application is for the renewal of registration;

18 (c) The applicant presents an exemption certificate provided by the Department of Re-
 19 venue pursuant to section 119 of this 2013 Act; or

20 (d) The applicant presents satisfactory evidence showing that the sales tax or the use tax
 21 has been paid on the vehicle in question.

22 (3)(a) Every applicant for registration or issuance or transfer of certificate of title who
 23 is subject to payment of the use tax shall declare the value of the vehicle for which applica-
 24 tion is made. The value of the vehicle is the purchase price.

25 (b) A person may not willfully misrepresent the value required to be declared under this
 26 subsection.

27 (4)(a) The moneys collected by the Department of Transportation under this section shall
 28 be deposited promptly in the suspense account created under ORS 802.100 (1).

29 (b) As much of the moneys collected as is necessary to pay the actual administrative
 30 expenses of the Department of Transportation in collecting the use tax under this section is
 31 continuously appropriated to the department.

32 (c) All moneys in excess of the administrative expenses retained by the Department of
 33 Transportation pursuant to paragraph (b) of this subsection shall be transferred monthly to
 34 the Sales and Use Tax Fund established under section 142 of this 2013 Act.

35 (d) At least once each month the Department of Transportation shall account to the
 36 Department of Revenue for all use tax moneys collected and administrative expenses re-
 37 tained under this section. The Department of Transportation shall turn over to the De-
 38 partment of Revenue all reports, applications and other information required by the
 39 Department of Revenue that have been obtained in the collection and administration of the
 40 use tax on vehicles.

41 (5) An applicant who has paid a use tax under this section may apply to the Department
 42 of Revenue for a refund within the time and in the manner provided under ORS 305.270 if the
 43 applicant has reason to believe the use tax was not due and owing.

44 (6) The provisions of this section are in addition to any other methods prescribed in the
 45 Sales and Use Tax Law for the collection of the use tax.

13 **SECTION 129. (1) If the Department of Revenue believes that any determination or col-**
 14 **lection of any sales or use tax or any amount of sales or use tax required to be collected and**
 15 **paid to the state will be jeopardized by delay, the department may make a determination of**
 16 **the tax or amount of tax required to be collected, noting that fact upon the determination.**

17 (2) **The amount determined under subsection (1) of this section is immediately due and**
 18 **payable, and the department may assess the tax, notify the person and proceed to collect the**
 19 **tax in the same manner and using the same procedures as for the collection of income taxes**
 20 **under ORS 314.440.**

21 **SECTION 130. ORS 314.430 is amended to read:**

22 314.430. (1) **If any tax imposed under ORS chapter 118, 316, 317 or 318 or the Sales and Use**
 23 **Tax Law or any portion of the tax is not paid within 30 days after the date that the written notice**
 24 **and demand for payment required under ORS 305.895 is mailed (or within five days after the tax**
 25 **becomes due, in the case of the termination of the tax year by the Department of Revenue under the**
 26 **provisions of ORS 314.440), or any amount payable by a transferee under ORS 311.695 is not paid**
 27 **as required under ORS 311.686, and no provision is made to secure the payment thereof by bond,**
 28 **deposit or otherwise, pursuant to regulations promulgated by the department, the department may**
 29 **issue a warrant for the payment of the amount of the tax or amount payable under ORS 311.695,**
 30 **with the added penalties, interest and any collection charge incurred. A copy of the warrant shall**
 31 **be mailed or delivered to the taxpayer or transferee by the department at the taxpayer's or**
 32 **transferee's last-known address.**

33 (2) **At any time after issuing a warrant under this section, the department may record the war-**
 34 **rant in the County Clerk Lien Record of any county of this state. Recording of the warrant has the**

 36 **for the county in which the warrant is recorded to levy upon and sell the real and personal property**
 37 **of the taxpayer or transferee found within that county, and to levy upon any currency of the tax-**
 38 **payer or transferee found within that county, for the application of the proceeds or currency against**
 39 **the amount reflected in the warrant and the sheriff's cost of executing the warrant. The sheriff shall**
 40 **proceed on the warrant in the same manner prescribed by law for executions issued against property**
 41 **pursuant to a judgment, and is entitled to the same fees as provided for executions issued against**
 42 **property pursuant to a judgment. The fees of the sheriff shall be added to and collected as a part**
 43 **of the warrant liability.**

44 (3) **In the discretion of the department a warrant under this section may be directed to any**
 45 **agent authorized by the department to collect taxes, and in the execution of the warrant the agent**

1 has all of the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in
 2 excess of actual expenses paid in the performance of such duty.

3 (4) Until a warrant issued under this section is satisfied in full, the department has the same
 4 remedies to enforce the claim for taxes against the taxpayer or for amounts payable by the
 5 transferee as if the state had recovered judgment against the taxpayer for the amount of the tax or
 6 against the transferee for the amount payable under ORS 311.695.

7 (5) **As used in this section, “taxpayer” includes any person required under the Sales and
 8 Use Tax Law to remit taxes to the department.**

9 **SECTION 131. (1) The Director of the Department of Revenue may enter into a sales tax
 10 and use tax refund agreement with the governing body of any Indian reservation in Oregon.**

11 (2) **An agreement entered into under this section may provide for a mutually agreed upon
 12 amount as a refund to the governing body of any sales tax or use tax collected in connection

 19 Sales and Use Tax Law to deposit with the department a security in an amount the depart-
 20 ment considers necessary to ensure the person’s compliance with the Sales and Use Tax
 21 Law.**

22 (2) **Notwithstanding subsection (1) of this section, the amount of the security may not
 23 be greater than twice the estimated tax liability of the person for the reporting period.**

24 (3) **The amount of the security may be increased or decreased as the department con-
 25 siders necessary, subject to the limitations provided under this section.**

26

 33 Sales and Use Tax Agreement.**

34 **SECTION 134. Every seller, every person required to register under section 19 of this

8 (4)(a) If a person fails to comply with a subpoena or order of the department or to

15 (b) The application to the court under this subsection shall be by ex parte motion, upon
 16 which the court shall make an order requiring the person against whom it is directed to

22 CONFORMING CHANGES

23
24 **SECTION 145.** ORS 305.130 is amended to read:

25 305.130. (1) The Department of Revenue may be made a party in any action in any court of this
26 state or of the United States having jurisdiction of the subject matter to quiet title to, to remove
27 a cloud from the title to, or for the foreclosure of a mortgage or other lien upon, any real property
28 or personal property, or both, upon which the State of Oregon has or claims to have a lien under
29 ORS 311.673, 311.679, 311.771, 314.430 or 321.570 or ORS chapter 323 **or the Sales and Use Tax**
30 **Law**, and the judgment in *[such]* **the** action shall be conclusive and binding upon the State of
31 Oregon and *[such]* **the** department.

32 (2) The complaint in *[such]* **the** action shall set forth with particularity the nature of *[any*
33 *such]* **the** lien had or claimed by the State of Oregon. The summons in *[such]* **the** action, together
34 with a copy of the complaint *[therein]*, shall be served on *[such]* **the** department in the manner pre-
35 scribed by ORCP 7 D(3)(h), and *[such]* **the** summons shall require *[such]* **the** department to appear
36 and answer the complaint within 60 days from the date of *[such]* service.

37 **SECTION 146.** ORS 305.265 is amended to read:

38 305.265. (1) Except as provided in ORS 305.305, the provisions of this section apply to all reports
39 or returns of tax or tax liability including claims under ORS 310.630 to 310.706 **and the Sales and**
40 **Use Tax Law**, filed with the Department of Revenue under the revenue and tax laws administered
41 by it, except those filed under ORS 320.005 to 320.150.

42 (2) As soon as practicable after a report or return is filed, the department shall examine or audit
43 it, if required by law or the department deems such examination or audit practicable. If the de-
44 partment discovers from an examination or an audit of a report or return or otherwise that a defi-
45 ciency exists, it shall compute the tax and give notice to the person filing the return of the

1 deficiency and of the department's intention to assess the deficiency, plus interest and any appro-
2 priate penalty. Except as provided in subsection (3) of this section, the notice shall:

3 (a) State the reason for each adjustment;

4 (b) Give a reference to the statute, regulation or department ruling upon which the adjustment
5 is based; and

6 (c) Be certified by the department that the adjustments are made in good faith and not for the
7 purpose of extending the period of assessment.

8 (3) When the notice of deficiency described in subsection (2) of this section results from the
9 correction of a mathematical or clerical error and states what would have been the correct tax but
10 for the mathematical or clerical error, such notice need state only the reason for each adjustment
11 to the report or return.

12 (4) With respect to any tax return filed under ORS chapter 314, 316, 317 or 318, deficiencies
13 shall include but not be limited to the assertion of additional tax arising from:

14 (a) The failure to report properly items or amounts of income subject to or which are the
15 measure of the tax;

16 (b) The deduction of items or amounts not permitted by law;

17 (c) Mathematical errors in the return or the amount of tax shown due in the records of the de-
18 partment; or

19 (d) Improper credits or offsets against the tax claimed in the return.

20 (5)(a) The notice of deficiency shall be accompanied by a statement explaining the person's right
21 to make written objections, the person's right to request a conference and the procedure for re-
22 questing a conference. The statement, and an accompanying form, shall also explain that conference
23 determinations are routinely transmitted via regular mail and that a person desiring to have con-
24 ference determinations transmitted by certified mail may do so by indicating on the form the
25 person's preference for certified mail and by returning the form with the person's written objections
26 as described in paragraph (b) of this subsection.

27 (b) Within 30 days from the date of the notice of deficiency, the person given notice shall pay
28 the deficiency with interest computed to the date of payment and any penalty proposed. Or within
29 that time the person shall advise the department in writing of objections to the deficiency, and may
30 request a conference with the department, which shall be held prior to the expiration of the one-year
31 period set forth in subsection (7) of this section.

32 (6) If a request for a conference is made, the department shall notify the person of a time and
33 place for conference and appoint a conference officer to meet with the person for an informal dis-
34 cussion of the matter. After the conference, the conference officer shall send the determination of
35 the issues to the person. The determination letter shall be sent by regular mail, or by certified mail
36 if the person given notice has indicated a preference for transmission of the determination by cer-
37 tified mail. The department shall assess any deficiency in the manner set forth in subsection (7) of
38 this section. If no conference is requested and written objections are received, the department shall
39 make a determination of the issues considering such objections, and shall assess any deficiency in
40 the manner provided in subsection (7) of this section. The failure to request or have a conference
41 shall not affect the rights of appeal otherwise provided by law.

42 (7) If neither payment nor written objection to the deficiency is received by the department
43 within 30 days after the notice of deficiency has been mailed, the department shall assess the defi-
44 ciency, plus interest and penalties, if any, and shall send the person a notice of assessment, stating
45 the amount so assessed, and interest and penalties. The notice of assessment shall be mailed within

1 one year from the date of the notice of deficiency unless an extension of time is agreed upon as
2 described in subsection (8) of this section. The notice shall advise the person of the rights of appeal.

3 (8) If, prior to the expiration of any period of time prescribed in subsection (7) of this section
4 for giving of notice of assessment, the department and the person consent in writing to the defi-
5 ciency being assessed after the expiration of such prescribed period, such deficiency may be assessed
6 at any time prior to the expiration of the period agreed upon. The period so agreed upon may be
7 extended by subsequent agreements in writing made before the expiration of the period agreed upon.

8 (9) The failure to hold a requested conference within the one-year period prescribed in sub-
9 section (5) of this section shall not invalidate any assessment of deficiency made within the one-year
10 period pursuant to subsection (7) of this section or within any extension of time made pursuant to
11 subsection (8) of this section, but shall invalidate any assessment of interest or penalties attributable
12 to the deficiency. After an assessment has been made, the department and the person assessed may
13 still hold a conference within 90 days from the date of assessment. If a conference is held, the 90-day
14 period under ORS 305.280 (2) shall run from the date of the conference officer's written determi-
15 nation of the issues.

16 (10)(a) In the case of a failure to file a report or return on the date prescribed therefor (deter-
17 mined with regard to any extension for filing), the department shall determine the tax according to
18 the best of its information and belief, assess the tax plus appropriate penalty and interest, and give
19 written notice of the failure to file the report or return and of the determination and assessment to
20 the person required to make the filing. The amount of tax shall be reduced by the amount of any
21 part of the tax which is paid on or before the date prescribed for payment of the tax and by the
22 amount of any credit against the tax which may be lawfully claimed upon the return.

23 (b) Notwithstanding subsection (14) of this section and ORS 305.280, and only to the extent al-
24 lowed by rules adopted by the department, the department may accept the filing of a report or re-
25 turn submitted by a person who has been assessed a tax under paragraph (a) of this subsection.

26 (c) The department may reject a report or return:

27 (A) That is not verified as required by ORS 305.810;

28 (B) That the department determines is not true and correct as to every material matter as re-
29 quired by ORS 305.815; or

30 (C) If the department may impose a penalty under ORS 316.992 (1) with respect to the report
31 or return.

32 (d) If the department rejects a report or return of a person assessed a tax under paragraph (a)
33 of this subsection, the department shall issue a notice of rejection to the person. The person may
34 appeal the rejection to the magistrate division of the Oregon Tax Court only if:

35 (A) The report or return was filed within 90 days of the date the department's assessment under
36 paragraph (a) of this subsection was issued; and

37 (B) The appeal is filed within 90 days of the date shown on the notice of rejection.

38 (e) If the person assessed under paragraph (a) of this subsection submits a report or return to
39 the department and appeals the assessment to the tax court, the department may request a stay of
40 action from the court pending review of the report or return. If the department:

41 (A) Accepts the filing of the report or return, the appeal shall be dismissed as moot.

42 (B) Rejects the report or return, the stay of action on the appeal shall be lifted.

43 (f) If the department accepts the filing of a report or return, the department may reduce the
44 assessment issued under paragraph (a) of this subsection. A report or return filed under this sub-
45 section that is accepted by the department, whether or not the assessment has been reduced, shall

1 be considered a report or return described in subsection (1) of this section and shall be subject to
2 the provisions of this section, including but not limited to examination and adjustment pursuant to
3 subsection (2) of this section.

4 (g) The department may refund payments made with respect to a report or return filed and ac-
5 cepted pursuant to this subsection. If the report or return is filed within three years of the due date
6 for filing the report or return, excluding extensions, the refund shall be made as provided by ORS
7 305.270 and 314.415. If the report or return is not filed within three years of the due date for filing
8 the report or return, excluding extensions, the refund shall be limited to payments received within
9 the two-year period ending on the date the report or return is received by the department and
10 payments received after the date the report or return is received by the department. Interest shall
11 be paid at the rate established under ORS 305.220 for each month or fraction of a month from the
12 date the report or return is received by the department to the time the refund is made.

13 (11) Mailing of notice to the person at the person's last-known address shall constitute the giv-
14 ing of notice as prescribed in this section.

15 (12) If a return is filed with the department accompanied by payment of less than the amount
16 of tax shown on or from the information on the return as due, the difference between the tax and
17 the amount submitted is considered as assessed on the due date of the report or return (determined
18 with regard to any extension of time granted for the filing of the return) or the date the report or
19 return is filed, whichever is later. For purposes of this subsection, the amount of tax shown on or
20 from the information on the return as due shall be reduced by the amount of any part of the tax that
21 is paid on or before the due date prescribed for payment of the tax, and by any credits against the
22 tax that are claimed on the return. If the amount required to be shown as tax on a return is less
23 than the amount shown as tax on the return, this subsection shall be applied by substituting the
24 lesser amount.

25 (13) Every deficiency shall bear interest at the rate established under ORS 305.220 for each
26 month or fraction of a month computed from the due date of the return to date of payment. If the
27 return was falsely prepared and filed with intent to evade the tax, a penalty equal to 100 percent
28 of the deficiency shall be assessed and collected. All payments received shall be credited first to
29 penalty, then to interest accrued, and then to tax due.

30 (14) If the deficiency is paid in full before a notice of assessment is issued, the department is
31 not required to send a notice of assessment, and the tax shall be considered as assessed as of the
32 date which is 30 days from the date of the notice of deficiency or the date the deficiency is paid,
33 whichever is the later. A partial payment of the deficiency shall constitute only a credit to the ac-
34 count of the person assessed. Assessments and billings of taxes shall be final after the expiration
35 of the appeal period specified in ORS 305.280, except to the extent that an appeal is allowed under
36 ORS 305.280 (3) following payment of the tax.

37 (15) Appeal may be taken to the tax court from any notice of assessment. The provisions of this
38 chapter with respect to appeals to the tax court apply to any deficiency, penalty or interest as-
39 sessed.

40 **SECTION 147.** ORS 305.270 is amended to read:

41 305.270. (1) If the amount of the tax shown as due on a report or return originally filed with the
42 Department of Revenue with respect to a tax imposed under ORS chapter 118, 308, 308A, 310, 314,
43 316, 317, 318 or 321 **or the Sales and Use Tax Law**, or collected pursuant to ORS 305.620, or as
44 corrected by the department, is less than the amount theretofore paid, or if a person files a claim
45 for refund of any tax paid to the department under such laws within the period specified in sub-

1 section (2) of this section, any excess tax paid shall be refunded by the department with interest as
2 provided in this section and ORS 314.415.

3 (2) The claim shall be made on a form prescribed by the department, except that an amended
4 report or return showing a refund due and filed within the time allowed by this subsection for the
5 filing of a claim for refund, shall constitute a claim for refund. The claim shall be filed within the
6 period specified in ORS 314.415 (2) for taxes imposed under ORS chapters 310, 314, 316, 317 [*and*]
7 **or 318 or the Sales and Use Tax Law**, or collected pursuant to ORS 305.620, [(except where any
8 applicable ordinance specifies another period)], within the period specified in ORS 118.100 (2) for
9 taxes imposed under ORS chapter 118 and within two years of the payment of any tax under ORS
10 chapter 308, 308A or 321.

11 (3) Upon receipt of a claim for refund, or original report or return claiming a refund, the de-
12 partment shall either refund the amount requested or send to the claimant a notice of any proposed
13 adjustment to the refund claim, stating the basis upon which the adjustment is made. A proposed
14 adjustment may either increase or decrease the amount of the refund claim or result in the finding
15 of a deficiency. If the proposed adjustment results in a determination by the department that some
16 amount is refundable, the department may send the claimant the adjusted amount with the notice.

17 (4)(a) The notice of proposed adjustment shall be accompanied by a statement explaining the
18 claimant's right to make written objections to the refund adjustment, the claimant's right to request
19 a conference and the procedure for requesting a conference. The statement, and an accompanying
20 form, shall also explain that conference determinations are routinely transmitted via regular mail
21 and that a claimant desiring to have conference determinations transmitted by certified mail may
22 do so by indicating on the form the claimant's preference for certified mail and by returning the
23 form with the claimant's written objections as described in paragraph (b) of this subsection.

24 (b) The claimant may, within 30 days of the date of the notice of proposed adjustment, advise
25 the department in writing of objections to the refund adjustment and may request a conference with
26 the department, which shall be held within one year of the date of the notice. The department shall
27 notify the claimant of a time and place for the conference, and appoint a conference officer to meet
28 with the claimant for an informal discussion of the claim. After the conference, the conference offi-
29 cer shall send a determination of the matter to the claimant. The determination letter shall be sent
30 by regular mail, or by certified mail if the claimant has indicated a preference for transmission of
31 the determination by certified mail. The department shall issue either a notice of refund denial or
32 payment of any amount found to be refundable, together with any applicable interest provided by
33 this section. If the conference officer determines that a deficiency exists, the department shall issue
34 a notice of assessment.

35 (5) If no conference is requested, and the adjustments have not resulted in the finding of a de-
36 ficiency, the following shall apply:

37 (a) If written objections have been made by the claimant, the department shall consider the ob-
38 jections, determine any issues raised and send the claimant a notice of refund denial or payment of
39 any amount found to be refundable, together with any interest provided by this section.

40 (b) If no written objections are made, the notice of any proposed adjustment shall be final after
41 the period for requesting a conference or filing written objections has expired.

42 (6) If no conference is requested, and the notice of proposed adjustment has asserted a defi-
43 ciency, the department shall consider any objections made by the person denied the refund, make
44 a determination of any issues raised, pay any refunds found due, with applicable interest, or assess
45 any deficiency and mail a notice [*thereof*] **setting forth the department's determination, includ-**

1 **ing a refund or deficiency**, within one year from the date of the notice of **proposed adjustment**
 2 **assessing the** deficiency, unless an extension of time is agreed upon as described in subsection (7)
 3 of this section.

4 (7) If, prior to the expiration of any period of time prescribed in subsection (6) of this section
 5 for giving of notice of assessment, the department and the person consent in writing to the defi-
 6 ciency being assessed after the expiration of *[such]* **the** prescribed period, *[such]* **the** deficiency may
 7 be assessed at any time prior to the expiration of the period agreed upon. The period *[so]* agreed
 8 upon may be extended by subsequent agreements in writing made before the expiration of the period
 9 agreed upon.

10 (8) If the department refunds the amount requested as provided in subsection (3) of this section,
 11 without examination or audit of the refund claim, the department shall give notice of this **deter-**
 12 **mination** to the claimant at the time of making the refund. Thereafter, the department shall have
 13 one year in which to examine or audit the refund claim, and send the notice of proposed adjustment
 14 provided for in subsection (3) of this section, in addition to any time permitted in ORS 314.410 or
 15 314.415.

16 (9) The failure to hold a requested conference within the one-year period prescribed in sub-
 17 section (4) of this section shall not invalidate any assessment of deficiency made within the one-year
 18 period pursuant to subsection (8) of this section or within any extension of time made pursuant to
 19 subsection (7) of this section, but shall invalidate any assessment of interest or penalties attributable
 20 to the deficiency. After an assessment has been made, the department and the person assessed may
 21 still hold a conference within 90 days from the date of assessment. If a conference is held, the 90-day
 22 period under ORS 305.280 (2) shall run from the date of the conference officer's written determi-
 23 nation of the issues.

24 (10) The claimant may appeal any notice of proposed adjustment, refund denial or notice of as-
 25 sessment in the manner provided in ORS 305.404 to 305.560. The failure to file written objections
 26 or to request or have a conference shall not affect the **claimant's** rights of appeal *[so provided]*
 27 **under this subsection**. All notices and determinations shall set forth rights of appeal.

28 **SECTION 148.** ORS 305.280 is amended to read:

29 305.280. (1) Except as otherwise provided in this section, an appeal under ORS 305.275 (1) or (2)
 30 shall be filed within 90 days after the act, omission, order or determination becomes actually known
 31 to the person, but in no event later than one year after the act or omission has occurred, or the
 32 order or determination has been made. An appeal under ORS 308.505 to 308.665 shall be filed within
 33 90 days after the date the order is issued under ORS 308.584 (3). An appeal from a supervisory order
 34 or other order or determination of the Department of Revenue shall be filed within 90 days after the
 35 date a copy of the order or determination or notice of the order or determination has been served
 36 upon the appealing party by mail as provided in ORS 306.805.

37 (2) An appeal under ORS 323.416 or 323.623 or from any notice of assessment or refund denial
 38 issued by the Department of Revenue with respect to a tax imposed under ORS chapter 118, 308,
 39 308A, 310, 314, 316, 317, 318, 321 or this chapter **or the Sales and Use Tax Law**, or collected pur-
 40 suant to ORS 305.620, shall be filed within 90 days after the date of the notice. An appeal from a
 41 proposed adjustment under ORS 305.270 shall be filed within 90 days after the date the notice of
 42 adjustment is final.

43 (3) Notwithstanding subsection (2) of this section, an appeal from a notice of assessment of taxes
 44 imposed under ORS chapter 314, 316, 317 or 318 may be filed within two years after the date the
 45 amount of tax, as shown on the notice and including appropriate penalties and interest, is paid.

1 (4) Except as provided in subsection (2) of this section or as specifically provided in ORS chapter
2 321, an appeal to the tax court under ORS chapter 321 or from an order of a county board of
3 property tax appeals shall be filed within 30 days after the date of the notice of the determination
4 made by the department or date of mailing of the order, date of publication of notice of the order,
5 date the order is personally delivered to the taxpayer or date of mailing of the notice of the order
6 to the taxpayer, whichever is applicable.

7 (5) If the tax court denies an appeal made pursuant to this section on the grounds that it does
8 not meet the requirements of this section or ORS 305.275 or 305.560, the tax court shall issue a
9 written decision rejecting the petition and shall set forth in the decision the reasons the tax court
10 considered the appeal to be defective.

11 **SECTION 149.** ORS 305.565 is amended to read:

12 305.565. (1) Except as provided in subsection (2) of this section, proceedings for the collection
13 of any taxes, interest or penalties resulting from an assessment of additional taxes imposed by ORS
14 chapter 118, 310, 314, 316, 317, 318, 321 or this chapter **or the Sales and Use Tax Law** shall be
15 stayed by the taking or pendency of any appeal to the tax court.

16 (2) Notwithstanding subsection (1) of this section, the Department of Revenue may proceed to
17 collect any taxes, interest or penalties described in subsection (1) of this section if the department
18 determines that collection will be jeopardized if collection is delayed or that the taxpayer has taken
19 a frivolous position in the appeal. For purposes of this subsection:

20 (a) Collection of taxes, interest or penalties will be jeopardized if the taxpayer designs quickly
21 to depart from the state or to remove the taxpayer's property from the state, or to do any other act
22 tending to prejudice or to render wholly or partially ineffectual proceedings to collect the tax.

23 (b) A taxpayer's position in an appeal is frivolous if that position is of the kind described in ORS
24 316.992 (5).

25 (3) No proceeding for the apportionment, levy or collection of taxes on any property shall be
26 stayed by the taking or pendency of any appeal to the tax court, or from an order of the county
27 board of property tax appeals or the Oregon Tax Court, unless the assessor or tax collector either
28 as a party to the suit or an intervenor, requests a stay and it appears to the satisfaction of the court
29 that a substantial public interest requires the issuance of a stay.

30 (4) The tax court may, as a condition of a stay, require the posting of a bond sufficient to
31 guarantee payment of the tax. Payment of taxes while appeal is pending shall not operate as a
32 waiver of the appeal or of a right to refund of taxes found to be excessively charged or assessed.

33 **SECTION 150.** ORS 305.850 is amended to read:

34 305.850. (1) Notwithstanding any provision to the contrary in ORS 9.320 and 305.610, the Direc-
35 tor of the Department of Revenue may engage the services of a collection agency to collect any
36 taxes, interest and penalties resulting from an assessment of taxes or additional taxes imposed by
37 ORS chapter 118, 310, 314, 316, 317, 318, 321 or 323 or ORS 320.005 to 320.150 **or the Sales and**
38 **Use Tax Law** and any other tax laws administered by the Department of Revenue. The director may
39 engage the services of a collection agency by entering into an agreement to pay reasonable charges
40 on a contingent fee or other basis.

41 (2) The director shall cause to be collected, in the same manner as provided in subsection (1)
42 of this section, assessments, taxes and penalties due under ORS chapter 656. All amounts collected
43 pursuant to this subsection shall be credited as provided in ORS 293.250.

44 (3) The director may assign to the collection agency, for collection purposes only, any of the
45 taxes, penalties, interest and moneys due the state.

1 (4) The collection agency may bring such action or take such proceedings, including but not
 2 limited to attachment and garnishment proceedings, as may be necessary.

3 **SECTION 151.** ORS 305.895 is amended to read:

4 305.895. (1) Except as provided in ORS 314.440 or other jeopardy assessment procedure, the
 5 Department of Revenue shall take no action against a taxpayer's or transferee's real or personal
 6 property before issuing a warrant for the collection of tax or an amount payable by a transferee
 7 under ORS 311.695 as provided in ORS 314.430, 320.080, 321.570, 323.390, 323.610 and 324.190.

8 (2) At least 30 days before issuing a warrant for collection of any tax collected by the depart-
 9 ment or any amount payable under ORS 311.695, the department shall send the taxpayer or
 10 transferee a written notice and demand for payment. The notice shall:

11 (a) Be sent by mail, addressed to the taxpayer or transferee at the taxpayer's or transferee's
 12 last-known address.

13 (b) Inform the taxpayer or transferee that, even if the taxpayer or transferee is compliant with
 14 an installment agreement between the taxpayer or transferee and the department and is in commu-
 15 nication with the department, if the tax or any portion of the tax or the amount payable under ORS
 16 311.695 is not paid within 30 days after the date of the notice and demand for payment, a warrant
 17 may be issued and recorded as provided in ORS 314.430, 320.080, 321.570, 323.390, 323.610 and
 18 324.190.

19 (c) Describe in clear nontechnical terms the legal authority for the warrant.

20 (d) Contain the name, office mailing address and office telephone number of the person issuing
 21 the warrant and advise the taxpayer or transferee that questions or complaints concerning the
 22 warrant, other than liability for the underlying tax or amount payable under ORS 311.695, may be
 23 directed to that person.

24 (e) Include alternatives available to the taxpayer or transferee that would prevent issuance of
 25 the warrant.

26 (f) Inform the taxpayer or transferee of possible consequences to the taxpayer or transferee of
 27 noncompliance, and of issuance of a warrant, including garnishment of wages or bank accounts and
 28 seizure and sale of real or personal property.

29 **(3) As used in this section, "taxpayer" includes any person required under the Sales and**
 30 **Use Tax Law to remit taxes to the Department of Revenue.**

31 **SECTION 152.** ORS 731.840 is amended to read:

32 731.840. (1) The retaliatory tax imposed upon a foreign or alien insurer under ORS 731.854 and
 33 731.859, or the corporate excise tax imposed upon a foreign or alien insurer under ORS chapter 317,
 34 is in lieu of all other state taxes upon premiums, taxes upon income, franchise or other taxes
 35 measured by income that might otherwise be imposed upon the foreign or alien insurer except the
 36 fire insurance premiums tax imposed under ORS 731.820, the tax imposed upon wet marine and
 37 transportation insurers under ORS 731.824 and 731.828, and the assessment imposed under ORS
 38 743.961. However, all real and personal property, if any, of the insurer shall be listed, assessed and
 39 taxed the same as real and personal property of like character of noninsurers. Nothing in this sub-
 40 section shall be construed to preclude the imposition of the assessments imposed under ORS 656.612
 41 upon a foreign or alien insurer.

42 (2) Subsection (1) of this section applies to a reciprocal insurer and its attorney in its capacity
 43 as such.

44 (3) Subsection (1) of this section applies to foreign or alien title insurers and to foreign or alien
 45 wet marine and transportation insurers issuing policies and subject to taxes referred to in ORS

1 731.824 and 731.828.

2 (4) The State of Oregon hereby preempts the field of regulating or of imposing excise, privilege,
 3 franchise, income, license, permit, registration, and similar taxes, licenses and fees upon insurers
 4 and their insurance producers and other representatives as such, and:

5 (a) No county, city, district, or other political subdivision or agency in this state shall so regu-
 6 late, or shall levy upon insurers, or upon their insurance producers and representatives as such, any
 7 such tax, license or fee; except that whenever a county, city, district or other political subdivision
 8 levies or imposes generally on a nondiscriminatory basis throughout the jurisdiction of the taxing
 9 authority a payroll, excise or income tax, as otherwise provided by law, such tax may be levied or
 10 imposed upon domestic insurers; and

11 (b) No county, city, district, political subdivision or agency in this state shall require of any
 12 insurer, insurance producer or representative, duly authorized or licensed as such under the Insur-
 13 ance Code, any additional authorization, license, or permit of any kind for conducting therein
 14 transactions otherwise lawful under the authority or license granted under this code.

15 **(5)(a) The gross amount of premiums, as defined in ORS 731.808, received by a foreign,**
 16 **alien or domestic insurer or health or legal care service contractor is not subject to the**
 17 **taxes imposed under the Sales and Use Tax Law.**

18 **(b) Notwithstanding paragraph (a) of this subsection, an insurer or health or legal care**
 19 **service contractor is not exempt from liability for taxes imposed under the Sales and Use**
 20 **Tax Law with respect to retail sales or purchases of tangible personal property by the**
 21 **insurer or health or legal care service contractor.**

22 **SECTION 153.** ORS 801.040 is amended to read:

23 801.040. This section describes circumstances where special provisions are made concerning the
 24 authority of cities, counties or other political subdivisions in relation to some portion of the vehicle
 25 code. This section is not the only section of the vehicle code that applies to such authority and shall
 26 not be interpreted to affect the vehicle code except as specifically provided in this section. The
 27 following limits are partial or complete as described:

28 (1) No county, municipal or other local body with authority to adopt and administer local police
 29 regulations under the Constitution and laws of this state shall enact or enforce any rule or regu-
 30 lation in conflict with the provisions of the vehicle code described in this subsection except as spe-
 31 cifically authorized in the vehicle code. This subsection applies to the provisions of the vehicle code
 32 relating to abandoned vehicles, vehicle equipment, regulation of vehicle size, weight and load, the
 33 manner of operation of vehicles and use of roads by persons, animals and vehicles.

34 (2) Except as provided in ORS 822.230 and this subsection, no city, county or other political
 35 subdivisions shall regulate or require or issue any registration, licenses, permits or surety bonds or
 36 charge any fee for the regulatory or surety registration of any person required to obtain a certif-
 37 icate from the Department of Transportation under ORS 822.205. This subsection does not:

38 (a) Limit any authority of a city or county to license and collect a general and
 39 nondiscriminatory license fee levied upon all businesses or to levy a tax based upon business con-
 40 ducted by any person within the city or county.

41 (b) Limit the authority of any city or county to impose any requirements or conditions as part
 42 of any contract to perform towing or recovering services for the city or county.

43 (c) Limit the authority of any city or county to impose requirements and conditions that govern
 44 the towing of a vehicle by a towing business under ORS 98.812 so long as those requirements and
 45 conditions are consistent with the provisions of ORS 822.230.

1 (3) No city, county or other political subdivision of this state, nor any state agency, may adopt
2 a regulation or ordinance that imposes a special fee for the use of public lands or waters by
3 snowmobiles or Class I all-terrain vehicles, or for the use of any access thereto that is owned by
4 or under the jurisdiction of either the United States, this state or any such city, county or other
5 political subdivision. The registration fees provided by ORS 821.320 are in lieu of any personal
6 property [*or excise*] tax imposed on snowmobiles by this state or any political subdivision. No city,
7 county or other municipality, and no state agency shall impose any other registration or license fee
8 on any snowmobile in this state. This subsection does not prohibit any city, county or other political
9 subdivision, or any state agency from regulating the operation of snowmobiles or Class I all-terrain
10 vehicles on public lands, waters and other properties under its jurisdiction and on streets or high-
11 ways within its boundaries by adopting regulations or ordinances of its governing body if such reg-
12 ulations are not inconsistent with ORS 821.150 to 821.292.

13 (4) The provisions of ORS 819.110 to 819.215 relating to towing of vehicles that are abandoned
14 establish minimum requirements subject to the following:

15 (a) Notwithstanding paragraph (b) of this subsection, a county or incorporated city may super-
16 sede such provisions by ordinance or charter provision.

17 (b) Any road authority described under ORS 810.010 may adopt rules or procedures that do not
18 conflict with such provisions to provide for additional protection for the owner or person with an
19 interest in a vehicle subject to such provisions or that more quickly accomplish the procedures es-
20 tablished under such provisions.

21 (5) Any incorporated city may by ordinance require that the driver of a vehicle involved in an
22 accident file with a designated city department a copy of any report required to be filed under ORS
23 811.725. All such reports shall be for the confidential use of the city department but subject to the
24 same requirements for release of such reports as provided for the release of such reports by the
25 department under ORS 802.220 and 802.240.

26 (6) Except as otherwise specifically provided in this section, in accordance with the provisions
27 of ORS 801.041, the governing body of a county may establish by ordinance registration fees for
28 vehicles registered at a residence or business address within the county.

29 (7) Except as otherwise specifically provided in this section, in accordance with the provisions
30 of ORS 801.042, the governing body of a district may establish by ordinance registration fees for
31 vehicles registered at a residence or business address within the district.

32 **SECTION 154.** ORS 802.110 is amended to read:

33 802.110. Any procedures the Department of Transportation establishes for financial adminis-
34 tration of those functions of the department dealing with driver and motor vehicle services and for
35 the disposition and payment of moneys it receives from the provision of driver and motor vehicle
36 services shall comply with all of the following:

37 (1) The department shall deposit all moneys it receives related to driver and motor vehicle ser-
38 vices in the Department of Transportation Driver and Motor Vehicle Suspense Account for approved
39 expenses and disbursements before payment of general administrative expenses of the department related

36 **SECTION 174.** Sections 175 and 176 of this 2013 Act are added to and made a part of ORS
 37 **chapter 311.**

38 **SECTION 175.** (1) Whenever the county assessor discovers, receives credible information
 39 or has reason to believe that property located in the county that was allowed an exemption
 40 under section 173 of this 2013 Act was not the taxpayer's homestead for any property tax
 41 years not exceeding five years prior to the last certified roll, the assessor shall give notice
 42 as provided in subsection (2) of this section. If the tax collector discovers, receives credible
 43 information or has reason to believe that property allowed an exemption under section 173
 44 of this 2013 Act was not the taxpayer's homestead, the tax collector shall immediately bring
 45 this to the attention of the assessor by written notice.

1 (2)(a) In the circumstances described in subsection (1) of this section, the assessor shall
 2 give notice to the taxpayer for the property that the property:

3 (A) Is not eligible for the exemption under section 173 of this 2013 Act; and

4 (B) Shall be assessed for the value of the exemption for the number of prior property tax
 5 years determined under subsection (1) of this section, plus interest under section 176 (3) of
 6 this 2013 Act, if any.

7 (b) The notice required under this subsection shall:

8 (A) Be in writing;

9 (B) Be mailed to the address of the property; and

10 (C) Require the taxpayer to appear at a specified time, not less than 20 days after mailing
 11 the notice, and to show cause, if any, why the property should be taxed as the taxpayer's
 12 homestead.

13 (3)(a) If the taxpayer notified pursuant to subsection (2) of this section does not appear
 14 or fails to show cause why the property should be taxed as the taxpayer's homestead, the
 15 assessor shall proceed to correct the assessment or tax rolls on which the property was
 16 listed as the taxpayer's homestead.

17 (b) The assessor shall extend on the tax rolls the difference in the amount of property
 18 taxes that should have been imposed on the property and the amount of property taxes ac-
 19 tually imposed on the property for each year the property was taxed as the taxpayer's
 20 homestead.

21 (c) To carry out the correction of the tax rolls, the assessor shall send a written state-
 22 ment to the tax collector instructing the tax collector to make the necessary changes on the
 23 tax rolls. The statement shall contain all information needed by the tax collector to make
 24 the changes in the tax rolls and shall be dated and signed by the assessor or the deputy of
 25 the assessor. As soon as practicable after receipt of the statement, the tax collector shall
 26 then correct the tax rolls.

27 (4) Immediately after the assessor corrects the assessment or tax rolls, the assessor
 28 shall file in the office of the assessor a statement of the facts or evidence on which the
 29 assessor based the correction and notify the taxpayer by written notice, sent by first class
 30 mail to the taxpayer's last-known address, of:

31 (a) The date and amount of the correction, including interest under section 176 (3) of this
 32 2013 Act, if any;

33 (b) An explanation of the collection procedures applicable to the correction; and

34 (c) An explanation of the taxpayer's right to appeal under subsection (6) of this section
 35 and the procedures for making the appeal.

36 (5) To enable the assessor to comply with this section, the assessor is invested with all
 37 the powers of the county clerk under the law in force during the years for which correction
 38 may be made under this section and thereafter.

39 (6) A taxpayer aggrieved by an assessment made under this section may appeal to the
 40 tax court in the manner provided under ORS 305.280 and 305.560.

41 (7) Taxes imposed under this section shall be deemed imposed in the property tax years
 42 for which the property was improperly taxed as the taxpayer's homestead. A correction of
 43 the tax roll in the year in which it is discovered that the property was improperly taxed as
 44 the taxpayer's homestead shall not be considered in making the determination of the amount
 45 of tax imposed in calculating the tax limitations under Article XI, section 11b, of the Oregon

1 **Constitution, in that year.**

2 **SECTION 176. (1) Additional taxes imposed under section 175 of this 2013 Act shall be**
 3 **added to the tax extended against the property on the general property tax roll for the tax**

 5 **other ad valorem property taxes imposed on the property.**

6 **(2) Notwithstanding ORS 311.226, for purposes of collection and enforcement, the addi-**
 7 **tional taxes added to the roll under this section shall be considered delinquent as of the date**

 9 **linquent.**

10 **(3) When it appears to the satisfaction of the assessor that the taxation of the property**
 11 **as the taxpayer’s homestead was due to a willful attempt by the taxpayer to evade the pay-**
 12 **ment of taxes on the property, the assessor shall advise the tax collector and interest at the**
 13 **rate provided in ORS 311.505 (2) shall be added to the amounts charged, computed from the**
 14 **dates that payment of the charges were properly due and continuing to run until payment**
 15 **of the charges.**

16 **(4) Additional taxes arising under section 175 of this 2013 Act may be paid to the tax**

 20 **already been extended on the roll.**

 31 tax roll from the assessor by the time provided by law or by reason of any other circumstance be-
 32 yond the control of the tax collector. In such case the tax collector shall deliver or mail the state-
 33 ments as soon as possible.

34 (4) Where, for any reason the taxes due on any property on the assessment roll in any year
 35 cannot be ascertained from the tax roll by November 5 of that year, within 15 days thereafter the
 36 owner or other person liable for or desiring to pay the taxes on such property may tender to the
 37 tax collector, and the tax collector may collect, a payment of all or part of the taxes estimated by
 38 the tax collector to be due on such property. Immediately after the taxes are actually extended on
 39 the tax roll, the tax collector shall credit the amount paid as provided by law, allowing the discount
 40 under ORS 311.505 and not charging interest for the amount of taxes satisfied by such payment.
 41 Where there has been an underpayment, additional taxes shall be collected, and where there has
 42 been an overpayment, refund shall be made as otherwise provided by law.
