SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced.**

CONCURDENT DESCUITEDAY

Designates Saccharomyces cerevisiae as official microbe of State of Oregon.

1	CONCURRENT RESOLUTION
2	Whereas Saccharomyces cerevisiae, a microorganism classified in the kingdom Fungi, has a long
3	history of assisting in human gastronomic, cultural and scientific endeavors; and
4	Whereas Saccharomyces cerevisiae is commonly known as brewer's yeast or baker's yeast; and
5	Whereas dating back to ancient times, Saccharomyces cerevisiae has been used to leaven bread,
6	converting fermentable sugars present in the dough into carbon dioxide and ethanol; and
7	Whereas the ability to generate ethanol also makes Saccharomyces cerevisiae essential to the
8	production of alcoholic beverages such as mead, wine, beer and distilled spirits; and
9	Whereas Saccharomyces cerevisiae has inspired a thriving brewing culture in this state, making
10	Oregon an internationally recognized hub of craft brewing; and
11	Whereas Saccharomyces cerevisiae has many other important uses in such areas as nutritional
12	supplements, natural health remedies and aquarium upkeep; and
13	Whereas Saccharomyces cerevisiae is studied as a model organism and used extensively in sci-
14	entific research to further understanding of genetics, human disease and other important topics; and
15	Whereas the many meaningful uses of Saccharomyces cerevisiae and its importance to the
16	livelihood and well-being of the people of this state make it worthy of honor and recognition; now,
17	therefore,
18	Be It Resolved by the Legislative Assembly of the State of Oregon:
19	That Saccharomyces cerevisiae is the official microbe of the State of Oregon.
