42 “**SECTION 42.** ORS 336.590 is amended to read:

43 “336.590. (1) As used in this section, ‘Youth Corrections (1) Education Program’ means the program
44 defined in ORS 326.695.

45 “(2) The Department of Education shall provide or cause to be provided appropriate education

9 of the Youth Corrections Education Program, including standards that allow a school district or an
10 education service district under contract with the superintendent to:

11 “(a) Award high school diplomas, modified diplomas, extended diplomas and alternative certif-
12 icates as provided by ORS 329.451 and 339.877.

17 by ORS 329.788 to 329.820.

18 “[*(f)*] (e) Receive funds under ORS chapter 329 as provided by ORS 329.875.

19 “**SECTION 43.** ORS 341.005 is amended to read:

20 “341.005. As used in this chapter, unless the context otherwise requires:

21 “(1) ‘Academic year’ means the year beginning July 1 of each year and ending June 30 of the
22 following year running concurrently with the fiscal year.

23 “(2) ‘Board’ means the board of education of a community college district.

24 “(3) ‘Board member’ means a member of the board of education of a community college district.

25 “(4) ‘Commissioner’ means the Commissioner for Community College Services appointed under
26 ORS 326.375 **by the executive director of the Higher Education Coordinating Commission.**

27 “(5) ‘Community college’ means a public institution operated by a community college district for
28 the purposes of providing courses of study limited to not more than two years’ full-time attendance,
29 with the exception of technical programs in which the curriculum may require more than two years
30 of attendance but less than four years, and designed to meet the needs of a geographical area by
31 providing educational services, including but not limited to career and technical education programs
32 or lower division collegiate programs.

33 “(6) ‘Community college district’ or ‘district’ means a district formed under this chapter to op-
34 erate one or more community colleges or to secure educational services available at a community
35 college. ‘Community college district’ includes a community college service district.

36 “(7) ‘Full-time equivalent student’ means a student or combination of several students who car-
37 ries or carry among them, within a single academic year, a minimum number of clock hours of in-
38 struction, in any program, to be specified by rule by the [*State Board of Education*] **Higher
39 Education Coordinating Commission.**

40 “[*(8) ‘Operating expenses’ means the sum of the expenditures of a community college district for

43 “[*(9)*] (8) ‘Paying agent and registrar’ means the county treasurer or county fiscal officer of the

4 “[(11)] (10) ‘Principal county’ means the county in which the chief administrative officer of the
5 community college district maintains the administrative office.

6 “[12] ‘State board’ means the State Board of Education.]

7 “**SECTION 44.** ORS 341.009 is amended to read:

8 “341.009. The Legislative Assembly finds that:

9 “(1) The community college is an educational institution that is intended to fill the institutional
10 gap in education by offering broad, comprehensive programs in academic subjects and in career and
11 technical education subjects. It is primarily designed to provide associate or certificate degree pro-
12 grams for some, serve a transitional purpose for others who will continue baccalaureate or other
13 college work, provide the ability to enter the workforce immediately and serve to determine future
14 educational needs for other students. It can provide means for continuation of academic education,
15 career and technical education or the attainment of entirely new skills as demands for old skills and
16 old occupations are supplanted by new technologies. It may also provide the means to coordinate
17 courses and programs with high schools to accommodate successful transition to college degree
18 programs.

19 “(2) Each community college should be so located as to be within commuting time of a sub-
20 stantial majority of its students. As an economical method of providing education close to the
21 student’s home, the community college should remain a commuting institution.

22 “(3) The community college should establish its organizational patterns to maintain a unique
23 quality of flexibility and the ability to change to meet changing needs.

24 “(4) The community college is a post-high-school institution [*under the general supervision of the*
25 *State Board of Education*]. It should not be a ‘starter’ institution intended to evolve into a four-year
26 baccalaureate institution. It should be concerned with programs terminating before reaching the
27 baccalaureate degree.

28 “(5) The community college should continue to be prohibited by law from becoming a
29 baccalaureate degree granting institution.

30 “(6) Admission to the community college should be open to high school graduates or to persons
31 who have not graduated from high school who can profit from the instruction offered.

32 “(7) There should be close cooperation between those directing the community college program
33 and those responsible for [*higher education*] **public universities listed in ORS 352.002**, so that
34 lower-division college transfer programs of the community college will provide adequate preparation
35 for entering baccalaureate degree granting programs, and so that students will be able to transfer
36 with a minimum of difficulty.

37 “(8) The community college should offer as comprehensive a program as the needs and resources
38 of the area that it serves dictate. Cost to student and quality of instruction in established private
39 institutions should be among the factors in determining necessary duplication of effort.

40 “(9) It should be the policy of the community college to open its facilities and make available
41 its resources to the high schools of its area on a sound contractual basis, for appropriate secondary
42 or transitional courses, either academic or as part of career and technical education, when it is
43 within its ability to provide facilities and it is determined that the high school cannot or does not
44 offer them.

45 “(10) Programs designed to meet the needs of the area served should be based on the actual

1 educational and service needs of the district. Specific career and technical education courses should
2 be related not only to the employment opportunities of the area but of the state and nation as well.
3 Such determination should be made in consultation with representatives of labor, business, industry,
4 agriculture and other interested groups.

5 “[(11) *The State Board of Education should be responsible for coordinating the community college*
6 *program of the state and should have general supervisory responsibilities for that program. With the*
7 *advice of the Higher Education Coordinating Commission, the State Board of Education should prepare*
8 *estimates and make the requests for legislative appropriations for a reasonable and consistent basis of*
9 *support and establish standards for the distribution of that support.*]

10 “[*(12)*] (11) The initiative for the establishment of new community colleges should come from the
11 localities to be served, as a response to demonstrated educational needs of an area. However, these
12 localities must not only be willing to assume the responsibility for the institutions but must be able
13 to provide resources needed for an adequate educational and service program.

14 “[*(13)*] (12) The governing board of the community college should be charged with the policy-
15 making function. With respect to educational programming, the governing board **shall** [*should in*
16 *cooperation with the State Board of Education*]:

17 “(a) Identify educational needs of the district; and

18 “(b) Bring together the resources necessary to meet the needs.

19 “(14) The state should maintain a policy of substantial state participation in community college
20 building costs and the maintenance of an adequate level of state support for operation. However,
21 no state funds should be appropriated for buildings such as dormitories or athletic facilities for
22 spectator sports. The district should provide a substantial portion of the funds for capital improve-
23 ment as well as for operation of a community college.

24 “(15) State appropriations for community colleges shall be made separately from those for other
25 segments of education.

26 “(16) The formula for the distribution of funds for operating costs should reflect the heavier
27 operating costs and capital outlay for certain career and technical education courses. Federal funds
28 received for career and technical education, adult basic education, workforce development or other
29 federal initiatives should be used for those purposes only and be distributed separately from funds
30 appropriated by the state and should be exempted from the computations of the present distribution
31 formula for operating costs.

32 “(17) The cost of education to the individual should be sufficiently low to permit students of
33 low-income families to attend. This is particularly true of tuition costs. However, students should
34 pay an amount sufficient to provide an incentive to profit from the instructional program offered.

35 “(18) Any eligible Oregon resident should have the right to attend a community college even
36 though not residing in a district operating one, subject to the right of the governing board to limit
37 the size of classes and to give preference to students residing in the district. Local school districts
38 and education service districts should have the authority to negotiate the terms and conditions with
39 the governing boards for the enrollment of students residing in such areas.

40 “**SECTION 45.** ORS 341.019 is amended to read:

41 “341.019. (1) All areas within this state shall be served by a community college district. Such
42 services may be provided either:

43 “(a) Directly by formation of a community college district; or

44 “(b) Indirectly by contract with an existing community college district.

45 “(2) The Department of Community Colleges and Workforce Development shall fix responsibility

1 for serving each area that is not within a community college district. Where feasible, each area shall
2 be a whole county or a group of counties or that part of a county not already in a community col-
3 lege district.

4 “(3) In order to obtain the services described in subsection (1)(b) of this section, residents of a
5 nondistrict area must indicate their interest in receiving services by requesting formation of a local
6 advisory committee and seeking the advice and counsel of the Department of Community Colleges
7 and Workforce Development.

8 “(4) The [*State Board of Education*] **Higher Education Coordinating Commission** by rule shall
9 establish standards for determining when there is sufficient interest among the residents of a non-
10 district area to warrant appointment of a local advisory committee.

11 “(5) When the Department of Community Colleges and Workforce Development has made the
12 determination under subsection (4) of this section, the department and the interested residents of the
13 nondistrict area shall apply jointly to the governing body of the county for the appointment of a
14 local advisory committee.

15 “(6) Upon application, the governing body of the county shall appoint a local advisory committee
16 and shall insure that the committee is broadly representative of the nondistrict area.

17 “(7) If the nondistrict area involves two or more counties, the governing body of each county
18 shall appoint members to the local advisory committee in proportion to the number of county resi-
19 dents within the nondistrict area.

20 “(8) The governing body of a county making appointments under subsection (6) or (7) of this
21 section shall not be obligated to fund any part of the budget described in ORS 341.021 (3).

22 “(9) The duties of the local advisory committee shall include, but need not be limited to, advising
23 the officials of the community college district serving the nondistrict area on the educational needs
24 of the area.

25 “(10) As used in ORS 341.019 to 341.022, ‘community college district’ includes a community col-
26 lege service district.

27 “**SECTION 46.** ORS 341.021 is amended to read:

28 “341.021. (1) The Department of Community Colleges and Workforce Development shall invite
29 existing community college districts to submit proposals for the provision of service to an area that
30 has officially indicated its interest in receiving service.

31 “(2) The responsibilities of the host community college district shall include:

32 “(a) Preparing a written agreement for services to be provided to nondistrict areas using a for-
33 mat specified by the Department of Community Colleges and Workforce Development; and

34 “(b) Acting as the fiscal agent for agreements including establishing tuition and fees for services
35 offered under terms of an agreement.

36 “(3) Agreements between the community college district and nondistrict entities as listed in ORS
37 341.315 shall include an annual budget setting forth both revenue and expenditures. The budget shall
38 be based upon the following conditions:

39 “(a) Subject to ORS 341.022, eligible full-time equivalent student enrollment produced under the
40 agreement may be claimed for state reimbursement purposes by the community college district.
41 Such reimbursement shall come from the Community College Support Fund established in ORS
42 341.620 and shall be distributed as directed in ORS 341.626 and the rules of the [*State Board of*
43 *Education*] **Higher Education Coordinating Commission**.

44 “(b) A share of the budget shall be provided by those individuals or agencies receiving service
45 under this agreement as specified by rule of the [*State Board of Education*] **commission** adopted

1 under ORS 341.024 (3).

2 “(4) Agreements developed under this section shall be wholly supported by Community College
3 Support Fund reimbursement, nondistrict student tuition and nondistrict resources.

4 “**SECTION 47.** ORS 341.024 is amended to read:

5 “341.024. The [*State Board of Education*] **Higher Education Coordinating Commission** shall
6 adopt rules to implement ORS 341.019 to 341.024. The rules shall provide:

7 “(1) Standards for accepting proposals for service;

8 “(2) Procedures providing the form of agreements and for recording them;

9 “(3) Standards for cash and in-kind contributions by nondistrict areas;

10 “(4) Standards as required by ORS 341.019 (4); and

11 “(5) Other rules necessary to implement ORS 341.019 to 341.024.

12 “**SECTION 48.** ORS 341.025 is amended to read:

13 “341.025. (1) Whenever the electors registered in contiguous territory desire the formation of a
14 community college district, they may sign a petition requesting the formation of such a district and
15 present it to the [*State Board of Education*] **Higher Education Coordinating Commission**.

16 “(2) The petition must be substantially in the form established by the [*state board*] **commission**,
17 which shall furnish the petition form [*and*]. **The petition:**

18 “(a) Must contain the minimum number of signatures fixed by the [*state board*] **commission** of
19 500, or 10 percent of the electors registered in each county or part of a county within the designated
20 territory, whichever is the lesser;

21 “(b) Must designate the boundaries of the territory to be included in the proposed district, which
22 may include all or part of the territory lying within the boundaries of a school district and may be
23 located in more than one county;

24 “(c) Must request that the territory be organized into a district;

25 “(d) May specify or reserve the right to specify the location for the proposed community college
26 or may request the [*state board*] **commission** to determine the location;

27 “(e) Must specify the method of nomination and election of the board of education of the pro-
28 posed district from among the methods described in ORS 341.327; and

29 “(f) Must contain any other information required by rules of the [*state board*] **commission**.

30 “**SECTION 49.** ORS 341.039 is amended to read:

31 “341.039. (1) A petition submitted pursuant to ORS 341.025 may specify that the proposed district
32 be organized as a community college service district. The formation of a community college service
33 district shall comply with the provisions of ORS 341.025 to 341.125. A petition affecting a territory
34 that, in the judgment of the Commissioner for Community College Services, will not generate an
35 annual enrollment in excess of 1,000 full-time equivalent students after three years of operation shall
36 be considered to be a petition for the formation of a community college service district.

37 “(2) If formed, a community college service district shall in all respects be governed by the laws
38 applicable to community college districts with the following exceptions:

39 “(a) Notwithstanding ORS 341.675, community college service districts formed after July 1, 1997,
40 may not incur bonded indebtedness for any purpose. This limitation shall not be construed to pro-
41 hibit lease-purchase arrangements or other lawful forms of capital financing. A community college
42 service district may hold and own buildings and grounds acquired through gifts or financing methods
43 authorized by this section.

44 “(b) The board of education for a community college service district shall annually review the
45 programs and services of the service district. This review shall have as its purpose a determination

1 of which services can most effectively and economically be delivered directly and which services can
2 best be delivered through contracting arrangements. The direct hiring of faculty and staff is ex-
3 pressly permitted.

4 “(3) After having been in operation for at least three years, a community college service district
5 may submit to the electors of the district the question of whether the district shall operate as a
6 community college district.

7 “(4) Prior to submitting the question to the electors, the community college service district must
8 have been in operation for three years, and must have secured the approval of the [*State Board of*
9 *Education*] **Higher Education Coordinating Commission** to hold the election. Before granting ap-
10 proval, the [*state board*] **commission** must find:

11 “(a) The service district has acquired stability as demonstrated by a continuity of management,
12 regularly adopted policies and procedures and adequate financial resources; and

13 “(b) The service district has adopted a sound comprehensive plan that sets out the district’s
14 instructional and capital plans for five years.

15 “**SECTION 50.** ORS 341.045 is amended to read:

16 “341.045. (1) The [*State Board of Education*] **Higher Education Coordinating Commission** shall
17 examine the petition to determine whether it is complete. If the petition is complete and if formation
18 of the district is consistent with the overall plan for all education in the state, the [*state board*]
19 **commission** shall undertake a study of the feasibility of a community college in the geographical
20 area proposed by the petition, including but not limited to:

21 “(a) Educational needs of the area.

22 “(b) Potential enrollment levels.

23 “(c) The rate of operating taxes that is required to meet the local share of operating and capital
24 expenses and that would, if adopted, be the district’s permanent rate limit for operating taxes, in-
25 cluding whether the proposed rate bears a reasonable relationship to the permanent rate limit of
26 operating community college districts of similar size and circumstance to the proposed new district.
27 If the proposed rate is substantially below the rate of similar operating districts, the feasibility study
28 shall explicitly detail how the proposed new district intends to provide a comprehensive community
29 college program.

30 “(d) Relationship of the proposed district to the overall plan for all education in the state.

31 “(e) Boundaries of the proposed district.

32 “(f) The appropriateness of the proposed name of the community college district or the commu-
33 nity college, if a name is proposed, in order to determine that the proposed name is not misleading,
34 confusing or grossly inappropriate.

35 “(2) Upon completion of [*its*] **the** study, the [*state board*] **commission** shall set a date for a
36 public hearing on the petition and study and shall give notice of the hearing in the manner provided
37 in ORS 341.357.

38 “(3) The notice of hearing shall state:

39 “(a) A study has been conducted on a proposed district.

40 “(b) The boundaries of the proposed district.

41 “(c) Whether the proposed community college district specifies providing its courses through
42 contract with agencies authorized to enter into such contracts.

43 “(d) The time and place set for the hearing on the petition.

44 “**SECTION 51.** ORS 341.055 is amended to read:

45 “341.055. (1) At the time designated in the notice **given under ORS 341.045**, the [*State Board*]

1 of Education] **Higher Education Coordinating Commission** or its authorized representative shall
2 conduct a public hearing on the study and may adjourn the hearing from time to time. The [state
3 board] **commission** may alter the boundaries set forth in the petition submitted under ORS 341.025
4 to include all territory the residents of which will be materially benefited by formation of the com-
5 munity college district as determined by [its] **the study conducted under ORS 341.045**. The [state
6 board] **commission** shall not modify the boundaries of the district as set forth in the petition so as
7 to exclude from the district any territory the residents of which will be materially benefited by
8 formation of the district, nor may there be included in the proposed district any territory the resi-
9 dents of which will not be materially benefited.

10 “(2) If the [board] **commission** concludes that any territory has been improperly included or
11 omitted from the proposed community college district and that electors within the included or
12 omitted territory have not appeared at the hearing, the [board] **commission** shall continue further
13 hearing on the study and shall order notice given to the nonappearing electors requiring them to
14 appear and show cause why their territory should not be excluded or included in the proposed dis-
15 trict. The notice shall be given either in the same manner as notice of the original hearing was
16 given or by personal service on each nonappearing elector. If notice is given by personal service,
17 such service shall be made at least 10 days prior to the date fixed for the hearing.

18 “**SECTION 52.** ORS 341.065 is amended to read:

19 “341.065. If, in the opinion of the [State Board of Education] **Higher Education Coordinating**
20 **Commission**, the study **conducted under ORS 341.045** and the testimony presented at the hearing
21 or hearings held under ORS 341.055 indicate that the formation of a community college district as
22 petitioned is not warranted under the policies set forth by ORS 341.009, the [state board] **commis-**
23 **sion** shall order dismissal of the petition. An appeal from this order may be taken within 60 days
24 in the manner provided in ORS 183.480.

25 “**SECTION 53.** ORS 341.076 is amended to read:

26 “341.076. (1) If, upon final hearing [of the study] under ORS 341.055, the [State Board of Educa-
27 tion] **Higher Education Coordinating Commission** approves formation of a community college
28 district, with boundaries either as originally presented or as altered pursuant to the hearing, the
29 [state board] **commission** shall make its recommendation to the Legislative Assembly in an order
30 describing the exterior boundaries and the zone boundaries for the election of members of the board
31 of education of the community college district, if any. An appeal from the recommendation may be
32 taken within 60 days in the manner provided in ORS 183.480. If no appeal from this recommendation
33 is filed within 60 days after the date of the recommendation, the recommendation becomes final.

34 “(2) If an appeal is filed, the recommendation becomes final on the date the recommendation is
35 affirmed by the court. However, if the recommendation is not affirmed, the [state board] **commission**
36 may not submit its recommendation to the Legislative Assembly but may reconsider the conclusions
37 of [its] **the study conducted under ORS 341.045** and if the [state board] **commission** revises those
38 conclusions, the [state board] **commission** may set a date for a new hearing.

39 “(3) Upon receipt of the final recommendation, the Legislative Assembly shall approve or dis-
40 approve the recommendation. If the recommendation is approved, an election under ORS 341.085
41 shall be held. If the recommendation is disapproved, the [state board] **commission** may revise its
42 recommendation and resubmit a final recommendation to the Legislative Assembly but not sooner
43 than 60 days after the action of disapproval was taken.

44 “**SECTION 54.** ORS 341.085 is amended to read:

45 “341.085. (1) An election for the purpose of presenting the question of formation of a district and

1 establishing a permanent rate limit for operating taxes and the boundaries of the zones, if the zones
2 were recommended by the [*State Board of Education*] **Higher Education Coordinating**
3 **Commission**, shall be held to submit the question to the electors registered in the proposed district
4 designated in the recommendation of the [*state board*] **commission**. The election shall be held not
5 sooner than the 90th day after the effective date of the appropriation required by ORS 341.102. The
6 election date shall be uniform throughout the proposed district, and shall be set by the [*state*
7 *board*] **commission** on a date specified in ORS 255.345. However, if the question of establishing a
8 permanent rate limit for operating taxes is to be submitted, the election must be held on the same
9 date as the next primary election or the next general election, as determined by the [*state board*]
10 **commission**.

11 “(2) ORS chapter 255 and ORS 250.035 and 250.036 govern the notice and conduct of an election
12 under this section. The [*state board*] **commission** shall be the district elections authority for an
13 election conducted under this section. Notwithstanding ORS 255.305, the [*state board*] **commission**
14 shall pay the expenses incurred for the election.

15 “(3) An elector registered in a precinct or in the portion of a precinct which is located within
16 the boundaries of the proposed district may vote on any matter arising at the election under sub-
17 section (1) of this section.

18 “**SECTION 55.** ORS 341.095 is amended to read:

19 “341.095. (1) The [*State Board of Education*] **Higher Education Coordinating Commission** shall
20 include as a part of the election called for formation of a district the question of a permanent rate
21 limit for operating taxes to finance the district’s share of operating and capital expenses. The rate
22 limit shall be specified by the [*state board*] **commission** as a result of its study and the hearing held
23 under ORS 341.055. The [*state board*] **commission** may also include the question of incurring
24 indebtedness to pay organizational expenses of the district between the time the district is approved
25 and the first budget is adopted. If the question of incurring indebtedness is approved, the district
26 may borrow money on its negotiable, short-term, promissory notes in an aggregate amount not to
27 exceed the limit approved at the election and may, notwithstanding ORS 294.338, expend [*such*] **the**
28 money without the preparation and adoption of a budget.

29 “(2) In preparing its first budget, the board of the district shall provide for the repayment of the
30 indebtedness incurred for organizational expenses under subsection (1) of this section.

31 “**SECTION 56.** ORS 341.105 is amended to read:

32 “341.105. When at the request of the [*State Board of Education*] **Higher Education Coordinat-**
33 **ing Commission** the county clerk of the principal county, in consultation with county clerks of the
34 affected counties, prepares a list or lists of names and addresses of the electors registered in the
35 proposed district, the Department of Community Colleges and Workforce Development is authorized
36 to pay the charge as determined under ORS 255.305.

37 “**SECTION 57.** ORS 341.125 is amended to read:

38 “341.125. (1) The first board of education of a district shall be elected at the same election as
39 the election at which votes are cast for the formation of the district. Nominations for the board of
40 education positions to be filled by nomination and election at-large shall be made by petition re-
41 questing that such person’s name be placed on the ballot and signed with the signatures of at least
42 50 electors registered in the proposed district. If the district has been zoned and the position is to
43 be filled by nomination or election by zone, the petition shall be signed by at least 25 electors reg-

24 under ORS 341.565.

25 “**SECTION 67.** ORS 341.573 is amended to read:

26 “341.573. (1) When changes in district boundaries are made by the detachment of territory or

34 “(3) In the event any such board fails to appoint an arbitrator within 30 days, the [*State Board*
35 *of Education*] **Higher Education Coordinating Commission** shall appoint such arbitrator. In the

15 “(2) Program access and facilities for students shall be maintained in the original territory for

3 of the zone in which the director resided at the date of election, and the other director shall hold
4 the board position of the other zone.

5 “(D) [*Such*] **The** board members shall continue in office until their respective terms of at-large
6 election expire, provided any vacancy occurring in a board member’s office before the expiration of
7 such term shall be filled until expiration by appointment by the board of a resident of the board
8 member’s zone.

9 “(4) The board shall appoint an advisory committee of seven members, including three from the
10 original territory and three from the new territory. The board shall appoint a seventh, at-large

40 there is a legislative appropriation to the Community College Support Fund established in ORS
41 341.620 to support the new district resulting from the boundary change at a level commensurate
42 with support for other community college districts, then the [*state board*] **commission** shall declare
43 the change effective on the date determined under ORS 341.565. Implementation of the [*state*

7 of four undergraduate years under this section or until the recipient has completed an undergradu-
8 ate course of study, whichever is less.

9 “(4) Nothing in subsection (3) of this section shall be construed to mean that the commission
10 may not increase or reduce the amount of the grant upon application for renewal.

11 “(5) No grant shall be made to any student enrolled in a course of study required for and leading
12 to a degree in theology, divinity or religious education.
