New sections are in **boldfaced** type.

1 (A) Who, on December 31, 2013, was:

2 (i) Enrolled in the Oregon Medical Insurance Pool, created by ORS 735.610, the Tempo-

6 (B) Whose coverage was reinsured under the reinsurance program for children's cover-
7 age described in ORS 735.614 (1)(b).

8 (2) The board shall prescribe by rule the criteria for a health benefit plan to qualify for

12 (b) Guaranteed availability under 42 U.S.C. 300gg-1;

13 (c) Guaranteed renewability under 42 U.S.C. 300gg-2;

18 in a calendar year exceed the attachment point. The amount of the payment shall be the

20 individual's claims costs that exceed the attachment point, up to the reinsurance cap, as
21 follows:

22 (a) For 2014:

23 (A) The attachment point is \$30,000.

24 (B) The coinsurance rate is:

25 (i) 10 percent of the amount of the claims costs above \$60,000 and up to and including

30 (b) The board shall adopt by rule an attachment point, coinsurance rate and reinsurance

36 (B) Increase the coinsurance rate adopted for that calendar year; or

37 (C) Increase the reinsurance cap adopted for that calendar year.

41 would be expected to produce funds totalling the lesser of:

42 (a) An amount per month multiplied by the number of insureds and certificate holders
43 in this state who are insured or reinsured, other than through the program or a federal re-
44 insurance program; or

45 (b) The total assessment set forth in subsection (5) of this section.

1 (5) The amount per month and total assessment are as follows:

5 \$63 million.

6 (c) For calendar year 2016, the amount per month is \$2.20 and the total assessment is
7 \$40 million.

8 (6) If the board collects assessments that exceed the amount necessary to make all of
9 the reinsurance payments that are due to issuers of reinsurance eligible health benefit plans
10 in a calendar year, the board shall reduce the amount of the prospective assessments or re-
11 fund the excess to issuers of reinsurance eligible health benefit plans on a pro rata basis.

12 (7) The board may not impose an assessment under subsection (4) of this section for
13 calendar years beginning with 2017.

14 (8) The board, in consultation with the Department of Consumer and Business Services,
15 may adopt rules necessary to carry out the provisions of this section in a manner consistent
16 with federal requirements under 42 U.S.C. 18061, including, but not limited to rules pre-
17 scribing:

18 (a) The eligibility requirements for participation in the program by an issuer of a rein-

22 (d) The amount, manner and frequency of reinsurance payments; and

23 (e) Reporting requirements for insurers subject to the assessment and for issuers of re-
24 insurance eligible health benefit plans.

25 (9) The board shall comply will all reporting, notification, record-keeping and record re-
26 tention requirements under 42 U.S.C. 18061.

27 **SECTION 3.** Section 4 of this 2013 Act is added to and made a part of the Insurance Code.

34 2013 Act.

35 (2) An insurer that offers a health benefit plan must report to the Oregon Medical In-
36 surance Pool Board, in the form and manner prescribed by the board by rule, information
37 about reinsurance eligible individuals insured by the health benefit plan, as necessary for the
38 board to calculate reinsurance payments under the Oregon Supplemental Reinsurance Pro-
39 gram.

40 **SECTION 5.** ORS 731.509 is amended to read:

41 731.509. (1) The purpose of ORS 731.509, 731.510, 731.511, 731.512 and 731.516 is to protect the
42 interests of insureds, claimants, ceding insurers, assuming insurers and the public generally. The
43 Legislative Assembly declares that its intent is to ensure adequate regulation of insurers and re-
44 insurers and adequate protection for those to whom they owe obligations. In furtherance of that
45 state interest, the Legislative Assembly mandates that upon the insolvency of an alien insurer or

1 reinsurer that provides security to fund its United States obligations in accordance with ORS
 2 731.509, 731.510, 731.511, 731.512 and 731.516, the assets representing the security shall be main-
 3 tained in the United States and claims shall be filed with and valued by the state insurance com-
 4 missioner with regulatory oversight, and the assets shall be distributed in accordance with the
 5 insurance laws of the state in which the trust is domiciled that are applicable to the liquidation of
 6 domestic United States insurers. The Legislative Assembly declares that the laws contained in ORS
 7 731.509, 731.510, 731.511, 731.512 and 731.516 are fundamental to the business of insurance in ac-
 8 cordance with 15 U.S.C. 1011 and 1012.

9 (2) The Director of the Department of Consumer and Business Services shall not allow credit for
 10 reinsurance to a domestic ceding insurer as either an asset or a reduction from liability on account
 11 of reinsurance ceded unless credit is allowed as provided under ORS 731.508 and unless the re-
 12 insurer meets the requirements of:

- 13 (a) Subsection (3) of this section;
- 14 (b) Subsection (4) of this section;
- 15 (c) Subsections (5) and (8) of this section;
- 16 (d) Subsections (6) and (8) of this section; [or]
- 17 (e) Subsection (7) of this section[.]; **or**
- 18 **(f) Subsection (9) of this section.**

19 (3) Credit shall be allowed when the reinsurance is ceded to an authorized assuming insurer that
 20 accepts reinsurance of risks, and retains risk thereon within such limits, as the assuming insurer is
 21 otherwise authorized to insure in this state as provided in ORS 731.508.

22 (4) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is ac-
 23 credited as a reinsurer in this state as provided in ORS 731.511. The director shall not allow credit
 24 to a domestic ceding insurer if the accreditation of the assuming insurer has been revoked by the
 25 director after notice and opportunity for hearing.

26 (5) Credit shall be allowed when the reinsurance is ceded to a foreign assuming insurer or a
 27 United States branch of an alien assuming insurer meeting all of the following requirements:

28 (a) The foreign assuming insurer must be domiciled in a state employing standards regarding
 29 credit for reinsurance that equal or exceed the standards applicable under this section. The United
 30 States branch of an alien assuming insurer must be entered through a state employing such stan-
 31 dards.

32 (b) The foreign assuming insurer or United States branch of an alien assuming insurer must
 33 maintain a combined capital and surplus in an amount not less than \$20,000,000. The requirement
 34 of this paragraph does not apply to reinsurance ceded and assumed pursuant to pooling arrange-
 35 ments among insurers in the same holding company system.

36 (c) The foreign assuming insurer or United States branch of an alien assuming insurer must
 37 submit to the authority of the director to examine its books and records.

38 (6) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains
 39 a trust fund meeting the requirements of this subsection and additionally complies with other re-
 40 quirements of this subsection. The trust fund must be maintained in a qualified United States fi-
 41 nancial institution, as defined in ORS 731.510 (1), for the payment of the valid claims of its United
 42 States policyholders and ceding insurers and their assigns and successors in interest. The assuming
 43 insurer must report annually to the director information substantially the same as that required to
 44 be reported on the annual statement form by ORS 731.574 by authorized insurers, in order to enable
 45 the director to determine the sufficiency of the trust fund. The following requirements apply to such

1 a trust fund:

2 (a) In the case of a single assuming insurer, the trust fund must consist of funds in trust in an
3 amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by United
4 States ceding insurers. In addition, the assuming insurer must maintain a trustee surplus of not less
5 than \$20,000,000.

6 (b) In the case of a group including incorporated and individual unincorporated underwriters:

7 (A) For reinsurance ceded under reinsurance agreements with an inception, amendment or re-
8 newal date on or after August 1, 1995, the trust shall consist of a trustee account in an amount
9 not less than the group's several liabilities attributable to business ceded by United States domiciled
10 ceding insurers to any member of the group.

11 (B) For reinsurance ceded under reinsurance agreements with an inception date on or before
12 July 31, 1995, and not amended or renewed after that date, notwithstanding the other provisions of
13 ORS 731.509, 731.510, 731.511, 731.512 and 731.516, the trust shall consist of a trustee account in
14 an amount not less than the group's several insurance and reinsurance liabilities attributable to
15 business written in the United States.

16 (C) In addition to the trusts described in subparagraphs (A) and (B) of this paragraph, the group
17 shall maintain in trust a trustee surplus of which \$100,000,000 shall be held jointly for the benefit
18 of the United States domiciled ceding insurers of any member of the group for all years of account.

19 (D) The incorporated members of the group shall not be engaged in any business other than
20 underwriting as a member of the group and shall be subject to the same level of regulation and
21 solvency control by the group's domiciliary regulator as are the unincorporated members.

22 (E) Within 90 days after the group's financial statements are due to be filed with the group's
23 domiciliary regulator, the group shall provide to the director an annual certification by the group's
24 domiciliary regulator of the solvency of each underwriter member or, if certification is unavailable,
25 financial statements of each underwriter member of the group prepared by independent certified
26 public accountants.

27 (c) In the case of a group of incorporated insurers described in this paragraph, the trust must
28 be in an amount equal to the group's several liabilities attributable to business ceded by United
29 States ceding insurers to any member of the group pursuant to reinsurance contracts issued in the
30 name of the group. This paragraph applies to a group of incorporated insurers under common ad-
31 ministration that complies with the annual reporting requirements contained in this subsection and
32 that has continuously transacted an insurance business outside the United States for at least three
33 years immediately prior to making application for accreditation. Such a group must have an aggre-
34 gate policyholders' surplus of \$10,000,000,000 and must submit to the authority of this state to ex-
35 amine its books and records and bear the expense of the examination. The group shall also maintain
36 a joint trustee surplus of which \$100,000,000 must be held jointly for the benefit of United States
37 ceding insurers of any member of the group as additional security for any such liabilities. Each
38 member of the group shall make available to the director an annual certification of the member's
39 solvency by the member's domiciliary regulator and its independent certified public accountant.

40 (d) The form of the trust and any amendment to the trust shall have been approved by the in-
41 surance commissioner of the state in which the trust is domiciled or by the insurance commissioner
42 of another state who, pursuant to the terms of the trust instrument, has accepted principal regula-
43 tory oversight of the trust.

44 (e) The form of the trust and any trust amendments also shall be filed with the insurance com-
45 missioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The

1 trust instrument must provide that contested claims shall be valid and enforceable upon the final
 2 order of any court of competent jurisdiction in the United States. The trust must vest legal title to
 3 its assets in its trustees for the benefit of the assuming insurer's United States ceding insurers and
 4 their assigns and successors in interest. The trust and the assuming insurer are subject to exam-
 5 ination as determined by the director. The trust must remain in effect for as long as the assuming
 6 insurer has outstanding obligations due under the reinsurance agreements subject to the trust.

7 (f) Not later than March 1 of each year, the trustees of each trust shall report to the director
 8 in writing the balance of the trust and listing the trust's investments at the preceding year end, and
 9 shall certify the date of termination of the trust, if so planned, or certify that the trust will not
 10 expire prior to the following December 31.

11 (7) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting
 12 the requirements of subsection (3), (4), (5) or (6) of this section, but only as to the insurance of risks
 13 located in jurisdictions in which the reinsurance is required by applicable law or regulation of that
 14 jurisdiction.

15 (8) If the assuming insurer is not authorized to transact insurance in this state or accredited
 16 as a reinsurer in this state, the director shall not allow the credit permitted by subsections (5) and
 17 (6) of this section unless the assuming insurer agrees in the reinsurance agreement to the provisions
 18 stated in this subsection. This subsection is not intended to conflict with or override the obligation
 19 of the parties to a reinsurance agreement to arbitrate their disputes, if such an obligation is created
 20 in the agreement. The assuming insurer must agree in the reinsurance agreement:

21 (a) That in the event of the failure of the assuming insurer to perform its obligations under the
 22 terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall
 23 submit to the jurisdiction of any court of competent jurisdiction in any state of the United States,
 24 will comply with all requirements necessary to give the court jurisdiction and will abide by the final
 25 decision of the court or of any appellate court in the event of an appeal; and

26 (b) To designate the director or a designated attorney as its true and lawful attorney upon whom
 27 any lawful process in any action, suit or proceeding instituted by or on behalf of the ceding company
 28 may be served.

29 **(9) Credit shall be allowed when the reinsurance is ceded to the Oregon Supplemental**
 30 **Reinsurance Program established in section 1 of this 2013 Act.**

31 [(9)] (10) If the assuming insurer does not meet the requirements of subsection (3), (4) or (5) of
 32 this section, the credit permitted by subsection (6) of this section shall not be allowed unless the
 33 assuming insurer agrees in the trust agreements to the following conditions:

34 (a) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate
 35 because it contains an amount less than the applicable amount required by subsection (6)(a), (b) or
 36 (c) of this section, or if the grantor of the trust has been declared insolvent or placed into
 37 receivership, rehabilitation, liquidation or similar proceedings under the laws of the grantor's state
 38 or country of domicile, the trustee shall comply with an order of the insurance commissioner with
 39 regulatory oversight over the trust or with an order of a court of competent jurisdiction directing
 40 the trustee to transfer to the insurance commissioner with regulatory oversight all the assets of the
 41 trust fund.

42 (b) The assets shall be distributed by and claims shall be filed with and valued by the insurance
 43 commissioner with regulatory oversight in accordance with the laws of the state in which the trust
 44 is domiciled that are applicable to the liquidation of domestic insurance companies.

45 (c) If the insurance commissioner with regulatory oversight determines that the assets of the

1 trust fund or any part thereof are not necessary to satisfy the claims of the United States ceding
 2 insurers of the grantor of the trust, the assets or part thereof shall be returned by the insurance
 3 commissioner according to the laws of that state and according to the terms of the trust agreement
 4 not inconsistent with the laws of that state.

5 (d) The grantor shall waive any right otherwise available to it under United States law that is
 6 inconsistent with this subsection.

10 735.625. (1) Except as provided in subsection (3)(c) of this section, the Oregon Medical Insurance
11 Pool Board shall offer major medical expense coverage to every eligible person **until December 31,**
12 **2013.**

13 (2) The coverage to be issued by the board, its schedule of benefits, exclusions and other limi-
14 tations, shall be established through rules adopted by the board, taking into consideration the advice
15 and recommendations of the pool members. In the absence of such rules, the pool shall adopt by rule
16 the minimum benefits prescribed by section 6 (Alternative 1) of the Model Health Insurance Pooling
17 Mechanism Act of the National Association of Insurance Commissioners (1984).

18 (3)(a) In establishing portability coverage under the pool, the board shall consider the levels of
19 medical insurance provided in this state and medical economic factors identified by the board. The
20 board may adopt rules to establish benefit levels, deductibles, coinsurance factors, exclusions and
21 limitations that the board determines are equivalent to the portability health benefit plans estab-
22 lished under ORS 743.760.

23 (b) In establishing medical insurance coverage under the pool, the board shall consider the lev-
24 els of medical insurance provided in this state and medical economic factors identified by the board.
25 The board may adopt rules to establish benefit levels, deductibles, coinsurance factors, exclusions
26 and limitations that the board determines are equivalent to those found in the commercial group or
27 employer-based medical insurance market.

28 (c) The board may provide a separate Medicare supplement policy for individuals under the age
29 of 65 who are receiving Medicare disability benefits. The board shall adopt rules to establish bene-
30 fits, deductibles, coinsurance, exclusions and limitations, premiums and eligibility requirements for
31 the Medicare supplement policy.

32 (d) In establishing medical insurance coverage for persons eligible for coverage under ORS
33 735.615 (1)(d), the board shall consider the levels of medical insurance provided in this state and
34 medical economic factors identified by the board. The board may adopt rules to establish benefit
35 levels, deductibles, coinsurance factors, exclusions and limitations to create benefit plans that
36 qualify the person for the credit for health insurance costs under section 35 of the federal Internal
37 Revenue Code, as amended and in effect on December 31, 2004.

38 (4)(a) Premiums charged for coverages issued by the board may not be unreasonable in relation
39 to the benefits provided, the risk experience and the reasonable expenses of providing the coverage.

40 (b) Separate schedules of premium rates based on age and geographical location may apply for
41 individual risks.

42 (c) The board shall determine the applicable medical and portability risk rates either by calcu-
43 lating the average rate charged by insurers offering coverages in the state comparable to the pool
44 coverage or by using reasonable actuarial techniques. The risk rates shall reflect anticipated expe-
45 rience and expenses for such coverage. Rates for pool coverage may not be more than 125 percent

1 of rates established as applicable for medically eligible individuals or for persons eligible for pool
2 coverage under ORS 735.615 (1)(d), or 100 percent of rates established as applicable for portability
3 eligible individuals.

4 (d) The board shall annually determine adjusted benefits and premiums. The adjustments shall
5 be in keeping with the purposes of ORS 735.600 to 735.650, subject to a limitation of keeping pool
6 losses under one percent of the total of all medical insurance premiums, subscriber contract charges
7 and 110 percent of all benefits paid by member self-insurance arrangements. The board may deter-
8 mine the total number of persons that may be enrolled for coverage at any time and may permit and
9 prohibit enrollment in order to maintain the number authorized. Nothing in this paragraph author-
10 izes the board to prohibit enrollment for any reason other than to control the number of persons in
11 the pool.

12 (5)(a) The board may apply:

13 (A) A waiting period of not more than 90 days during which the person has no available cov-
14 erage; or

15 (B) Except as provided in paragraph (c) of this subsection, a preexisting conditions provision of
16 not more than six months from the effective date of coverage under the pool.

17 (b) In determining whether a preexisting conditions provision applies to an eligible enrollee,
18 except as provided in this subsection, the board shall credit the time the eligible enrollee was cov-
19 ered under a previous health benefit plan if the previous health benefit plan was continuous to a
20 date not more than 63 days prior to the effective date of the new coverage under the Oregon Med-
21 ical Insurance Pool, exclusive of any applicable waiting period. The Oregon Medical Insurance Pool
22 Board need not credit the time for previous coverage to which the insured or dependent is otherwise
23 entitled under this subsection with respect to benefits and services covered in the pool coverage
24 that were not covered in the previous coverage.

25 (c) The board may adopt rules applying a preexisting conditions provision to a person who is
26 eligible for coverage under ORS 735.615 (1)(d).

27 (d) For purposes of this subsection, a “preexisting conditions provision” means a provision that
28 excludes coverage for services, charges or expenses incurred during a specified period not to exceed
29 six months following the insured’s effective date of coverage, for a condition for which medical ad-
30 vice, diagnosis, care or treatment was recommended or received during the six-month period imme-
31 diately preceding the insured’s effective date of coverage.

32 (6)(a) Benefits otherwise payable under pool coverage shall be reduced by all amounts paid or
33 payable through any other health insurance, or self-insurance arrangement, and by all hospital and
34 medical expense benefits paid or payable under any workers’ compensation coverage, automobile
35 medical payment or liability insurance whether provided on the basis of fault or nonfault, and by
36 any hospital or medical benefits paid or payable under or provided pursuant to any state or federal
37 law or program except the Medicaid portion of the medical assistance program offering a level of
38 health services described in ORS 414.707.

39 (b) The board shall have a cause of action against an eligible person for the recovery of the
40 amount of benefits paid which are not for covered expenses. Benefits due from the pool may be re-
41 duced or refused as a setoff against any amount recoverable under this paragraph.

42 (7) Except as provided in ORS 735.616, no mandated benefit statutes apply to pool coverage
43 under ORS 735.600 to 735.650.

44 (8) Pool coverage may be furnished through a health care service contractor or such alternative
45 delivery system as will contain costs while maintaining quality of care.

SECTION 17. ORS 735.645 is amended to read:

38 **SECTION 35.** ORS 731.509, as amended by section 5 of this 2013 Act, is amended to read:

39 731.509. (1) The purpose of ORS 731.509, 731.510, 731.511, 731.512 and 731.516 is to protect the
 40 interests of insureds, claimants, ceding insurers, assuming insurers and the public generally. The
 41 Legislative Assembly declares that its intent is to ensure adequate regulation of insurers and re-
 42 insurers and adequate protection for those to whom they owe obligations. In furtherance of that
 43 state interest, the Legislative Assembly mandates that upon the insolvency of an alien insurer or
 44 reinsurer that provides security to fund its United States obligations in accordance with ORS
 45 731.509, 731.510, 731.511, 731.512 and 731.516, the assets representing the security shall be main-

1 tained in the United States and claims shall be filed with and valued by the state insurance com-
 2 missioner with regulatory oversight, and the assets shall be distributed in accordance with the
 3 insurance laws of the state in which the trust is domiciled that are applicable to the liquidation of
 4 domestic United States insurers. The Legislative Assembly declares that the laws contained in ORS
 5 731.509, 731.510, 731.511, 731.512 and 731.516 are fundamental to the business of insurance in ac-
 6 cordance with 15 U.S.C. 1011 and 1012.

7 (2) The Director of the Department of Consumer and Business Services shall not allow credit for
 8 reinsurance to a domestic ceding insurer as either an asset or a reduction from liability on account
 9 of reinsurance ceded unless credit is allowed as provided under ORS 731.508 and unless the re-
 10 insurer meets the requirements of:

- 11 (a) Subsection (3) of this section;
- 12 (b) Subsection (4) of this section;
- 13 (c) Subsections (5) and (8) of this section;
- 14 (d) Subsections (6) and (8) of this section; **or**
- 15 (e) Subsection (7) of this section; *or*].
- 16 *[(f) Subsection (9) of this section.]*

17 (3) Credit shall be allowed when the reinsurance is ceded to an authorized assuming insurer that
 18 accepts reinsurance of risks, and retains risk thereon within such limits, as the assuming insurer is
 19 otherwise authorized to insure in this state as provided in ORS 731.508.

20 (4) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is ac-
 21 credited as a reinsurer in this state as provided in ORS 731.511. The director shall not allow credit
 22 to a domestic ceding insurer if the accreditation of the assuming insurer has been revoked by the
 23 director after notice and opportunity for hearing.

24 (5) Credit shall be allowed when the reinsurance is ceded to a foreign assuming insurer or a
 25 United States branch of an alien assuming insurer meeting all of the following requirements:

26 (a) The foreign assuming insurer must be domiciled in a state employing standards regarding
 27 credit for reinsurance that equal or exceed the standards applicable under this section. The United
 28 States branch of an alien assuming insurer must be entered through a state employing such stan-
 29 dards.

30 (b) The foreign assuming insurer or United States branch of an alien assuming insurer must
 31 maintain a combined capital and surplus in an amount not less than \$20,000,000. The requirement
 32 of this paragraph does not apply to reinsurance ceded and assumed pursuant to pooling arrange-
 33 ments among insurers in the same holding company system.

34 (c) The foreign assuming insurer or United States branch of an alien assuming insurer must
 35 submit to the authority of the director to examine its books and records.

36 (6) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains
 37 a trust fund meeting the requirements of this subsection and additionally complies with other re-
 38 quirements of this subsection. The trust fund must be maintained in a qualified United States fi-
 39 nancial institution, as defined in ORS 731.510 (1), for the payment of the valid claims of its United
 40 States policyholders and ceding insurers and their assigns and successors in interest. The assuming
 41 insurer must report annually to the director information substantially the same as that required to
 42 be reported on the annual statement form by ORS 731.574 by authorized insurers, in order to enable
 43 the director to determine the sufficiency of the trust fund. The following requirements apply to such
 44 a trust fund:

- 45 (a) In the case of a single assuming insurer, the trust fund must consist of funds in trust in an

1 amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by United
2 States ceding insurers. In addition, the assuming insurer must maintain a trusteed surplus of not less
3 than \$20,000,000.

4 (b) In the case of a group including incorporated and individual unincorporated underwriters:

5 (A) For reinsurance ceded under reinsurance agreements with an inception, amendment or re-
6 newal date on or after August 1, 1995, the trust shall consist of a trusteed account in an amount
7 not less than the group's several liabilities attributable to business ceded by United States domiciled
8 ceding insurers to any member of the group.

9 (B) For reinsurance ceded under reinsurance agreements with an inception date on or before
10 July 31, 1995, and not amended or renewed after that date, notwithstanding the other provisions of
11 ORS 731.509, 731.510, 731.511, 731.512 and 731.516, the trust shall consist of a trusteed account in
12 an amount not less than the group's several insurance and reinsurance liabilities attributable to
13 business written in the United States.

14 (C) In addition to the trusts described in subparagraphs (A) and (B) of this paragraph, the group
15 shall maintain in trust a trusteed surplus of which \$100,000,000 shall be held jointly for the benefit
16 of the United States domiciled ceding insurers of any member of the group for all years of account.

17 (D) The incorporated members of the group shall not be engaged in any business other than
18 underwriting as a member of the group and shall be subject to the same level of regulation and
19 solvency control by the group's domiciliary regulator as are the unincorporated members.

20 (E) Within 90 days after the group's financial statements are due to be filed with the group's
21 domiciliary regulator, the group shall provide to the director an annual certification by the group's
22 domiciliary regulator of the solvency of each underwriter member or, if certification is unavailable,
23 financial statements of each underwriter member of the group prepared by independent certified
24 public accountants.

25 (c) In the case of a group of incorporated insurers described in this paragraph, the trust must
26 be in an amount equal to the group's several liabilities attributable to business ceded by United
27 States ceding insurers to any member of the group pursuant to reinsurance contracts issued in the
28 name of the group. This paragraph applies to a group of incorporated insurers under common ad-
29 ministration that complies with the annual reporting requirements contained in this subsection and
30 that has continuously transacted an insurance business outside the United States for at least three
31 years immediately prior to making application for accreditation. Such a group must have an aggre-
32 gate policyholders' surplus of \$10,000,000,000 and must submit to the authority of this state to ex-
33 amine its books and records and bear the expense of the examination. The group shall also maintain
34 a joint trusteed surplus of which \$100,000,000 must be held jointly for the benefit of United States
35 ceding insurers of any member of the group as additional security for any such liabilities. Each
36 member of the group shall make available to the director an annual certification of the member's
37 solvency by the member's domiciliary regulator and its independent certified public accountant.

38 (d) The form of the trust and any amendment to the trust shall have been approved by the in-
39 surance commissioner of the state in which the trust is domiciled or by the insurance commissioner
40 of another state who, pursuant to the terms of the trust instrument, has accepted principal regula-
41 tory oversight of the trust.

42 (e) The form of the trust and any trust amendments also shall be filed with the insurance com-
43 missioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The
44 trust instrument must provide that contested claims shall be valid and enforceable upon the final
45 order of any court of competent jurisdiction in the United States. The trust must vest legal title to

1 its assets in its trustees for the benefit of the assuming insurer's United States ceding insurers and
2 their assigns and successors in interest. The trust and the assuming insurer are subject to exam-
3 ination as determined by the director. The trust must remain in effect for as long as the assuming
4 insurer has outstanding obligations due under the reinsurance agreements subject to the trust.

5 (f) Not later than March 1 of each year, the trustees of each trust shall report to the director
6 in writing the balance of the trust and listing the trust's investments at the preceding year end, and
7 shall certify the date of termination of the trust, if so planned, or certify that the trust will not
8 expire prior to the following December 31.

9 (7) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting
10 the requirements of subsection (3), (4), (5) or (6) of this section, but only as to the insurance of risks
11 located in jurisdictions in which the reinsurance is required by applicable law or regulation of that
12 jurisdiction.

13 (8) If the assuming insurer is not authorized to transact insurance in this state or accredited
14 as a reinsurer in this state, the director shall not allow the credit permitted by subsections (5) and
15 (6) of this section unless the assuming insurer agrees in the reinsurance agreement to the provisions
16 stated in this subsection. This subsection is not intended to conflict with or override the obligation
17 of the parties to a reinsurance agreement to arbitrate their disputes, if such an obligation is created
18 in the agreement. The assuming insurer must agree in the reinsurance agreement:

19 (a) That in the event of the failure of the assuming insurer to perform its obligations under the
20 terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall
21 submit to the jurisdiction of any court of competent jurisdiction in any state of the United States,
22 will comply with all requirements necessary to give the court jurisdiction and will abide by the final
23 decision of the court or of any appellate court in the event of an appeal; and

24 (b) To designate the director or a designated attorney as its true and lawful attorney upon whom
25 any lawful process in any action, suit or proceeding instituted by or on behalf of the ceding company
26 may be served.

27 *[(9) Credit shall be allowed when the reinsurance is ceded to the Oregon Supplemental Reinsurance*
28 *Program established in section 1 of this 2013 Act.]*

29 *[(10)]* (9) If the assuming insurer does not meet the requirements of subsection (3), (4) or (5) of
30 this section, the credit permitted by subsection (6) of this section shall not be allowed unless the
31 assuming insurer agrees in the trust agreements to the following conditions:

32 (a) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate
33 because it contains an amount less than the applicable amount required by subsection (6)(a), (b) or
34 (c) of this section, or if the grantor of the trust has been declared insolvent or placed into
35 receivership, rehabilitation, liquidation or similar proceedings under the laws of the grantor's state
36 or country of domicile, the trustee shall comply with an order of the insurance commissioner with
37 regulatory oversight over the trust or with an order of a court of competent jurisdiction directing
38 the trustee to transfer to the insurance commissioner with regulatory oversight all the assets of the
39 trust fund.

40 (b) The assets shall be distributed by and claims shall be filed with and valued by the insurance
41 commissioner with regulatory oversight in accordance with the laws of the state in which the trust
42 is domiciled that are applicable to the liquidation of domestic insurance companies.

43 (c) If the insurance commissioner with regulatory oversight determines that the assets of the
44 trust fund or any part thereof are not necessary to satisfy the claims of the United States ceding
45 insurers of the grantor of the trust, the assets or part thereof shall be returned by the insurance

1 commissioner according to the laws of that state and according to the terms of the trust agreement
2 not inconsistent with the laws of that state.

3 (d) The grantor shall waive any right otherwise available to it under United States law that is
4 inconsistent with this subsection.
