41 (7) Shall deny the petition for a driving while under the influence of intoxicants diversion
 42 agreement if, after the date the defendant filed the petition, the defendant was charged with or

 26 States, the reserve components of the Armed Forces of the United States or the National Guard and
 27 has been called or demonstrates that the defendant will be called to active duty, and the military

13 813.500. (1) If a person's license is suspended for driving while under the influence of intoxicants

26 proved by the authority.

27 (b) The authority recommends, on the basis of the person's progress in the rehabilitation pro-
28 gram, such reinstatement in writing to the department. If the authority makes a recommendation
29 under this paragraph, the authority shall state specifically in the recommendation the times, places,

31 attend any alcohol or drug treatment or rehabilitation program or to obtain necessary medical

33 (3) If the authority determines that the person does not have a problem condition involving [*al-*

36 person enters an alcohol or drug information program approved by the authority and the department
37 determines that issuance of a permit is appropriate. If the department issues a permit to a person
