9 in controversies concerning a claim arising under this chapter, exercising own motion jurisdiction  
10 under this chapter and providing such policy advice as the director may request, and providing such

18 on account of such attendance.

19 (e) Generally provide for the taking of testimony and for the recording of such proceedings.

20 (f) Provide standards for the evaluation of disabilities. The following provisions apply to the  
21 standards:

22 (A) The criterion for evaluation of permanent impairment under ORS 656.214 is the loss of use  
23 or function of a body part or system due to the compensable industrial injury or occupational dis-  
24 ease. Permanent impairment is expressed as a percentage of the whole person. The impairment value  
25 may not exceed 100 percent of the whole person.

26 (B) Impairment is established by a preponderance of medical evidence based upon objective  
27 findings.

28 (C) The criterion for evaluation of work disability under ORS 656.214 is permanent impairment  
29 as modified by the factors of age, education and adaptability to perform a given job.

30 (D) When, upon reconsideration of a notice of closure pursuant to ORS 656.268, it is found that  
31 the worker's disability is not addressed by the standards adopted pursuant to this paragraph,  
32 notwithstanding ORS 656.268, the director shall, in the order on reconsideration, determine the ex-  
33 tent of permanent disability that addresses the worker's impairment.

34 (E) Notwithstanding any other provision of this section, only impairment benefits shall be  
35 awarded under ORS 656.214 if the worker has been released to regular work by the attending phy-  
36 sician or nurse practitioner authorized to provide compensable medical services under ORS 656.245  
37 or has returned to regular work at the job held at the time of injury.

39 pursuant to ORS 654.001 to 654.295, 654.412 to 654.423, 654.750 to 654.780 and this chapter regarding  
40 all matters other than those specifically allocated to the board or the Hearings Division.

41 (h) Participate fully in any proceeding before the Hearings Division, board or Court of Appeals  
42 in which the director determines that the proceeding involves a matter that affects or could affect  
43 the discharge of the director's duties of administration, regulation and enforcement of ORS 654.001  
44 to 654.295, 654.412 to 654.423, 654.750 to 654.780 and this chapter.

3   adopt standards governing the format and timing of the evidence. The standards shall be uniformly  
4   followed by all Administrative Law Judges and practitioners. The rules may provide for informal  
5   prehearing conferences in order to expedite claim adjudication, amicably dispose of controversies,  
6   if possible, narrow issues and simplify the method of proof at hearings. The rules shall specify who  
7   may appear with parties at prehearing conferences and hearings.

8       **(b) Notwithstanding any other provision of this chapter, the board may adopt rules to**  
9       **allow for the electronic transmission of filings, reports, notices and other documents re-**

11       (6) The director and the board chairperson may incur such expenses as they respectively de-  
12       termine are reasonably necessary to perform their authorized functions.

13       (7) The director, the board chairperson and the State Accident Insurance Fund Corporation shall  
14       have the right, not subject to review, to contract for the exchange of, or payment for, such services  
15       between them as will reduce the overall cost of administering this chapter.

16       (8) The director shall have lien and enforcement powers regarding assessments to be paid by  
17       subject employers in the same manner and to the same extent as is provided for lien and enforce-  
18       ment of collection of premiums and assessments by the corporation under ORS 656.552 to 656.566.

19       (9) The director shall have the same powers regarding inspection of books, records and payrolls  
20       of employers as are granted the corporation under ORS 656.758. The director may disclose infor-  
21       mation obtained from such inspections to the Director of the Department of Revenue to the extent  
22       the Director of the Department of Revenue requires such information to determine that a person  
23       complies with the revenue and tax laws of this state and to the Director of the Employment De-  
24       partment to the extent the Director of the Employment Department requires such information to  
25       determine that a person complies with ORS chapter 657.

26       (10) The director shall collect hours-worked data information in addition to total payroll for  
27       workers engaged in various jobs in the construction industry classifications described in the job  
28       classification portion of the Workers' Compensation and Employers Liability Manual and the Oregon  
29       Special Rules Section published by the National Council on Compensation Insurance. The informa-
