

HOUSE AMENDMENTS TO HOUSE BILL 3309

By COMMITTEE ON RULES

June 4

1 On page 1 of the printed bill, delete lines 5 and 6 and insert:

2 “**SECTION 1.** The Oregon Health Authority shall conduct a pilot project in Marion and Polk
3 Counties. In the pilot project:

4 “(1) The board of directors of a coordinated care organization that serves members residing in
5 Marion County or Polk County may petition”.

6 In line 22, delete the period and insert “or upon the termination of the pilot project, whichever
7 occurs first.

8 “(5) A board member who represents a county government may not be removed under the pilot
9 project.

10 “**SECTION 2.** No later than 12 months after the effective date of this 2013 Act, the
11 Oregon Health Authority shall report to the House Interim Committee on Health Care in the
12 manner prescribed by ORS 192.245:

13 “(1) The results of the pilot project;

14 “(2) Recommendations for legislative changes to the pilot project; and

15 “(3) Recommendations for expanding the pilot project statewide.”.

16 On page 3, line 30, delete “2” and insert “1”.

17 In line 31, delete “board of directors” and insert “governing body”.

18 In line 33, delete “board” and insert “governing body”.

19 On page 5, line 16, delete “2” and insert “1”.

20 On page 9, after line 42, insert:

21 “**SECTION 8.** ORS 414.625, as amended by section 3 of this 2013 Act, is amended to read:

22 “414.625. (1) The Oregon Health Authority shall adopt by rule the qualification criteria and re-
23 quirements for the certification of a coordinated care organization and shall integrate the criteria
24 and requirements into each contract with a coordinated care organization. Coordinated care organ-
25 izations may be local, community-based organizations or statewide organizations with community-
26 based participation in governance or any combination of the two. Coordinated care organizations
27 may contract with counties or with other public or private entities to provide services to members.
28 The authority may not contract with only one statewide organization. A coordinated care organ-
29 ization may be a single corporate structure or a network of providers organized through contractual
30 relationships. The criteria adopted by the authority under this section must include, but are not
31 limited to, the coordinated care organization’s demonstrated experience and capacity for:

32 “(a) Managing financial risk and establishing financial reserves.

33 “(b) Meeting the following minimum financial requirements:

34 “(A) Maintaining restricted reserves of \$250,000 plus an amount equal to 50 percent of the co-
35 ordinated care organization’s total actual or projected liabilities above \$250,000.

1 “(B) Maintaining a net worth in an amount equal to at least five percent of the average com-
2 bined revenue in the prior two quarters of the participating health care entities.

3 “(c) Operating within a fixed global budget.

4 “(d) Developing and implementing alternative payment methodologies that are based on health
5 care quality and improved health outcomes.

6 “(e) Coordinating the delivery of physical health care, mental health and chemical dependency
7 services, oral health care and covered long-term care services.

8 “(f) Engaging community members and health care providers in improving the health of the
9 community and addressing regional, cultural, socioeconomic and racial disparities in health care
10 that exist among the coordinated care organization’s members and in the coordinated care
11 organization’s community.

12 “(2) In addition to the criteria specified in subsection (1) of this section, the authority must
13 adopt by rule certification requirements for coordinated care organizations contracting with the
14 authority so that:

15 “(a) Each member of the coordinated care organization receives integrated person centered care
16 and services designed to provide choice, independence and dignity.

17 “(b) Each member has a consistent and stable relationship with a care team that is responsible
18 for comprehensive care management and service delivery.

19 “(c) The supportive and therapeutic needs of each member are addressed in a holistic fashion,
20 using patient centered primary care homes or other models that support patient centered primary
21 care and individualized care plans to the extent feasible.

22 “(d) Members receive comprehensive transitional care, including appropriate follow-up, when
23 entering and leaving an acute care facility or a long term care setting.

24 “(e) Members receive assistance in navigating the health care delivery system and in accessing
25 community and social support services and statewide resources, including through the use of certi-
26 fied health care interpreters, as defined in ORS 413.550, community health workers and personal
27 health navigators who meet competency standards established by the authority under ORS 414.665
28 or who are certified by the Home Care Commission under ORS 410.604.

29 “(f) Services and supports are geographically located as close to where members reside as pos-
30 sible and are, if available, offered in nontraditional settings that are accessible to families, diverse
31 communities and underserved populations.

32 “(g) Each coordinated care organization uses health information technology to link services and
33 care providers across the continuum of care to the greatest extent practicable and if financially vi-
34 able.

35 “(h) Each coordinated care organization complies with the safeguards for members described in
36 ORS 414.635.

37 “(i) Each coordinated care organization convenes a community advisory council that meets the
38 criteria specified in section 13, chapter 8, Oregon Laws 2012.

39 “(j) Each coordinated care organization prioritizes working with members who have high health
40 care needs, multiple chronic conditions, mental illness or chemical dependency and involves those
41 members in accessing and managing appropriate preventive, health, remedial and supportive care
42 and services to reduce the use of avoidable emergency room visits and hospital admissions.

43 “(k) Members have a choice of providers within the coordinated care organization’s network and
44 that providers participating in a coordinated care organization:

45 “(A) Work together to develop best practices for care and service delivery to reduce waste and

1 improve the health and well-being of members.

2 “(B) Are educated about the integrated approach and how to access and communicate within the
3 integrated system about a patient’s treatment plan and health history.

4 “(C) Emphasize prevention, healthy lifestyle choices, evidence-based practices, shared decision-
5 making and communication.

6 “(D) Are permitted to participate in the networks of multiple coordinated care organizations.

7 “(E) Include providers of specialty care.

8 “(F) Are selected by coordinated care organizations using universal application and credential-
9 ing procedures, objective quality information and are removed if the providers fail to meet objective
10 quality standards.

11 “(G) Work together to develop best practices for culturally appropriate care and service delivery
12 to reduce waste, reduce health disparities and improve the health and well-being of members.

13 “(L) Each coordinated care organization reports on outcome and quality measures adopted under
14 ORS 414.638 and participates in the health care data reporting system established in ORS 442.464
15 and 442.466.

16 “(m) Each coordinated care organization uses best practices in the management of finances,
17 contracts, claims processing, payment functions and provider networks.

18 “(n) Each coordinated care organization participates in the learning collaborative described in
19 ORS 442.210 (3).

20 “(o) [*Except as provided in section 1 of this 2013 Act,*] Each coordinated care organization has
21 a governing body that includes:

22 “(A) Individuals representing the health care entities that share in the financial risk of the or-
23 ganization who must constitute a majority of the governing body;

24 “(B) Individuals representing the major components of the health care delivery system;

25 “(C) At least two health care providers in active practice, including:

26 “(i) A physician licensed under ORS chapter 677 or a nurse practitioner certified under ORS
27 678.375, whose area of practice is primary care; and

28 “(ii) A mental health or chemical dependency treatment provider;

29 “(D) At least two members from the community at large, to ensure that the organization’s
30 decision-making is consistent with the values of the members and the community; and

31 “(E) At least one member of the community advisory council.

32 “(3) The authority shall consider the participation of area agencies and other nonprofit agencies
33 in the configuration of coordinated care organizations.

34 “(4) In selecting one or more coordinated care organizations to serve a geographic area, the
35 authority shall:

36 “(a) For members and potential members, optimize access to care and choice of providers;

37 “(b) For providers, optimize choice in contracting with coordinated care organizations; and

38 “(c) Allow more than one coordinated care organization to serve the geographic area if neces-
39 sary to optimize access and choice under this subsection.

40 “(5) On or before July 1, 2014, each coordinated care organization must have a formal contrac-
41 tual relationship with any dental care organization that serves members of the coordinated care
42 organization in the area where they reside.

43 “**SECTION 9.** ORS 414.635, as amended by section 9, chapter 602, Oregon Laws 2011, and sec-
44 tion 5, chapter 8, Oregon Laws 2012, and section 4 of this 2013 Act, is amended to read:

45 “414.635. (1) The Oregon Health Authority shall adopt by rule safeguards for members enrolled

1 in coordinated care organizations that protect against underutilization of services and inappropriate
2 denials of services. In addition to any other consumer rights and responsibilities established by law,
3 each member:

4 “(a) Must be encouraged to be an active partner in directing the member’s health care and
5 services and not a passive recipient of care.

6 “(b) Must be educated about the coordinated care approach being used in the community and
7 how to navigate the coordinated health care system.

8 “(c) Must have access to advocates, including qualified peer wellness specialists where appro-
9 priate, personal health navigators, and qualified community health workers who are part of the
10 member’s care team to provide assistance that is culturally and linguistically appropriate to the
11 member’s need to access appropriate services and participate in processes affecting the member’s
12 care and services.

13 “(d) Shall be encouraged within all aspects of the integrated and coordinated health care deliv-
14 ery system to use wellness and prevention resources and to make healthy lifestyle choices.

15 “(e) Shall be encouraged to work with the member’s care team, including providers and com-
16 munity resources appropriate to the member’s needs as a whole person.

17 “(2) The authority shall establish and maintain an enrollment process for individuals who are
18 dually eligible for Medicare and Medicaid that promotes continuity of care and that allows the
19 member to disenroll from a coordinated care organization that fails to promptly provide adequate
20 services and:

21 “(a) To enroll in another coordinated care organization of the member’s choice; or

22 “(b) If another organization is not available, to receive Medicare-covered services on a fee-for-
23 service basis.

24 “(3) Members and their providers and coordinated care organizations have the right to appeal
25 decisions about care and services through the authority in an expedited manner and in accordance
26 with the contested case procedures in ORS chapter 183.

27 “(4) A health care entity may not unreasonably refuse to contract with an organization seeking
28 to form a coordinated care organization if the participation of the entity is necessary for the or-
29 ganization to qualify as a coordinated care organization.

30 “(5) A health care entity may refuse to contract with a coordinated care organization if the
31 reimbursement established for a service provided by the entity under the contract is below the
32 reasonable cost to the entity for providing the service.

33 “(6) A health care entity that unreasonably refuses to contract with a coordinated care organ-
34 ization may not receive fee-for-service reimbursement from the authority for services that are
35 available through a coordinated care organization either directly or by contract.

36 “(7) The authority shall adopt by rule a process for resolving disputes involving an entity’s re-
37 fusals to contract with a coordinated care organization under subsections (4) and (5) of this section.
38 The process must include the use of an independent third party arbitrator.

39 “(8) A coordinated care organization may not unreasonably refuse to contract with a licensed
40 health care provider.

41 “(9) The authority shall:

42 “(a) Monitor and enforce consumer rights and protections within the Oregon Integrated and
43 Coordinated Health Care Delivery System and ensure a consistent response to complaints of vio-
44 lations of consumer rights or protections.

45 “(b) Monitor and report on the statewide health care expenditures and recommend actions ap-

1 appropriate and necessary to contain the growth in health care costs incurred by all sectors of the
2 system.

3 “(c) Decertify a coordinated care organization that[:]

4 “[*(A)*] substantially fails to comply with rules adopted pursuant to ORS 414.625 or this
5 section[; *or*]

6 “[*(B)* *Fails to comply with section 1 (3) of this 2013 Act*].

7 **“SECTION 10. The amendments to ORS 414.625 and 414.635 by sections 8 and 9 of this 2013
8 Act become operative January 2, 2018.**

9 **“SECTION 11. Sections 1 and 2 of this 2013 Act are repealed January 2, 2018.”.**

10 In line 43, delete “8” and insert “12”.
