 20 require that the local government enter into a service agreement under ORS 243.478 as a condition
 21 of an agreement under this subsection. If the local government and the system cannot reach an
 22 agreement under the provisions of this subsection, the local government may not become a partic-

24 (3) All funds invested by the [*council*] **corporation** for a participating local government must
 25 be accounted for separately. Investment of funds under this section must be implemented and ad-

 27 may be imposed under ORS 243.401 to 243.507 or other law.

28 (4) In addition to those amounts that may be deducted by the [*State Treasurer*] **corporation**
 29 pursuant to ORS 293.718, the system may assess a charge against the total account balances of all

 43 complies with the provisions of section 457 of the Internal Revenue Code, as amended, that apply
 44 to governmental plans, including but not limited to any required declaration of trust related to plan
 45 assets and appointment of a trustee. The [*council*] **corporation**, board or director may require an

1 opinion of counsel or other assurance satisfactory to the [*council*] **corporation**, board or director

 3 investment program does not cause the State of Oregon, its agencies or employees to violate any
 4 federal or state laws or regulations related to investments and securities.

5 (2) Participating local governments shall take all actions that the Oregon Investment [*Council*]
 6 **Corporation**, the Public Employees Retirement Board or the Director of the Public Employees Re-

 24 participating local governments that enter into agreements with the system under this section have
 25 uniform provisions on plan administration and record keeping.

26 (3) The system may assess a charge, in an amount to be determined by the system, against the
 27 total account balances in the Deferred Compensation Fund of all local governments that have en-
 28 tered into service agreements under this section. The charge imposed under this subsection is in
 29 addition to any charges that may be assessed against local governments by the system under ORS
 30 243.474 or deducted by the [*State Treasurer*] **Oregon Investment Corporation** under ORS 293.718.

31 (4) In the event the assessment provided for in subsection (3) of this section is inadequate to
 32 meet the administrative expenses incurred by the system for local government deferred compen-
 33 sation plans during a fiscal period, and the expenses are not carried over to another fiscal period
 34 pursuant to ORS 243.472 (2), the excess expenses may be paid by an additional one-time assessment
 35 against the account balances in the Deferred Compensation Fund of participating local governments
