6 461.310. (1) **As used in this section, "net receipts" means the amount of money that is**  
7 **received at a retailer's premises from the sale of video lottery game shares after payment**  
8 **of prizes.**

9 (2) Upon recommendation of the Director of the Oregon State Lottery, the **Oregon State Lot-**

14 by the director for each lottery game. In cases of a lottery game retailer whose rental payments for  
15 premises are contractually computed in whole or in part, on the basis of a percentage of retail sales,  
16 and [*where such*] **when the** computation of retail sales is not explicitly defined to include sales of  
17 tickets or shares in a state-operated lottery, the compensation received by the lottery game retailer  
18 from the Oregon State Lottery shall be deemed to be the amount of the retail sale for the purposes  
19 of [*such*] **the** contractual computation.
