 - (C) The training on cultural diversity that athletic directors or other persons identified by the district school board shall be required to complete.**
- (2) All contracts of the school district must be approved by the district school board before an order can be drawn for payment. If a contract is made without the authority of the district school board, the individual making such contract shall be personally liable.

(3) Notwithstanding subsection (2) of this section, a district school board may, by resolution or policy, authorize its superintendent or the superintendent's designee to enter into and approve payment on contracts for products, materials, supplies, capital outlay, equipment and services that are within appropriations made by the district school board pursuant to ORS 294.456.
