20 frequency. The terms of the right of entry must be described in the rental agreement or in a sepa-
21 rate written agreement.

22 [(ii)] (B) A tenant may deny consent for a landlord or landlord’s agent to enter upon the space
23 pursuant to this paragraph if the entry is at an unreasonable time or with unreasonable frequency.
24 The tenant must assert the denial by giving actual notice of the denial to the landlord or landlord’s
25 agent prior to, or at the time of, the attempted entry.

26 [(B) *As used in this paragraph:*]

27 [(i)] *“Yard maintenance, equipment servicing or grounds keeping” includes, but is not limited to,*
28 *servicing individual septic tank systems or water pumps, weeding, mowing grass and pruning trees and*
29 *shrubs.*]

30 [(ii)] *“Unreasonable time” refers to a time of day, day of the week or particular time that conflicts*
31 *with the tenant’s reasonable and specific plans to use the space.*]

32 (e) In all other cases, unless there is an agreement between the landlord and the tenant to the
33 contrary regarding a specific entry, the landlord shall give the tenant at least 24 hours’ actual no-
34 tice of the intent of the landlord to enter and the landlord or landlord’s agent may enter only at
35 reasonable times. The landlord or landlord’s agent may not enter if the tenant, after receiving the
36 landlord’s notice, denies consent to enter. The tenant must assert this denial of consent by giving
37 actual notice of the denial to the landlord or the landlord’s agent prior to, or at the time of, the
38 attempt by the landlord or landlord’s agent to enter.

39 (f) **Notwithstanding paragraph (e) of this subsection, a landlord or the landlord’s agent**
40 **may enter a rented space solely to inspect a tree despite a denial of consent by the tenant**
41 **if the landlord or the landlord’s agent has given at least 24 hours’ actual notice of the intent**
42 **to enter to inspect the tree and the entry occurs at a reasonable time.**

43 [(2)] (4) A landlord shall not abuse the right of access or use it to harass the tenant. A tenant
44 shall not unreasonably withhold consent from the landlord to enter.

45 [(3)] (5) A landlord has no other right of access except:

- 1 (a) Pursuant to court order;
- 2 (b) As permitted by ORS 90.410 (2);
- 3 (c) As permitted under ORS 90.539; or
- 4 (d) When the tenant has abandoned or relinquished the premises.

5 [(4)] (6) If a landlord is required by a governmental agency to enter a rented space, but the
6 landlord fails to gain entry after a good faith effort in compliance with this section, the landlord
7 shall not be found in violation of any state statute or local ordinance due to the failure.

8 **(7) If a landlord has a report from an arborist licensed as a landscape construction pro-**
9 **fessional pursuant to ORS 671.560 and certified by the International Society of Arboriculture**
10 **that a tree on the rented space is a hazard tree that must be maintained by the landlord as**
11 **described in section 5 of this 2013 Act, the landlord is not liable for any damage or injury as**
12 **a result of the hazard tree if the landlord is unable to gain entry after a good faith effort in**
13 **compliance with this section.**

14 [(5)] (8) If the tenant refuses to allow lawful access, the landlord may obtain injunctive relief
15 to compel access or may terminate the rental agreement pursuant to ORS 90.630 (1) and take pos-
16 session in the manner provided in ORS 105.105 to 105.168. In addition, the landlord may recover
17 actual damages.

18 [(6)] (9) If the landlord makes an unlawful entry or a lawful entry in an unreasonable manner
19 or makes repeated demands for entry otherwise lawful but that have the effect of unreasonably
20 harassing the tenant, the tenant may obtain injunctive relief to prevent the reoccurrence of the
21 conduct or may terminate the rental agreement pursuant to ORS 90.620 (1). In addition, the tenant
22 may recover actual damages not less than an amount equal to one month's rent.

23 **SECTION 7.** ORS 90.412 is amended to read:

24 90.412. (1) As used in this section and ORS 90.414 and 90.417, "rent" does not include funds paid
25 under the United States Housing Act of 1937 (42 U.S.C. 1437f).

26 (2) Except as otherwise provided in this section, a landlord waives the right to terminate a
27 rental agreement for a particular violation of the rental agreement or of law if the landlord:

28 (a) During three or more separate rental periods, accepts rent with knowledge of the violation
29 by the tenant; or

30 (b) Accepts performance by a tenant that varies from the terms of the rental agreement.

31 (3) A landlord has not accepted rent for purposes of subsection (2) of this section if:

32 (a) Within 10 days after receipt of the rent payment, the landlord refunds the rent; or

33 (b) The rent payment is made in the form of a check that is dishonored.

34 (4) A landlord does not waive the right to terminate a rental agreement for a violation under
35 any of the following circumstances:

36 (a) The landlord and tenant agree otherwise after the violation has occurred.

37 (b) The violation concerns the tenant's conduct and, following the violation but prior to ac-
38 ceptance of rent for three rental periods or performance as described in subsection (2) of this sec-
39 tion, the landlord gives a written warning notice to the tenant regarding the violation that:

40 (A) Describes specifically the conduct that constitutes the violation, either as a separate and
41 distinct violation, a series or group of violations or a continuous or ongoing violation;

42 (B) States that the tenant is required to discontinue the conduct or correct the violation; and

43 (C) States that a reoccurrence of the conduct that constitutes a violation may result in a ter-
44 mination of the tenancy pursuant to ORS 90.392, 90.398, 90.405 or 90.630.

45 (c) The tenancy consists of rented space for a manufactured dwelling or floating home as de-

1 scribed in ORS 90.505, and the violation concerns:

2 (A) Disrepair or deterioration of the manufactured dwelling or floating home pursuant to ORS
3 90.632; or

4 (B) A failure to maintain the rented space, as provided by ORS 90.740 (2), (4)(b) and (4)(h) **and**
5 **(i).**

6 (d) The termination is under ORS 90.396.

7 (e) The landlord accepts:

8 (A) A last month's rent deposit collected at the beginning of the tenancy, regardless of whether
9 the deposit covers a period beyond a termination date;

10 (B) Rent distributed pursuant to a court order releasing money paid into court as provided by
11 ORS 90.370 (1); or

12 (C) Rent paid for a rent obligation not yet due and paid more than one rental period in advance.

13 (5) For a continuous or ongoing violation, the landlord's written warning notice under sub-
14 section (4)(b) of this section remains effective for 12 months and may be renewed with a new warn-
15 ing notice before the end of the 12 months.

16 (6) A landlord that must refund rent under this section shall make the refund to the tenant or
17 other payer by personal delivery or first class mail. The refund may be in the form of the tenant's
18 or other payer's check or in any other form of check or money.

19 **SECTION 8.** ORS 90.510 is amended to read:

20 90.510. (1) Every landlord who rents a space for a manufactured dwelling or floating home shall
21 provide a written statement of policy to prospective and existing tenants. The purpose of the state-
22 ment of policy is to provide disclosure of the landlord's policies to prospective tenants and to ex-
23 isting tenants who have not previously received a statement of policy. The statement of policy is
24 not a part of the rental agreement. The statement of policy shall provide all of the following infor-
25 mation in summary form:

27 (b) The federal fair-housing age classification and present zoning that affect the use of the
28 rented space.

30 The rent history must, at a minimum, show the rent amounts on January 1 of each of the five pre-

41 name of the person responsible for payment.

42 (j) If a tenants' association exists for the facility, a one-page summary about the tenants' asso-

44 (k) Any facility policy regarding the removal of a manufactured dwelling, including a statement
45 that removal requirements may impact the market value of a dwelling.

1 **(L) Any facility policy regarding the planting of trees on the rented space for a manu-**
2 **factured dwelling.**

3 (2) The rental agreement and the facility rules and regulations shall be attached as an exhibit
4 to the statement of policy. If the recipient of the statement of policy is a tenant, the rental agree-
5 ment attached to the statement of policy must be a copy of the agreement entered by the landlord
6 and tenant.

7 (3) The landlord shall give:

8 (a) Prospective tenants a copy of the statement of policy before the prospective tenants sign
9 rental agreements;

10 (b) Existing tenants who have not previously received a copy of the statement of policy and who
11 are on month-to-month rental agreements a copy of the statement of policy at the time a 90-day
12 notice of a rent increase is issued; and

13 (c) All other existing tenants who have not previously received a copy of the statement of policy
14 a copy of the statement of policy upon the expiration of their rental agreements and before the
15 tenants sign new agreements.

16 (4) Every landlord who rents a space for a manufactured dwelling or floating home shall provide
17 a written rental agreement, except as provided by ORS 90.710 (2)(d). The agreement must be signed
18 by the landlord and tenant and may not be unilaterally amended by one of the parties to the con-
19 tract except by:

20 (a) Mutual agreement of the parties;

21 ***[(b) Actions taken pursuant to ORS 90.530, 90.533, 90.537, 90.543 (3) or 90.600; or]***

22 **(b) Actions taken pursuant to ORS 90.530, 90.533, 90.537, 90.543 (3), 90.600 or 90.725 (3)(f)**
23 **and (7) or section 5 of this 2013 Act; or**

33 ***[(f)] (g)*** Improvements that the tenant may or must make to the rental space, including plant
34 materials and landscaping;

35 ***[(g)] (h)*** Provisions for dealing with improvements to the rental space at the termination of the
36 tenancy;

37 ***[(h)] (i)*** Any conditions the landlord applies in approving a purchaser of a manufactured dwelling
38 or floating home as a tenant in the event the tenant elects to sell the home. Those conditions must
39 be in conformance with state and federal law and may include, but are not limited to, conditions as
40 to pets, number of occupants and screening or admission criteria;

41 ***[(i)] (j)*** That the tenant may not sell the tenant's manufactured dwelling or floating home to a
42 person who intends to leave the manufactured dwelling or floating home on the rental space until
43 the landlord has accepted the person as a tenant;

44 ***[(j)] (k)*** The term of the tenancy;

45 ***[(k)] (L)*** The process by which the rental agreement or rules and regulations may be changed,

1 which shall identify that the rules and regulations may be changed with 60 days' notice unless ten-
2 ants of at least 51 percent of the eligible spaces file an objection within 30 days; and

3 [(L)] (m) The process by which the landlord or tenant shall give notices.

4 (6) Every landlord who rents a space for a manufactured dwelling or floating home shall provide
5 rules and regulations concerning the tenant's use and occupancy of the premises. A violation of the
6 rules and regulations may be cause for termination of a rental agreement. However, this subsection
7 does not create a presumption that all rules and regulations are identical for all tenants at all times.
8 A rule or regulation shall be enforceable against the tenant only if:

9 (a) The rule or regulation:

10 (A) Promotes the convenience, safety or welfare of the tenants;

11 (B) Preserves the landlord's property from abusive use; or

12 (C) Makes a fair distribution of services and facilities held out for the general use of the ten-
13 ants.

14 (b) The rule or regulation:

15 (A) Is reasonably related to the purpose for which it is adopted and is reasonably applied;

16 (B) Is sufficiently explicit in its prohibition, direction or limitation of the tenant's conduct to
17 fairly inform the tenant of what the tenant shall do or may not do to comply; and

18 (C) Is not for the purpose of evading the obligations of the landlord.

19 (7)(a) A landlord who rents a space for a manufactured dwelling or floating home may adopt a
20 rule or regulation regarding occupancy guidelines. If adopted, an occupancy guideline in a facility
21 must be based on reasonable factors and not be more restrictive than limiting occupancy to two
22 people per bedroom.

23 (b) As used in this subsection:

24 (A) Reasonable factors may include but are not limited to:

25 (i) The size of the dwelling.

26 (ii) The size of the rented space.

27 (iii) Any discriminatory impact for reasons identified in ORS 659A.421.

28 (iv) Limitations placed on utility services governed by a permit for water or sewage disposal.

29 (B) "Bedroom" means a room that is intended to be used primarily for sleeping purposes and
30 does not include bathrooms, toilet compartments, closets, halls, storage or utility space and similar
31 areas.

32 (8) Intentional and deliberate failure of the landlord to comply with subsections (1) to (3) of this
33 section is cause for suit or action to remedy the violation or to recover actual damages. The pre-
34 vailing party is entitled to reasonable attorney fees and court costs.

35 (9) A receipt signed by the potential tenant or tenants for documents required to be delivered
36 by the landlord pursuant to subsections (1) to (3) of this section is a defense for the landlord in an
37 action against the landlord for nondelivery of the documents.

38 (10) A suit or action arising under subsection (8) of this section must be commenced within one
39 year after the discovery or identification of the alleged violation.

40 (11) Every landlord who publishes a directory of tenants and tenant services must include a
41 one-page summary regarding any tenants' association. The tenants' association shall provide the
42 summary to the landlord.

43 **SECTION 9.** ORS 90.543 is amended to read:

44 90.543. (1) Except as provided in subsections (2) and (3) of this section, a landlord that assesses
45 the tenants of a manufactured dwelling park containing 200 or more spaces in the facility a utility

1 or service charge for water by the pro rata billing method described in ORS 90.532 (1)(b)(C)(ii) shall
2 convert the method of assessing the utility or service charge to a billing method described in ORS
3 90.532 (1)(a) or (1)(c). The landlord shall complete the conversion no later than December 31, 2012.
4 A conversion under this section to a billing method described in ORS 90.532 (1)(c) is subject to ORS
5 90.537.

6 (2) A landlord that provides water to a manufactured dwelling park solely from a well or from
7 a source other than those listed in ORS 90.532 (8) is not required to comply with subsection (1) of
8 this section.

9 (3) A landlord that meets the following requirements designed to promote conservation is not
10 required to comply with subsection (1) of this section:

11 (a) The landlord must:

12 (A) Bill for water provided to a space using the pro rata billing method described in ORS 90.532
13 (1)(b)(C)(ii) by apportioning the utility provider's charge to tenants on a pro rata basis, with only the
14 following factors being considered in the apportionment, notwithstanding ORS 90.534 (2)(c):

15 (i) The number of tenants or occupants in the manufactured dwelling compared with the number
16 of tenants or occupants in the manufactured dwelling park; and

17 (ii) The size of a tenant's space as a percentage of the total area of the manufactured dwelling
18 park.

19 (B) Base two-thirds of the charge to the tenants on the factor described in subparagraph (A)(i)
20 of this paragraph and one-third of the charge on the factor described in subparagraph (A)(ii) of this
21 paragraph.

22 (C) Determine the number of tenants or occupants in each dwelling unit and in the manufac-
23 tured dwelling park at least annually.

24 (b) The landlord must demonstrate significant other conservation measures, including:

25 (A) Testing for leaks in common areas of the manufactured dwelling park at least annually, re-
26 pairing significant leaks within a reasonable time and making test results available to tenants;

27 (B) Testing each occupied manufactured dwelling and space for leaks without charge to a tenant
28 occupying the dwelling at least annually and making test results available to the tenant;

29 (C) Posting annually in any manufactured dwelling park office and in any common area evidence
30 demonstrating that per capita consumption of water in the manufactured dwelling park is below the
31 area average for single-family dwellings, as shown by data from the local provider of water; and

32 (D) Taking one or more other reasonable measures to promote conservation of water and to
33 control costs, including educating tenants about water conservation, prohibiting the washing of
34 motor vehicles in the manufactured dwelling park and requiring drip irrigation systems or schedules
35 for watering landscaping.

36 (c) The landlord must amend the rental agreement of each tenant to describe the provisions of
37 this subsection and subsection (4) of this section and to describe the use of the pro rata billing
38 method with additional conservation measures. The landlord may make the amendment to the rental
39 agreement unilaterally and must provide written notice of the amendment to the tenant at least 60
40 days before the amendment is effective.

41 (4) If a landlord subject to this section adopts conservation measures described in subsection (3)
42 of this section to avoid having to comply with subsection (1) of this section:

43 (a) Notwithstanding ORS 90.539 or 90.725 [(1)] (2), a tenant must allow a landlord access to the
44 tenant's space and to the tenant's manufactured dwelling so the landlord can test for water leaks
45 as provided by subsection (3)(b)(B) of this section.

1 (b) The landlord must give notice consistent with ORS 90.725 [(1)(e)] **(3)(e)** before entering the
2 tenant's space or dwelling to test for water leaks.

3 (c) A tenant may be required by the landlord to repair a significant leak in the dwelling found
4 by the landlord's test. The tenant must make the necessary repairs within a reasonable time after
5 written notice from the landlord regarding the leak, given the extent of repair needed and the sea-
6 son. The tenant's responsibility for repairs is limited to leaks within the tenant's dwelling and from
7 the connection at the ground under the dwelling into the dwelling. If the tenant fails to make the
8 repair as required, the landlord may terminate the tenancy pursuant to ORS 90.630.

9 (d) Notwithstanding ORS 90.730 (3)(c), a landlord is responsible for maintaining the water lines
10 within a tenant's space up to the connection with the dwelling, including repairing significant leaks
11 found in a test.

12 (e) A landlord may use the pro rata billing method described in ORS 90.532 (1)(b)(C)(ii) with the
13 allocation factors described in ORS 90.534 (2)(c) for common areas.

14 (f) Notwithstanding ORS 90.534 (4), a landlord may include in the utility or service charge the
15 cost to read water meters and to bill tenants for water if those tasks are performed by a third party
16 service and the landlord allows the tenants to inspect the third party's billing records as provided
17 by ORS 90.538.

18 (5) A tenant may file an action for injunctive relief to compel compliance by a landlord with the
19 requirements of subsections (1), (3) and (4) of this section and for actual damages plus at least two
20 months' rent as a penalty for noncompliance by the landlord with subsections (1), (3) and (4) of this
21 section. A landlord is not liable for damages for a failure to comply with the requirements of sub-
22 sections (1), (3) and (4) of this section if the noncompliance is only a good faith mistake by the
23 landlord in counting the number of tenants and occupants in each dwelling unit or the manufactured
24 dwelling park pursuant to subsection (3)(a) of this section.

25 **SECTION 10.** ORS 90.555 is amended to read:

26 90.555. (1) A facility tenant may not rent the tenant's manufactured dwelling or floating home
27 to another person for a period exceeding three days unless the facility landlord, facility tenant and
28 dwelling or home renter enter into a written subleasing agreement specifying the rights and obli-
29 gations of the landlord, tenant and renter during the renter's occupancy of the dwelling or home.
30 The subleasing agreement shall include, but need not be limited to, provisions that require the
31 dwelling or home renter to timely pay directly to the facility landlord the space rent, any separately
32 assessed fees payable under the rental agreement and any separately billed utility or service charge
33 described in ORS 90.532 (1)(b) or (c), and provisions that grant the dwelling or home renter the same
34 rights as the facility tenant to cure a violation of the rental agreement for the facility space, to
35 require facility landlord compliance with ORS 90.730 and to be protected from retaliatory conduct
36 under ORS 90.765. This subsection does not authorize a facility tenant to rent a manufactured
37 dwelling or floating home to another person in violation of the rental agreement between the facility
38 tenant and the facility landlord.

39 (2) Notwithstanding ORS 90.100 [(45)] **(47)**, a facility tenant who enters into a subleasing
40 agreement continues to be the tenant of the facility space and retains all rights and obligations of
41 a facility tenant under the rental agreement and this chapter. The occupancy of a manufactured
42 dwelling or floating home by a renter as provided in a subleasing agreement does not constitute
43 abandonment of the dwelling or home by the facility tenant.

44 (3) The rights and obligations of the dwelling or home renter under a subleasing agreement are
45 in addition to the rights and obligations retained by the facility tenant under subsection (2) of this

1 section. The rights and obligations of the dwelling or home renter under the subleasing agreement
2 are separate from any rights or obligations of the renter under ORS 90.100 to 90.465 applicable to
3 the renter's occupancy of the manufactured dwelling or floating home owned by the facility tenant.

4 (4) Unless otherwise provided in the subleasing agreement, a facility landlord may terminate a
5 subleasing agreement:

6 (a) Without cause by giving the dwelling or home renter written notice not less than 30 days
7 prior to the termination;

8 (b) If a condition described in ORS 90.380 (5)(b) exists for the facility space, by giving the renter
9 the same notice to which the facility tenant is entitled under ORS 90.380 (5)(b); or

10 (c) Subject to the cure right established in subsection (1) of this section and regardless of
11 whether the landlord terminates the rental agreement of the facility tenant:

12 (A) For nonpayment of facility space rent; or

13 (B) For any conduct by the dwelling or home renter that would be a violation of the rental
14 agreement under ORS 90.396 or 90.398 if committed by the facility tenant.

15 (5) Upon termination of a subleasing agreement by the facility landlord, whether with or without
16 cause, the dwelling or home renter and the facility tenant are excused from continued performance
17 under any agreement for the renter's occupancy of the manufactured dwelling or floating home
18 owned by the facility tenant.

19 (6)(a) If, during the term of a subleasing agreement, the facility landlord gives notice to the fa-
20 cility tenant of a rental agreement violation, of a law or ordinance violation or of the facility's
21 closure, conversion or sale, the landlord shall also promptly give a copy of the notice to the dwelling
22 or home renter. The giving of notice to the dwelling or home renter does not constitute notice to
23 the facility tenant unless the tenant has expressly appointed the renter as the tenant's agent for
24 purposes of receiving notice.

25 (b) If the facility landlord gives notice to the dwelling or home renter that the landlord is ter-
26 minating the subleasing agreement, the landlord shall also promptly give a copy of the notice to the
27 facility tenant. The landlord shall give the notice to the facility tenant in the same manner as for
28 giving notice of a rental agreement violation.

29 (c) If, during the term of a subleasing agreement, the facility tenant gives notice to the facility
30 landlord of a rental agreement violation, termination of tenancy or sale of the manufactured dwell-
31 ing or floating home, the tenant shall also promptly give a copy of the notice to the dwelling or
32 home renter.

33 (d) If the dwelling or home renter gives notice to the facility landlord of a violation of ORS
34 90.730, the renter shall also promptly give a copy of the notice to the facility tenant.

35 **SECTION 11.** ORS 90.634 is amended to read:

36 90.634. (1) A landlord may not assert a lien under ORS 87.162 for dwelling unit rent against a
37 manufactured dwelling or floating home located in a facility. Notwithstanding ORS 90.100 [(45)] (47)
38 and 90.675 and regardless of whether the owner of a manufactured dwelling or floating home occu-
39 pies the dwelling or home as a residence, a facility landlord that is entitled to unpaid rent and re-
40 ceives possession of the facility space from the sheriff following restitution pursuant to ORS 105.161
41 may sell or dispose of the dwelling or home as provided in ORS 90.675.

42 (2) If a manufactured dwelling or floating home was occupied immediately prior to abandonment
43 by a person other than the facility tenant, and the name and address of the person are known to the
44 landlord, a landlord selling or disposing of the dwelling or home under subsection (1) of this section
45 shall promptly send the person a copy of the notice sent to the facility tenant under ORS 90.675 (3).

1 Notwithstanding ORS 90.425, the facility landlord may sell or dispose of goods left in the dwelling
2 or home or upon the dwelling unit by the person in the same manner as if the goods were left by
3 the facility tenant. If the name and address of the person are known to the facility landlord, the
4 landlord shall promptly send the person a copy of the written notice sent to the facility tenant under
5 ORS 90.425 (3) and allow the person the time described in the notice to arrange for removal of the
6 goods.

7 **SECTION 12.** ORS 90.643 is amended to read:

8 90.643. (1) A manufactured dwelling park may be converted to a planned community subdivision
9 of manufactured dwellings pursuant to ORS 92.830 to 92.845. When a manufactured dwelling park is
10 converted pursuant to ORS 92.830 to 92.845:

11 (a) Conversion does not require closure of the park pursuant to ORS 90.645 or termination of
12 any tenancy on any space in the park or any lot in the planned community subdivision of manufac-
13 tured dwellings.

14 (b) After approval of the tentative plan under ORS 92.830 to 92.845, the manufactured dwelling
15 park ceases to exist, notwithstanding the possibility that four or more lots in the planned community
16 subdivision may be available for rent.

17 (2) If a park is converted to a subdivision under ORS 92.830 to 92.845, and the landlord closes
18 the park as a result of the conversion, ORS 90.645 applies to the closure.

19 (3) If a park is converted to a subdivision under ORS 92.830 to 92.845, but the landlord does not
20 close the park as a result of the conversion:

21 (a) A tenant who does not buy the space occupied by the tenant's manufactured dwelling may
22 terminate the tenancy and move. If the tenant terminates the tenancy after receiving the notice
23 required by ORS 92.839 and before the expiration of the 60-day period described in ORS 92.840 (2),
24 the landlord shall pay the tenant as provided in ORS 90.645 (1)(b).

25 (b) If the landlord and the tenant continue the tenancy on the lot created in the planned com-
26 munity subdivision, the tenancy is governed by ORS 90.100 to 90.465, except that the following pro-
27 visions apply and, in the case of a conflict, control:

28 (A) ORS 90.510 (4) to (7) applies to a rental agreement and rules and regulations concerning the
29 use and occupancy of the subdivision lot until the declarant turns over administrative control of the
30 planned community subdivision of manufactured dwellings to a homeowners association pursuant to
31 ORS 94.600 and 94.604 to 94.621. The landlord shall provide each tenant with a copy of the bylaws,
32 rules and regulations of the homeowners association at least 60 days before the turnover meeting
33 described in ORS 94.609.

34 (B) ORS 90.530 applies regarding pets.

35 (C) ORS 90.545 applies regarding the extension of a fixed term tenancy.

36 (D) ORS 90.600 (1) to (4) applies to an increase in rent.

37 (E) ORS 90.620 applies to a termination by a tenant.

38 (F) ORS 90.630 applies to a termination by a landlord for cause. However, the sale of a lot in
39 the planned community subdivision occupied by a tenant to someone other than the tenant is a good
40 cause for termination under ORS 90.630 that the tenant cannot cure or correct and for which the
41 landlord must give written notice of termination that states the cause of termination at least 180
42 days before termination.

43 (G) ORS 90.632 applies to a termination of tenancy by a landlord due to the physical condition
44 of the manufactured dwelling.

45 (H) ORS 90.634 applies to a lien for manufactured dwelling unit rent.

1 (I) ORS 90.680 applies to the sale of a manufactured dwelling occupying a lot in the planned
2 community subdivision. If the intention of the buyer of the manufactured dwelling is to leave the
3 dwelling on the lot, the landlord may reject the buyer as a tenant if the buyer does not buy the lot
4 also.

5 (J) ORS 90.710 applies to a cause of action for a violation of ORS 90.510 (4) to (7), 90.630, 90.680
6 or 90.765.

7 (K) ORS 90.725 applies to landlord access to a rented lot in a planned community subdivision.

8 (L) ORS 90.730 (2), (3), (4) and [(6)] (7) apply to the duty of a landlord to maintain a rented lot
9 in a habitable condition.

10 (M) ORS 90.750 applies to the right of a tenant to assemble or canvass.

11 (N) ORS 90.755 applies to the right of a tenant to speak on political issues and to post political
12 signs.

13 (O) ORS 90.765 applies to retaliatory conduct by a landlord.

14 (P) ORS 90.771 applies to the confidentiality of information provided to the Office of Manufac-
15 tured Dwelling Park Community Relations of the Housing and Community Services Department
16 about disputes.

17 **SECTION 13.** ORS 90.680 is amended to read:

18 90.680. (1) A landlord may not deny any manufactured dwelling or floating home space tenant
19 the right to sell a manufactured dwelling or floating home on a rented space or require the tenant
20 to remove the dwelling or home from the space solely on the basis of the sale.

21 (2) The landlord may not exact a commission or fee for the sale of a manufactured dwelling or
22 floating home on a rented space unless the landlord has acted as agent for the seller pursuant to
23 written contract.

24 (3) The landlord may not deny the tenant the right to place a “for sale” sign on or in a manu-
25 factured dwelling or floating home owned by the tenant. The size, placement and character of such
26 signs shall be subject to reasonable rules of the landlord.

27 (4) If the prospective purchaser of a manufactured dwelling or floating home desires to leave the
28 dwelling or home on the rented space and become a tenant, the landlord may require in the rental
29 agreement:

30 (a) Except when a termination or abandonment occurs, that a tenant give not more than 10 days’
31 notice in writing prior to the sale of the dwelling or home on a rented space;

32 (b) That prior to the sale, the prospective purchaser submit to the landlord a complete and ac-
33 curate written application for occupancy of the dwelling or home as a tenant after the sale is fi-
34 nalized and that a prospective purchaser may not occupy the dwelling or home until after the
35 prospective purchaser is accepted by the landlord as a tenant;

36 (c) That a tenant give notice to any lienholder, prospective purchaser or person licensed to sell
37 dwellings or homes of the requirements of paragraphs (b) and (d) of this subsection, the location of
38 all properly functioning smoke alarms and any other rules and regulations of the facility such as
39 those described in ORS 90.510 (5)(b), (f), [(h) and (i)] **(g), (i) and (j)**; and

40 (d) If the sale is not by a lienholder, that the prospective purchaser pay in full all rents, fees,
41 deposits or charges owed by the tenant as authorized under ORS 90.140 and the rental agreement,
42 prior to the landlord’s acceptance of the prospective purchaser as a tenant.

43 (5) If a landlord requires a prospective purchaser to submit an application for occupancy as a
44 tenant under subsection (4) of this section, at the time that the landlord gives the prospective pur-
45 chaser an application the landlord shall also give the prospective purchaser copies of the statement

1 of policy, the rental agreement and the facility rules and regulations, including any conditions im-
2 posed on a subsequent sale, all as provided by ORS 90.510. The terms of the statement, rental
3 agreement and rules and regulations need not be the same as those in the selling tenant's statement,
4 rental agreement and rules and regulations.

5 (6) The following apply if a landlord receives an application for tenancy from a prospective
6 purchaser under subsection (4) of this section:

7 (a) The landlord shall accept or reject the prospective purchaser's application within seven days
8 following the day the landlord receives a complete and accurate written application. An application
9 is not complete until the prospective purchaser pays any required applicant screening charge and
10 provides the landlord with all information and documentation, including any financial data and ref-
11 erences, required by the landlord pursuant to ORS 90.510 [(5)(h)] (5)(i). The landlord and the pro-
12 spective purchaser may agree to a longer time period for the landlord to evaluate the prospective
13 purchaser's application or to allow the prospective purchaser to address any failure to meet the
14 landlord's screening or admission criteria. If a tenant has not previously given the landlord the 10
15 days' notice required under subsection (4)(a) of this section, the period provided for the landlord to
16 accept or reject a complete and accurate written application is extended to 10 days.

17 (b) The landlord may not unreasonably reject a prospective purchaser as a tenant. Reasonable
18 cause for rejection includes, but is not limited to, failure of the prospective purchaser to meet the
19 landlord's conditions for approval as provided in ORS 90.510 [(5)(h)] (5)(i) or failure of the prospec-
20 tive purchaser's references to respond to the landlord's timely request for verification within the
21 time allowed for acceptance or rejection under paragraph (a) of this subsection. Except as provided
22 in paragraph (c) of this subsection, the landlord shall furnish to the seller and purchaser a written
23 statement of the reasons for the rejection.

24 (c) If a rejection under paragraph (b) of this subsection is based upon a consumer report, as
25 defined in 15 U.S.C. 1681a for purposes of the federal Fair Credit Reporting Act, the landlord may
26 not disclose the contents of the report to anyone other than the purchaser. The landlord shall dis-
27 close to the seller in writing that the rejection is based upon information contained within a con-
28 sumer report and that the landlord may not disclose the information within the report.

29 (7) The following apply if a landlord does not require a prospective purchaser to submit an ap-
30 plication for occupancy as a tenant under subsection (4) of this section or if the landlord does not
31 accept or reject the prospective purchaser as a tenant within the time required under subsection (6)
32 of this section:

33 (a) The landlord waives any right to bring an action against the tenant under the rental agree-
34 ment for breach of the landlord's right to establish conditions upon and approve a prospective pur-
35 chaser of the tenant's dwelling or home;

36 (b) The prospective purchaser, upon completion of the sale, may occupy the dwelling or home
37 as a tenant under the same conditions and terms as the tenant who sold the dwelling or home; and

38 (c) If the prospective purchaser becomes a new tenant, the landlord may impose conditions or
39 terms on the tenancy that are inconsistent with the terms and conditions of the seller's rental
40 agreement only if the new tenant agrees in writing.

41 (8) A landlord may not, because of the age, size, style or original construction material of the
42 dwelling or home or because the dwelling or home was built prior to adoption of the National
43 Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5403), in compli-
44 ance with the standards of that Act in effect at that time or in compliance with the state building
45 code as defined in ORS 455.010:

1 (a) Reject an application for tenancy from a prospective purchaser of an existing dwelling or
2 home on a rented space within a facility; or

3 (b) Require a prospective purchaser of an existing dwelling or home on a rented space within
4 a facility to remove the dwelling or home from the rented space.

5 (9) A tenant who has received a notice pursuant to ORS 90.632 may sell the tenant's dwelling
6 or home in compliance with this section during the notice period. The tenant shall provide a pro-
7 spective purchaser with a copy of any outstanding notice given pursuant to ORS 90.632 prior to a
8 sale. The landlord may also give any prospective purchaser a copy of any such notice. The landlord
9 may require as a condition of tenancy that a prospective purchaser who desires to leave the dwell-
10 ing or home on the rented space and become a tenant must comply with the notice within the notice
11 period consistent with ORS 90.632. If the tenancy has been terminated pursuant to ORS 90.632, or
12 the notice period provided in ORS 90.632 has expired without a correction of cause or extension of
13 time to correct, a prospective purchaser does not have a right to leave the dwelling or home on the
14 rented space and become a tenant.

15 (10) Except as provided by subsection (9) of this section, after a tenancy has ended and during
16 the period provided by ORS 90.675 (6) and (8), a former tenant retains the right to sell the tenant's
17 dwelling or home to a purchaser who wishes to leave the dwelling or home on the rented space and
18 become a tenant as provided by this section, if the former tenant makes timely periodic payment of
19 all storage charges as provided by ORS 90.675 (7)(b), maintains the dwelling or home and the rented
20 space on which it is stored and enters the premises only with the written permission of the landlord.
21 Payment of the storage charges or maintenance of the dwelling or home and the space does not
22 create or reinstate a tenancy or create a waiver pursuant to ORS 90.412 or 90.417. A former tenant
23 may not enter the premises without the written permission of the landlord, including entry to
24 maintain the dwelling or home or the space or to facilitate a sale.

26 **BILLING OF UTILITY OR SERVICE CHARGES**
27

28 **SECTION 14.** ORS 90.532, as amended by section 6a, chapter 816, Oregon Laws 2009, and sec-
29 tion 6a, chapter 503, Oregon Laws 2011, is amended to read:

30 90.532. (1) Subject to the policies of the utility or service provider, a landlord may, except as
31 provided in subsections (2) to (5) of this section, provide for utilities or services to tenants by one
32 or more of the following billing methods:

33 (a) A relationship between the tenant and the utility or service provider in which:

34 (A) The provider provides the utility or service directly to the tenant's space, including any
35 utility or service line, and bills the tenant directly; and

36 (B) The landlord does not act as a provider.

37 (b) A relationship between the landlord, tenant and utility or service provider in which:

38 (A) The provider provides the utility or service to the landlord;

39 (B) The landlord provides the utility or service directly to the tenant's space or to a common
40 area available to the tenant as part of the tenancy; and

41 (C) The landlord:

42 (i) Includes the cost of the utility or service in the tenant's rent; or

43 (ii) Bills the tenant for a utility or service charge separately from the rent in an amount deter-
44 mined by apportioning on a pro rata basis the provider's charge to the landlord as measured by a
45 master meter.

1 (c) A relationship between the landlord, tenant and utility or service provider in which:

2 (A) The provider provides the utility or service to the landlord;

3 (B) The landlord provides the utility or service directly to the tenant's space; and

4 (C) The landlord uses a submeter to measure the utility or service actually provided to the space
5 and bills the tenant for a utility or service charge for the amount provided.

6 (2) A landlord may not use a separately charged pro rata apportionment billing method as de-
7 scribed in subsection (1)(b)(C)(ii) of this section:

8 (a) For garbage collection and disposal, unless the pro rata apportionment is based upon the
9 number and size of the garbage receptacles used by the tenant.

10 (b) For water service, if the rental agreement for the dwelling unit was entered into on or after
11 January 1, 2010, unless the landlord was using a separately charged pro rata apportionment billing
12 method for all tenants in the facility immediately before January 1, 2010.

13 (c) For sewer service, if sewer service is measured by consumption of water and the rental
14 agreement for the dwelling unit was entered into on or after January 1, 2010, unless the landlord
15 was using a separately charged pro rata apportionment billing method for all tenants in the facility
16 immediately before January 1, 2010.

17 (3) Except as allowed by subsection (2) of this section for rental agreements entered into on or
18 after January 1, 2010, a landlord and tenant may not amend a rental agreement to convert water
19 or sewer utility and service billing from a method described in subsection (1)(b)(C)(i) of this section
20 to a method described in subsection (1)(b)(C)(ii) of this section.

21 (4) Except as provided in ORS 90.543 (3), a landlord for a manufactured dwelling park containing
22 200 or more spaces in the facility may not assess a tenant a utility or service charge for water by
23 using the billing method described in subsection (1)(b)(C)(ii) of this section.

24 (5)(a) A landlord of a manufactured dwelling park built after June 23, 2011, may use only the
25 submeter billing method described in subsection (1)(c) of this section for the provision of water.

26 (b) A landlord of a manufactured dwelling park that expands to add spaces after June 23, 2011,
27 may use only the submeter billing method described in subsection (1)(c) of this section for the pro-
28 vision of water to any spaces added in excess of 200.

29 (6) To assess a tenant for a utility or service charge for any billing period using the billing
30 method described in subsection (1)(b)(C)(ii) or (c) of this section, the landlord shall give the tenant
31 a written notice stating the amount of the utility or service charge that the tenant is to pay the
32 landlord and the due date for making the payment. The due date may not be *[less than 14 days*
33 *from]* **before** the date of service of the notice. The amount of the charge is determined as described
34 in ORS 90.534 or 90.536. If the rental agreement allows delivery of notice of a utility or service
35 charge by electronic means, for purposes of this subsection, "written notice" includes a communi-
36 cation that is transmitted in a manner that is electronic, as defined in ORS 84.004. **If the landlord**
37 **includes in the notice a statement of the rent due, the landlord shall separately and clearly**
38 **state the amount of the rent and the amount of the utility or service charge.**

39 (7) A utility or service charge is not rent or a fee. Nonpayment of a utility or service charge
40 is not grounds for termination of a rental agreement for nonpayment of rent under ORS 90.394, but
41 is grounds for termination of a rental agreement for cause under ORS 90.630. **A landlord may not**
42 **give a notice of termination of a rental agreement under ORS 90.630 for nonpayment of a**
43 **utility or service charge sooner than the eighth day, including the first day the utility or**
44 **service charge is due, after the landlord gives the tenant the written notice stating the**
45 **amount of the utility or service charge.**

1 (8) The landlord is responsible for maintaining the utility or service system, including any sub-
2 meter, consistent with ORS 90.730. After any installation or maintenance of the system on a tenant's
3 space, the landlord shall restore the space to a condition that is the same as or better than the
4 condition of the space before the installation or maintenance.

5 (9) A landlord may not assess a utility or service charge for water unless the water is provided
6 to the landlord by a:

- 7 (a) Public utility as defined in ORS 757.005;
- 8 (b) Municipal utility operating under ORS chapter 225;
- 9 (c) People's utility district organized under ORS chapter 261;
- 10 (d) Cooperative organized under ORS chapter 62;
- 11 (e) Domestic water supply district organized under ORS chapter 264; or
- 12 (f) Water improvement district organized under ORS chapter 552.

13 (10) A landlord that provides utilities or services only to tenants of the landlord in compliance
14 with this section and ORS 90.534 and 90.536 is not a public utility for purposes of ORS chapter 757.

15 (11) The authority granted in this section for a utility or service provider to apply policy re-
16 garding the billing methods described in subsection (1) of this section does not authorize the utility
17 or service provider to dictate either the amount billed to tenants or the rate at which tenants are
18 billed under ORS 90.534 or 90.536.

19
