1 overseen by the authority to examine at least four options for financing health care delivery
2 in this state, including:

3 (a) An option for a publicly financed single-payer model for financing privately delivered
4 health care, that is decoupled from employment and allows commercial insurance coverage
5 only of supplemental health services not paid for under the option.

6 (b) An option that allows a person to choose between a publicly funded plan, including a
7 basic health program under 42 U.S.C. 18051, and private insurance coverage and allows for
8 fair and robust competition among public plans and private insurance.

9 (c) The current health care financing system in this state, including the:

10 (A) Oregon Integrated and Coordinated Health Care Delivery System;

11 (B) Oregon health insurance exchange; and

12 (C) Full implementation of the Patient Protection and Affordable Care Act (P.L. 111-148),
13 as amended by the Health Care and Education Reconciliation Act (P.L. 111-152) and other
14 subsequent amendments.

15 (d) An option for a plan that provides essential health benefits, including preventive care
16 and hospital services, and that:

17 (A) Allows a person to access the commercial market to purchase coverage that is not
18 covered under the plan;

19 (B) Limits the role of the plan to collecting and distributing revenue while preserving
20 private sector delivery options and optimizing consumer choice;

21 (C) Offers to Oregonians who earn more than 400 percent of the federal poverty guide-
22 lines a deductible plan that could be contributed to by employees and employers;

23 (D) Exempts Oregonians who earn no more than 400 percent of the federal poverty
24 guidelines from deductibles;

25 (E) Accesses all sources of available federal funding; and

26 (F) Identifies program savings that can be achieved by providing health care coverage to
27 all Oregonians, including but not limited to using the program to replace the state medical
28 assistance program and the medical portion of worker's compensation, then applies the
29 savings to finance the plan.

30 (3) The researchers conducting the study shall review and consider:

31 (a) Previous studies in this state of alternative models of health care financing or deliv-
32 ery.

33 (b) Studies of health care financing and delivery systems in other states and countries.

34 (c) This state's current health care reform efforts.

35 (d) The impact on and interplay with each option of all of the following:

36 (A) The Patient Protection and Affordable Care Act (P.L. 111-148), as amended by the
37 Health Care and Education Reconciliation Act (P.L. 111-152) and other subsequent amend-
38 ments;

39 (B) The Employee Retirement Income Security Act of 1974; and

40 (C) Titles XVIII, XIX and XXI of the Social Security Act.

41 (4) The contractor shall prepare a report that summarizes the findings of the study and:

42 (a) Analyzes the costs and benefits of requiring copayments and of not requiring
43 copayments.

44 (b) Describes options for health care financing by a government agency, by commercial
45 insurance and by a combination of both government and commercial insurance.

1 (c) For each option:

2 (A) Evaluates the extent to which the option satisfies the criteria described in subsection
3 (1) of this section;

4 (B) Estimates the cost of implementation, including anticipated costs from increased
5 services, more patients, new facilities and savings from efficiencies;

6 (C) Assesses the impact of implementation on the existing commercial insurance and
7 publicly funded health care systems;

8 (D) Estimates the net fiscal impact of implementation on individuals and businesses in-
9 cluding the tax implications;

10 (E) Assesses the impact of implementation on the economy of this state; and

11 (F) Estimates the potential savings to local governments and government agencies that
12 currently administer health care programs, provide health care premium subsidies or provide
13 funding for health care services.

14 (5) The report must include a recommendation for the option for health care delivery and
15 financing that best satisfies the criteria described in subsection (1) of this section and that:

16 (a) Maximizes available federal funding; and

17 (b) Ensures that health care providers receive adequate compensation for providing
18 health care.

19 **SECTION 2.** (1) The Oregon Health Authority shall accept gifts, grants and other funds
20 from public and private sources for the purpose of carrying out the study described in sec-
21 tion 1 of this 2013 Act.

22 (2) All moneys received by the authority under this section shall be paid into the State
23 Treasury and deposited to the credit of the Oregon Health Authority Fund established in
24 ORS 413.101. Such moneys shall be used by the authority solely for the purposes of section
25 1 of this 2013 Act.

26 **SECTION 3.** (1) The Oregon Health Authority shall report on the progress of the study
27 described in section 1 of this 2013 Act to the 2014 regular session of the Legislative Assembly.

28 (2) No later than November 1, 2014, the authority shall submit the report described in
29 section 1 of this 2013 Act to the interim committees on health care in the House of Repre-
30 sentatives and the Senate.

31 (3) The authority shall submit the report to the 2015 regular session of the Legislative
32 Assembly in the manner prescribed by ORS 192.245.

33 **SECTION 4.** Sections 1 and 2 of this 2013 Act are repealed on January 2, 2016.

34 **SECTION 5.** This 2013 Act being necessary for the immediate preservation of the public
35 peace, health and safety, an emergency is declared to exist, and this 2013 Act takes effect
36 on its passage.
