A BILL FOR AN ACT

1
2 Relating to public employee retirement; creating new provisions; amending ORS 237.635, 237.637,
3 238.005, 238.285, 238.300, 238.360, 238.372, 238.374, 238.376, 238.378, 238.580, 238A.210, 238A.320,
4 292.180 and 314.840 and section 4, chapter 1, Oregon Laws 2010; repealing ORS 238.350 and
5 238.355; and declaring an emergency.

6 Whereas every Oregonian deserves to have a high-quality public education and to live in a safe
7 community and reasonably expects efficient and effective delivery of other needed public services;
8 and

9 Whereas the cost of Oregon's Public Employees Retirement System (PERS) is increasing at an
10 unsustainable rate and diverting billions of dollars away from schools and other critical services;
11 and

12 Whereas Oregon's schools have been forced to reduce instructional days, close schools and cut
13 approximately 7,000 teachers over the last three years despite increased state spending on educa-
14 tion; and

15 Whereas PERS is the largest single source of cost escalation driving these cuts; and

16 Whereas the annual cost of PERS is expected to increase significantly over the next decade or
17 more, placing at risk schools, public safety, the poor and seniors who depend on state assistance;
18 and

19 Whereas it is the responsibility of the Legislative Assembly to ensure that PERS is adequately
20 funded, rationally designed as one element of a reasonably competitive compensation arrangement
21 for public employees and sustainable for the sake of public employees, who may rely on PERS for
22 a material part of their retirement, and for Oregonians generally, who rightly expect the state to
23 use taxpayer dollars responsibly; and

24 Whereas in 2011 the Governor proposed and the Legislative Assembly passed comprehensive
25 education reform based on the aspirational goal of enabling 40 percent of adult Oregonians to have
26 at least a bachelor's degree, 40 percent of adult Oregonians to have at least an associate's degree
27 and the remaining 20 percent of adult Oregonians to have at least a high school diploma; and

28 Whereas later that year an increase in PERS costs resulted in massive layoffs of teachers, fewer
29 instructional days for students and the closings of schools; and

30 Whereas the PERS cost increase this year will drain hundreds of millions of dollars more out

1 of schools and cripple Oregon's efforts to achieve its educational goals; and

2 Whereas it is necessary for the Legislative Assembly to reform PERS, so that the state may
 3 provide critical services efficiently and effectively and provide a long-term, financially sound re-
 4 tirement system for public employees; and

5 Whereas the savings from the reforms set forth in this 2013 Act could facilitate the hiring or
 6 retention of thousands of public employees, including teachers, police officers and firefighters; and

7 Whereas it is the intent of the Legislative Assembly that the savings realized by schools and
 8 agencies as a result of this 2013 Act be used, to the maximum extent possible, to provide services
 9 that Oregonians need; and

10 Whereas the Legislative Assembly accordingly urges that school districts use funds saved as a
 11 result of this 2013 Act to reduce class sizes, restore instructional days and hire 5,000 or more
 12 teachers throughout this state; and

13 Whereas the Oregon Business Plan enjoys broad bipartisan support as a strategy for creating
 14 jobs and growing wages; and

15 Whereas reform of the Public Employees Retirement System is a top priority in the Oregon
 16 Business Plan because it is critical to funding vital public services and especially education; now,
 17 therefore,

(1) A refund annuity which shall be the actuarial equivalent of accumulated contributions, if any, by the member and interest thereon credited at the time of retirement, which annuity shall provide an allowance payable during the life of the member and at death a lump sum equal in amount to the difference between accumulated contributions at the time of retirement and the sum of the annuity payments actually made to the member during life shall be paid to such person, if any, as the member nominates by written designation duly acknowledged and filed with the **Public Employees Retirement** Board or shall otherwise be paid according to the provisions of this chapter for disposal of an amount credited to the member account of a member at the time of death in the event the member designates no beneficiary to receive the amount or no such beneficiary is able to receive the amount. If death of the member occurs before the first payment is due, the member account of the member shall be treated as though death had occurred before retirement.

(2)(a) A life pension (nonrefund) for current service provided by the contributions of employers, which pension, subject to paragraph (b) of this subsection, shall be an amount which, when added to the sum of the annuity, if any, under subsection (1) of this section and the annuity, if any, provided on the same basis and payable from the Variable Annuity Account, both annuities considered on a refund basis, results in a total of:

(B) For service as other than a police officer or firefighter, including service as a member of the Legislative Assembly, 1.67 percent of final average salary multiplied by the number of years of membership in the system as other than a police officer or firefighter before the effective date of retirement.

(b) A pension under this subsection shall be at least:

(A) For a member who first establishes membership in the system before July 1, 2003, the actuarial equivalent of the annuity provided by the accumulated *[contributions of the member]* **amounts in the member account.  13 withdraws the amount credited to the member account of the member in the fund during absence
 14 from such service and who thereafter reenters the service of an employer participating in the system
 15 but does not repay the amount so withdrawn as provided in this chapter, is limited to the number
 16 of years after the day before the date of so reentering.
