34 197.835. (1) The Land Use Board of Appeals shall review the land use decision or limited land  
 35 use decision and prepare a final order affirming, reversing or remanding the land use decision or  
 36 limited land use decision. The board shall adopt rules defining the circumstances in which it will  
 37 reverse rather than remand a land use decision or limited land use decision that is not affirmed.

38 (2)(a) Review of a decision under ORS 197.830 to 197.845 shall be confined to the record.

39 (b) In the case of disputed allegations of standing, unconstitutionality of the decision, ex parte  
 40 contacts, actions described in subsection (10)(a)(B) of this section or other procedural irregularities  
 41 not shown in the record that, if proved, would warrant reversal or remand, the board may take ev-  
 42 idence and make findings of fact on those allegations. The board shall be bound by any finding of  
 43 fact of the local government, special district or state agency for which there is substantial evidence  
 44 in the whole record.

45 (3) Issues shall be limited to those raised by any participant before the local hearings body as

1 provided by ORS 197.195 or 197.763, whichever is applicable.

2 (4) A petitioner may raise new issues to the board if:

3 (a) The local government failed to list the applicable criteria for a decision under ORS 197.195  
4 (3)(c) or 197.763 (3)(b), in which case a petitioner may raise new issues based upon applicable crite-  
5 ria that were omitted from the notice. However, the board may refuse to allow new issues to be  
6 raised if it finds that the issue could have been raised before the local government; or

7 (b) The local government made a land use decision or limited land use decision which is different  
8 from the proposal described in the notice to such a degree that the notice of the proposed action  
9 did not reasonably describe the local government's final action.

10 (5) The board shall reverse or remand a land use decision not subject to an acknowledged  
11 comprehensive plan and land use regulations if the decision does not comply with the goals. The  
12 board shall reverse or remand a land use decision or limited land use decision subject to an ac-  
13 knowledged comprehensive plan or land use regulation if the decision does not comply with the  
14 goals and the Land Conservation and Development Commission has issued an order under ORS  
15 197.320 or adopted a new or amended goal under ORS 197.245 requiring the local government to  
16 apply the goals to the type of decision being challenged.

18 is not in compliance with the goals.

20 of a new land use regulation if:

21 (a) The regulation is not in compliance with the comprehensive plan; or

22 (b) The comprehensive plan does not contain specific policies or other provisions which provide  
23 the basis for the regulation, and the regulation is not in compliance with the statewide planning  
24 goals.

25 (8) The board shall reverse or remand a decision involving the application of a plan or land use  
26 regulation provision if the decision is not in compliance with applicable provisions of the compre-  
27 hensive plan or land use regulations.

28 (9) In addition to the review under subsections (1) to (8) of this section, the board shall reverse  
29 or remand the land use decision under review if the board finds:

30 (a) The local government or special district:

31 (A) Exceeded its jurisdiction;

32 (B) Failed to follow the procedures applicable to the matter before it in a manner that preju-  
33 diced the substantial rights of the petitioner;

34 (C) Made a decision not supported by substantial evidence in the whole record;

35 (D) Improperly construed the applicable law; or

36 (E) Made an unconstitutional decision; or

37 (b) The state agency made a decision that violated the goals.

38 (10)(a) The board shall reverse a local government decision and order the local government to  
39 grant approval of an application for development denied by the local government if the board finds:

40 (A) Based on the evidence in the record, that the local government decision is outside the range  
41 of discretion allowed the local government under its comprehensive plan and implementing ordi-  
42 nances; or

43 (B) That the local government's action was for the purpose of avoiding the requirements of ORS  
44 215.427 or 227.178.

45 (b) If the board does reverse the decision and orders the local government to grant approval of

1 the application, the board shall award attorney fees to the applicant and against the local govern-  
2 ment.

3 (11)(a) Whenever the findings, order and record are sufficient to allow review, and to the extent  
4 possible consistent with the time requirements of ORS 197.830 (14), the board shall decide all issues  
5 presented to it when reversing or remanding a land use decision described in subsections (2) to (9)  
6 of this section or limited land use decision described in ORS 197.828 and 197.195.

7 (b) Whenever the findings are defective because of failure to recite adequate facts or legal  
8 conclusions or failure to adequately identify the standards or their relation to the facts, but the  
9 parties identify relevant evidence in the record which clearly supports the decision or a part of the  
10 decision, the board shall affirm the decision or the part of the decision supported by the record and  
11 remand the remainder to the local government, with direction indicating appropriate remedial  
12 action.

13 (12) The board may reverse or remand a land use decision under review due to ex parte contacts  
14 or bias resulting from ex parte contacts with a member of the decision-making body, only if the  
15 member of the decision-making body did not comply with ORS 215.422 [(3)] (7) or 227.180 [(3)] (7),  
16 whichever is applicable.

17 (13) Subsection (12) of this section does not apply to reverse or remand of a land use decision  
18 due to ex parte contact or bias resulting from ex parte contact with a hearings officer.

19 (14) The board shall reverse or remand a land use decision or limited land use decision which  
20 violates a commission order issued under ORS 197.328.

21 (15) In cases in which a local government provides a quasi-judicial land use hearing on a limited  
22 land use decision, the requirements of subsections (12) and (13) of this section apply.

23 (16) The board may decide cases before it by means of memorandum decisions and shall prepare  
24 full opinions only in such cases as it deems proper.

25 **SECTION 4. The amendments to ORS 197.835, 215.422 and 227.180 by sections 1 to 3 of this**  
26 **2013 Act apply to quasi-judicial review by a city or county of the decisions made by a hearings**
