**SUMMARY**

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Requires Oregon Health Authority to provide **medical assistance** to specified number of **women for** breast and cervical cancer screenings under Oregon Breast and Cervical Cancer Program.

**A BILL FOR AN ACT**

1  
2 Relating to cancer screening.

3       Whereas the incidence of breast cancer in Oregon is among the top five in the nation; and

4       Whereas the five-year survival rate for women whose breast cancer is caught during Stage I is  
5 99 percent; and

6       Whereas a late-stage breast cancer diagnosis results in a much poorer prognosis for a woman;  
7 and

8       Whereas 2,828 women were diagnosed with breast cancer and 115 women were diagnosed with  
9 cervical cancer in Oregon in 2011; and

10       Whereas uninsured women are 2.4 times more likely to receive a late-stage cancer diagnosis  
11 than insured women and are therefore more likely to die from the disease than insured women; and

12       Whereas the later a cancer is diagnosed, the harder and more expensive it is to treat; and

13       Whereas currently the number of women in Oregon needing Oregon Breast and Cervical Cancer  
14 Program services is estimated to be 77,000, but the Centers for Disease Control and Prevention and  
15 the Susan G. Komen Foundation provide funds for services to only 4,800 women; now, therefore,

16 **Be It Enacted by the People of the State of Oregon:**
